Bringing Up Boys James C. Dobson,2014-08-22 Sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity. As a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles. He addresses common questions parents ask when guiding boys into manhood, such as: How are boys fundamentally different from girls? What are the father's and

mother's unique roles in their son's life? How do you guide and discipline the next generation of boys to become godly men? How should you handle energetic and rambunctious behavior? Whether raising young children or teens, this is a must-read book for Christian parents, teachers, social workers, youth leaders, and counselors—anyone involved in the challenge of turning boys into good men.

Love Must Be Tough James C. Dobson, 2010-12-22 You've forgiven a thousand times. You've bent over backwards to make your partner feel loved and accepted. But the only reward for your loyalty has been anger, indifference, infidelity, or abuse. Your spouse may even be ready to walk out the door. Do you feel like all is lost? Are you ready to give up? There IS still hope. Dr. James Dobson's "tough love" principles have proven to be uniquely valuable and effective. Unlike most approaches to marriage crisis, the strategy in this groundbreaking classic does not require the willing cooperation of both spouses. *Love Must Be Tough* offers the guidance that gives you the best chance of rekindling romance, renewing your relationship, and drawing your partner back into your arms.

In this handy volume he offers practical and easy-to-understand answers to many of your family-related questions: How can we communicate more effectively with each other? Our daughter seems to lack self-confidence. How can we encourage her? Why doesn't our son seem to care about his schoolwork? How can we build a culture of respect in our home? How can we nurture a love that grows deeper and stronger with time? Based on the timeless wisdom of the Scriptures and backed by extensive clinical experience and research, Dr. Dobson's insights into family life provide the inspiration and guidance you need to make your home the loving, fun place you want it to be.
