Blood & Bone Series: A Steamy Rock Star Romance Boxset Paula Dombrowiak, 2023-08-29 A steamy, four book rockstar romance boxset. It all started with a pair of jeans and a sharpie. Four friends left their hometown to chase a dream. In this bonus novella, their children are all grown up and learning to navigate life in the wake of their famous parents. **Blood & Bone:** An emotional, love triangle, second chance, friends to lovers, rock star romance Jack O'Donnell is a middle-aged rock star with a long history of bad decisions. Erin Langford is a seasoned journalist tasked with writing a piece on the aging rock star. As Jack starts to reveal the heart-wrenching details of his past, the feature she thought she was going to write, turns into so much more. **Two Days, One Interview, Twenty-Five Years of Rock 'N Roll.** Telling his story might just repair past relationships and ignite new ones. **Breath to Bear:** An emotional, second chance, rock star romance Journalists are supposed to be objective, to look at a story as if they're outside a window looking in. Instead, she fell through the glass and right into Jack O'Donnell's bed. The memoir she was supposed to write turned into more than she bargained for. Jack O'Donnell thought telling his story would purge his demons, but it didn't. If anything, it brought them closer to the surface. Now, they're threatening to drag him back into the darkness and stop him from moving on with the journalist who captured his story and his heart. **Bonds we Break:** An emotional, love triangle, second chance, rock star romance She promised herself to one man, while still in love with another. She came between two best friends and by betraying one, lost everything. In the end, they both knew, those bonds were always meant to be broken. Her name was Mia Stone. You may know how her story ends, but the truth is buried between the headlines. A secret that was meant to be taken to the grave - Until now. **Bound to Burn:** An emotional, age gap, second chance, rock star romance Cash Morgan didn't want to fall for her. In fact, he was determined not to, but she danced her way into his heart with her pink glittered Converse, and the sweet taste of peppermint. She's way too young, and chasing something he can't give her, but that doesn't stop him from wanting her. Sasha Leone was the curveball he never saw coming. If you love damaged hero's who get a second chance at love, then you'll love this gritty and emotional, rock star romance boxset.
