Death Laura Thalassa, 2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. The day Death comes to Lazarus Gaumond's town and kills everyone in one fell swoop, the last thing he expects to see is one woman left alive and standing. But Lazarus has an extraordinary gift: she cannot be killed. Not by humans, not by the elements, not by Death himself. She is the one soul Death doesn't recognize. The one soul he cannot pry free from her flesh. Nor can he ignore the unsettling desire he has for her. And the longer she tries to stop him from his killing spree, the stronger the desire becomes. When Lazarus crosses paths with the three other horsemen, an unthinkable situation leads to a terrible deal: seduce Death, save the world. A hopeless task, made worse by the bad blood between the two. But try as she might, Lazarus cannot stay away from that ancient, beautiful being and his dark embrace. The end is here. Humankind is set to perish, and not even the other horsemen can stop Death from fulfilling his final task. Only Lazarus can.

Famine Laura Thalassa, 2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. Ana da Silva always assumed she'd die young, but she never expected it to be at the hands of the haunting immortal who spared her life years ago. Famine. But if the horseman remembers her, he must not care, for when she comes face to face with him for the second time in her life, she's stabbed and left for dead. Only, she doesn't quite die. If there's one thing Famine is good at, it's cruelty. He can't forget the pain humanity has brought him, and he's ready to bring it back to them tenfold. But when Ana, a ghost from his past, corners him for what he did to her, she and her empty threats captivate him, and he decides to keep her around. In spite of themselves, Ana and Famine are drawn to each other. But at the end of the day, the two are enemies. Nothing changes that. Not one kind act, not two. And definitely not a few steamy nights. But enemies or reluctant lovers, if they don't stop themselves soon, heaven will.

Pestilence Laura Thalassa, 2018-03-21 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows

and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed. Too bad no one told her Pestilence can't be killed. Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him. And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

The Queen of All That Dies Laura Thalassa,2015-01-17 In the future, the world is at war. For the last decade, King Lazuli of the Eastern Empire has systematically taken over the world. No one knows much about him other than a series of impossible facts: he cannot die, he has not aged since the conflict began, and he wants to rule the world. All Serenity Freeman has known is bloodshed. War has taken away her mother, her home, her safety. As the future emissary of the Western United Nations, the last autonomous region of the globe, she is responsible for forging alliances where she can. Surrender is on the horizon. The king can taste it; Serenity feels it deep within her bones. There is no other option. Now the two must come face to face. For Serenity, that means confronting the man who's taken everything from her. For the king, it means meeting the one woman he can't conquer. But when they meet, something happens. Cruelty finds redemption. Only in war, everything comes with a price. Especially love.

War Laura Thalassa,2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. The day Jerusalem falls to the horsemen, Miriam Elmahdy knows her life is over. Houses are burning, the streets run red with blood, and a traitorous army is massacring her people. There is no surviving this, especially not once Miriam catches the eye of War himself. But when the massive and terrifying horseman corners Miriam, he calls her his heaven-sent wife, and instead of killing her, he takes her back to his camp. Now Miriam faces a terrifying future, helplessly watching her world burn town by town, and the one responsible for it is her seemingly indestructible husband, who refuses to let her go. But there's another side to him, one that's gentle and loving and set on winning her over, and she might not be strong enough to resist. However, if there's one thing Miriam has learned, it's that love and war cannot coexist. She must make the ultimate choice: surrender to War and watch humankind fall, or sacrifice everything to stop him.

Edwin Arlington Robinson Scott Donaldson, 2007-01-09 At the time of his death in 1935, Edwin Arlington Robinson was regarded as the leading American poet-the equal of Frost and Stevens. In this biography, Scott Donaldson tells the intriguing story of this poet's life, based in large part on a previously unavailable trove of more than 3,000 personal letters, and recounts his profoundly important role in the development of modern American literature. Born in 1869, the youngest son of a well-to-do family in Gardiner, Maine, Robinson had two brothers: Dean, a doctor who became a drug addict, and Herman, an alcoholic who squandered the family fortune. Robinson never married, but he fell in love as many as three times, most lastingly with the woman who would become his brother Herman's wife. Despite his shyness, Robinson made many close friends, and he repeatedly went out of his way to give them his support and encouragement. Still, it was always poetry that drove him. He regarded writing poems as nothing less than his calling-what he had been put on earth to do. Struggling through long years of poverty and neglect, he achieved a voice and a subject matter all his own. He was the first to write about ordinary people and events-an honest butcher consumed by grief, a miser with eyes like little dollars in the dark, ancient clerks in a dry goods store measuring out their days like bolts of cloth. In simple yet powerful rhetoric, he explored the interior worlds of the people around him. Robinson was a major poet and a pivotal figure in the course of modern American literature, yet over the years his reputation has declined. With his biography, Donaldson returns this remarkable talent to the pantheon of great American poets and sheds new light on his enduring legacy.

The Forsaken Laura Thalassa,2015-03-09 Since her Awakening, seventeen-year-old Gabrielle Fiori has known the devil wants her as his own, and that when she dies, he'll finally lay his claim. Evading death should be easy. But when a prophecy linking her to the lord of the underworld is leaked, supernaturals-both good and bad-come together for one purpose: to kill her, the girl they believe is the anti-Christ. Andre de Leon, Gabrielle's soulmate and the king of vampires, will do anything to save her from a fate that's been predestined for thousands of years. Even if that means killing. Even if that means dying. But

Gabrielle harbors a secret: death is only a matter of time. The magic that flows through her veins, changing her from human to vampire, is killing her. Her heart is slowing, her lungs strain for breath, her body sickens. The world has forsaken her, and unless fate can save her, she'll be damned to hell and the devil that waits for her. And this time, it'll be for good.

The Decaying Empire Laura Thalassa, 2015 When eighteen-year-old teleporter Ember Pierce wakes up in a Los Angeles hospital, she remembers only the basics: she's been trained by the government as a spy, she's sent on dangerous missions, and her last assignment--the one that landed her in the hospital--was a setup. Caden Hawthorne has spent the past ten months of his life grieving Ember's death. So when she shows up in his room like an apparition, he can't believe his eyes. But this Ember is different. Her hair is longer, her skin is paler, her gaze is haunted. She tells him what he's already begun to suspect: someone he trusted betrayed her. Now, uncertain who is friend and who is foe, Ember and Caden face the toughest mission of their lives--to stay together and survive, as they run from danger toward an unknown future.
