Doreen Virtue

Healing with the Fairies Doreen Virtue, 2001-05-01 When a group of powerful fairies contacted Doreen Virtue, her life became an enchanting story of healings, manifestation, and true love. *Healing with the Fairies* is Doreen's very personal story of how the fairies helped her deal with a divorce and prepare herself for a spiritually based relationship. In this truly inspired book, you'll read how the fairies introduced Doreen to her lifelong soulmate, a man who she later discovered was the boy-next-door she'd had a childhood crush on. You'll also learn, along with Doreen, about the fairies' incredible powers of manifestation. Doreen shares what the dolphins, mermaids, dragonflies, and other members of the elemental kingdom taught her. You'll see that the fairies have the ability to help you create and attract miracles, and this book can teach you how to work with them to empower and heal your entire life!

Thank You, Angels Doreen Virtue, 2007-10-01 Best-selling author and angel lady Doreen Virtue has written her first book for children! *Thank You, Angels!* introduces young children to the world of angels and teaches them how these heavenly beings can help them in many ways. Kids will learn how to ask an angel for help, how to recognize an angel's voice, and what signs angels may use to let kids know that they're there. This book offers children a sense of comfort and peace by showing them that they're never alone.

Mary, Queen of Angels Doreen Virtue, 2013-05-15 *Mary, Queen of Angels* is a nondenominational book that follows in the successful vein of two of Doreen Virtue's previous works, *The Healing Miracles of Archangel Raphael* and *The Miracles of Archangel Michael*. Within these pages, Doreen brings forth a collection of true stories from people who have experienced dramatic healings by, and visitations from, Mary. Doreen ties these stories together by category; with comments and narrative for those who wish to deepen their own connection to Mary and the angels. *Mary, Queen of Angels* is for people of all faiths and beliefs. It is filled with prayers for various life situations, fascinating discussions about the history of Mary, and details of geographic locations where she has been sighted.

Angel Words Doreen Virtue, Grant Virtue, 2010-11-15 When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's

work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

The Care and Feeding of Indigo Children Doreen Virtue, 2001-05-29 Indigo children are bright, intuitive, strong-willed, and sometimes self-destructive individuals. They are often labeled (and misdiagnosed) as having ADD or ADHD because they won't comply with established rules and patterns; and they may exhibit behavioral problems at home and at school. In *The Care and Feeding of Indigo Children*, Doreen Virtue, Ph.D., explores the psyche of these special kids and offers alternative solutions to Ritalin based on her extensive research and interviews with child-care experts, teachers, parents, and the Indigo Children themselves. Read the accounts of these remarkable children as they explain why they act-out, are aggressive or withdrawn; and what they want from the adults in their lives. You'll also be fascinated by the psychic experiences that these kids have had in their lives so far. This is a groundbreaking book that can positively affect the ways in which you interact with your child, altering the shape of their future in miraculous ways.

Earth Angels Doreen Virtue, 2002-09-30 In the same way that *The Indigo Children* was a phenomenon that was much talked-about, before the book came out and explained it, *Earth Angels* is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, *Healing with the Angels*, and then more information in *Healing with the Fairies*. Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. *Earth Angels* will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of *Earth Angels*; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.

Angels of Abundance Doreen Virtue, Grant Virtue, 2014 In their travels around the globe, Doreen Virtue and her son Grant (the authors of *Angel Words* and *Angels of Love*) meet thousands of talented people who dream of being a healer, spiritual teacher, or writer, or of opening a healing center or school. They also long to be able to afford organic food, vitamin supplements, exercise instruction, trips to spiritual power places, and a wonderful home. However, they don't move forward, because they don't understand how to manifest the financial resources that our current world operates upon. Doreen and Grant wrote this book as an instructional and inspirational guide to everyone who needs material and emotional support for their dream and life purpose. Whether you desire more money, time, ideas, or opportunities, the *Angels of Abundance* will hold your hand and help you over the hurdles that have previously held you back.
