When Friendship Hurts Jan Yager, 2010-05-11 Taking its place alongside relationship classics *The 7 Habits of Highly Effective People* and *How to Win Friends and Influence People*, Dr. Jan Yager's *When Friendship Hurts*, in print since being published twenty-two years ago, is now available in a second edition containing new original research. Friendship expert, coach, and sociologist Dr. Jan Yager's prescriptive book on toxic friendships, what to do about them, and how to find or improve the positive friendships we all deserve, also has an updated Preface, bibliography, and resources section. The Preface shares Dr. Yager's more recent research that asks the question, "Have you ever had a friendship that made you physically or emotionally sick?" She was surprised to find that such strong reactions were more common than she originally thought. Forty-three percent of the ninety men and women she surveyed answered "Yes" to that question. In the new Preface, she shares their most common reactions. Another new feature of Dr. Yager's classic book includes cartoons at the beginning of each chapter by artist Cathy Wilcox and originally done for the Australia/New Zealand edition. *When Friendship Hurts* has helped countless men and women to better understand why they get involved in a toxic friendship, and then explore possible ways to mend it, let it fade, or end it.

St. John's Gospel Stephen K. Ray, 2011-06-17 As Catholics in ever-growing numbers are taking part in Bible studies, many questions arise. How do I study the Bible? Where do I begin? Is it OK to interpret the Bible for ourselves? What Bible should I use? How can I understand such a deep book as the Gospel of St. John? This book has the answer to these and many other such questions. Stephen Ray takes the difficult and makes it easy; he takes the confusion and makes things clear. It gives a simple start for a beginner while providing the depth and profundity for the scholar. This book is one of a kind. It is the first extensive, easy to use and thoroughly Catholic study guide available. This Bible study provides extensive text boxes with detailed information that helps students discover the cultural, religious, historical and other information on the specific passage they are studying. It utilizes quotes for a wide range of scholars, historians and specialists to instruct the student and give valuable insights into the background and meaning of the text. This book can serve as a basic Bible study guide for working through the Gospel of John, helping the student plumb the depths of St. John's marvelous and deeply spiritual Gospel. It is excellent for use by individuals or groups, for families or schools.

The Works of Maria Edgeworth, Part I Vol 2 Marilyn Butler, 2019-09-25 This volume contains Edgeworth's best courtship novel *Belinda*, which replaces mercenary fortune-hunting with a deeper quest for marital compatibility, valorising irrationality and love over reason and duty. MARIA EDGEWORTH was born in 1768. Her first novel, *Castle Rackrent* (1800) was also her first Irish tale. The next such tale was *Ennui* (1809), after which came *The Absentee*, which began life as an unstaged play and was then published (in prose) in *Tales of Fashionable Life* (1812), as were several of her other stories. They were followed in 1817 by the last of her Irish tales, *Ormond*. Maria Edgeworth died in 1849. Edited with an introduction and notes by Marilyn Butler.
