Before I Go to Sleep S. J. Watson, 2013-02-01 As I sleep, my mind will erase everything I did today. I will wake up tomorrow as I did this morning. Thinking I'm still a child. Thinking I have a whole lifetime of choice ahead of me.... Memories define us. So what if you lost yours every time you went to sleep? Your name, your identity, your past, even the people you love—all forgotten overnight. And the one person you trust may be telling you only half the story. Welcome to Christine's life.

Before I Go to Sleep Steven J. Watson, 2014-08-18 Christine wakes up every morning in an unfamiliar bed with an unfamiliar man. And every morning that man must explain that he is Ben, he is her husband; she is forty-seven years old; and a terrible accident two decades earlier decimated her ability to form new memories. But it's the phone call from a neurologist named Dr. Nash that directs her to her hidden journal. For the past few weeks, Christine has been recording her activities and rereading past entries, learning the facts of her life as retold by the husband upon whom she is completely dependent. As the entries accumulate, Christine finds herself asking more and more questions—about what she missed and what Ben might not be telling her...

A Book of Pagan Prayer Ceisiwr Serith,2018-11-01 "A beautiful and inspiring collection of prayers. A Book of Pagan Prayer is like a breath of fresh air, breathing life into the spiritual aspect of pagan practice."—Mat Auryn, Patheos Steeped in tradition based on more than a quarter century of research and practice, A Book of Pagan Prayer teaches us to pray in the ways of our ancestors for very modern times and concerns. A unique collection of nearly 500 prayers written to fulfill the needs of contemporary pagans from a variety of traditions, A Book of Pagan Prayer is a book to turn to again and again. First published in 2002, the revisions to this new edition include rearranged chapters and prayers and the addition of two new chapters, all of which make the book easier to use. The chapters are now arranged in an order that follows a ritual, and all the litanies have been moved to their appropriate chapters. Two new chapters--General Requests and Offerings and Travel, Protection, Imprecatory--combine two types of prayers out of the general Petitions into one. Prayers have been labeled with the deities to which they are addressed and arranged in logical order within each chapter. Prayers to new deities have also been added. In addition, a major problem with the first edition has been corrected: prayers for Lughnasadh/Lammas and Midsummer, two of the eight great neopagan holidays, have been added.
