Demons of the Flesh Nikolas Schreck,Zeena Schreck,2002 In the first comprehensive and unflinching,overview of the erotic initiation and sexual,sorcery essential to the mysterious magical,tradition known as the 'Left Hand Path', this,complete guide covers an enormous array of taboo,and previously forbidden practices. Demons in the Flesh Craig Frye,2016-05-26 A new type of parasite will soon claw its way out of the earth and emerge in the town of Derry, Mississippi. Three such creatures will come to our world; each inhabited by a different demon but all with one common goal: To stop eighteen year old Michael Ray Doyle from accomplishing a dream that seems too far fetched to ever come true. But the Devil isn't the only one who wants Michael's head on a stake. Three self righteous Baptist women who call themselves, The Ministers of the Devout, whole heartedly believe that the Holy Ghost has come to Derry to cleanse the town of the sinners in their midst. They'll find out the hard way that what inhabits the body of one of their own is anything but holy. Things go from bad to worse for Michael when the girl he is falling for, Lyndsey Jenkins, is added to the long list of people who have vanished from Derry without a trace. Michael's investigation into her disappearance will lead him down a dangerous path; one which results in the deaths of several innocent people, and places him directly in the clutches of the unholy trinity sent to assassinate him.

Elinor. The Deserted Valley. Book 1 Mikhail Shelkov,2019-01-18 Elinor... a huge continent, situated in the middle of a boundless ocean. The nature of this world is rich and diverse - high mountains, deep forests, endless prairies, severe snows of the North and arid deserts of the South. Eight nations, originated from the Valley of the Ancestors, created their own governments in different parts of the continent: wise Djunits, reckless Guawars, fearless Itoshins, elucidated Ulutau, discreet Vedichs, mighty Taurs, inventive Tausmatius, careless Chekatta.

Vegenrage Robert Spina,2017-07-29 Vegenrage and Farrah let passion rule their hearts. Physicality consumes their

bodies, and love flourishes. Vegenrage is unaware that the demon uprising ceremony is going on in Vollenbeln. When Farrah tells him of the death of the demons and those that have survived, Vegenrage recalls knowledge from his library that has been stolen and changed. Vegenrage, Farrah, and the races of man and dragon quickly realize they are all in a fight for their lives and a fight for survival of all the living. The demon rising is here, and now the demons have made their way to the outer realm guided and powered by the leader of Maglical Hell. Vemenomous makes his triumphant return and targets Farrahs love for Vegenrage to manipulate her thoughts toward evil. The demons are out to feast on the flesh of the living, and all the races of man face the most brutal and violent war they have ever seen. Vegenrage comes to find his true calling and to find out why he instinctively called his name Vegenrage. Farrahs lifelong charm by Alisluxkana is exploited. She is constantly haunted and used to try and destroy Vegenrage. The demons know Farrah is the key, and she is to be the champion they need in order to defeat Vegenrage. The demons better be careful what they wish for. Farrah may just become more powerful than all of them, and then who and what will Farrah fight for? So much turmoil and so much grief is caused by the evil of Maglical Hell as Vegenrage is forced to face off with those he hates and those he loves. The prophecies of Hornspire have never been more important than they are after his death, and they may be the only salvation for the races of man. The pages will keep you mystified as the phenomenon Vegenrage continues.
