**Mathematics and Music** James S. Walker, Gary Don, 2019-09-24 Mathematics and Music: Composition, Perception, and Performance, Second Edition includes many new sections and more consistent expectations of a student's experience. The new edition of this popular text is more accessible for students with limited musical backgrounds and only high school mathematics is required. The new edition includes more illustrations than the previous one and the added sections deal with the XronoMorph rhythm generator, musical composition, and analyzing personal performance. The text teaches the basics of reading music, explaining how various patterns in music can be described with mathematics, providing mathematical explanations for musical scales, harmony, and rhythm. The book gives students a deeper appreciation showing how music is informed by both its mathematical and aesthetic structures. Highlights of the Second Edition: Now updated for more consistent expectations of students' backgrounds More accessible for students with limited musical backgrounds Full-color presentation Includes more thorough coverage of spectrograms for analyzing recorded music Provides a basic introduction to reading music Features new coverage of building and evaluating rhythms

**Music, Subcultures and Migration** Elke Weesjes, Matthew Worley, 2024-03-26 This edited volume concentrates on the period from the 1940s to the present, exploring how popular music forms such as blues, disco, reggae, hip hop, grime, metal and punk evolved and transformed as they traversed time and space. Within this framework, the collection traces how music and subcultures travel through, to and from democracies, autocracies and anocracies. The chosen approach is multidisciplinary and deliberately diverse. Using both archival sources and oral testimony from a wide variety of musicians, promoters, critics and members of the audience, contributors from a range of academic disciplines explore music and subcultural forms in countries across Asia, Europe, Oceania, North America and Africa. They investigate how far the meaning of music and associated subcultures change as they move from one context to another and consider whether they transcend or blur parameters of class, race, gender and sexuality.

*Ed Sheeran Ukulele Chord Songbook* Wise Publications, 2015-09-04 The Ed Sheeran Ukulele Chord Songbook features every song from the chart-topping albums X and +. Each track has been carefully arranged for Ukulele from the original recordings, in the original keys, this songbook is the perfect collection for anyone looking to learn Ed Sheeran on the with complete lyrics, chord symbols and chord boxes, helping you to perform your own versions as accurately as possible. The

acoustic brilliance of Ed Sheeran's two albums perfectly translates to the sound of the Ukulele. Whether it's playing along to the records, having a singalong at a party, or just practising in the park, the quickfire lyrics and rhythmic strumming lends itself very well to the portability and bright sound of the instrument. Song List: - The A Team - Afire Love - All Of The Stars - Autumn Leaves - Bloodstream - The City - Don't - Drunk - Even My Dad Does Sometimes Everything Has Changed - Give Me Love - Gold Rush - Grade 8 - I See Fire - I'm A Mess - Kiss Me - Lego House - Little Bird - The Man - Nina - One - The Parting Glass - Photograph - Runaway - Shirtsleeves - Sing - Small Bump - Sunburn - Take It Back - Tenerife Sea - Thinking Out Loud - This - U.N.I. - Wake Me Up - You Need Me, I Don't Need You

**Nostalgia, Song and the Quest for Home** Paul Carr, 2025-08-07 What does it mean to evoke a sense of home through song, or intentionally utilize nostalgia in songwriting? This book explores a neglected aspect of scholarship surrounding the study of song-its relationship with nostalgia and notions of 'home,' in the broadest sense. Each essay in this collection studies these factors from the perspective of 'production,' 'text' and 'reception,' either individually or in combination. Making use of frameworks such as Marxism, critical theory and hauntology, this is a propulsive study of the global cultural phenomena of nostalgia music. From the perspective of 'production,' authors explore nostalgia as technique and the commercialization of nostalgia. The section focused on 'text' features case studies of nostalgic songs or albums about home and musicological analyses of the nostalgic trends of songwriters, songs, albums. Finally, the 'reception' essays facilitate examination of nostalgic narratives from the subjective and varying perspectives of audiences or listeners. Whether identifying with Bruce Springsteen or ABBA, or hailing from Ukraine or New Zealand, the featured music speaks to a listener's sense of home and self. From music of the Serbian diaspora and Country 'n' Irish music, which speak of a nostalgia for a homeland (or time) to which one cannot return, to a song performed in the Wuhan dialect for listeners who could not leave their homes during COVID containment, these collected essays feature the music of artists whose audiences have found and clung to a version of themselves.

*AQA GCSE Music Study Guide* Andrew Coxon, Paul Terry, 2016-07-01 The AQA GCSE Music Study Guide is a definitive study guide for the 'reformed' GCSE (9-1) specification - For exams 2018 onwards. This clear and concise guide covers all components of the GCSE: 'Performing', 'Composing' and 'Understanding Music'. This edition also contains full coverage of the study pieces for all four areas of study, gives background information and advice on answering questions on 'unfamiliar' repertoire, offers comprehensive support for 'Composing' tasks, gives advice on how to tackle 'Performing', explains what to expect in the exam and introduces the musical language, elements and contexts that AQA expects students to know. Author Andrew S. Coxon has been Head of Department in three secondary schools. He has been involved in examination work with one of the major examining boards for 36 years and has held senior posts at GCSE and A level.

LITTLE BLACK SONGBOOK OF ED SHEERAN BK. Ed Sheeran, 2017

Flirting with the Scrooge: A Grumpy Sunshine Holiday Romantic Comedy Gia Stevens, 2023-11-20 Enjoy this steamy holiday, grumpy/sunshine standalone romcom by romantic comedy author Gia Stevens... 'Twas a month before Christmas, and all through the town, Everyone was ready to celebrate, except my hot and grumpy new neighbor. Christmas is my favorite time of year with the festive parties and holiday cheer. But having Connor Tyler move in next door is as much fun as

searching for a burned-out bulb in a string of lights. His rugged good looks and guitar can make anyone swoon. That doesn't change the fact that he slammed the door in my face when I welcomed him with a tray of homemade cookies. But I won't let his bah-humbug attitude damper my holiday spirit. This year, more than ever, I need to deck the halls and revel in being jolly. As I ramp up my holiday cheer, Connor spends more and more time casting lingering glances toward my... mistletoe. When a blizzard hits, a gesture of hospitality leads to exchanging more than presents. As Christmas draws nearer, I chip away at his icy facade only to discover a painful truth. There's an expiration date on his time next door. And I'm certain I don't have enough boxes of tinsel to convince him to stay. Flirting with the Scrooge is the fifth book in the Harbor Highlands series. It's a grumpy/sunshine, holiday romantic comedy filled with holiday antics and snow melting interactions. Be prepared to laugh-out-loud one minute and swoon the next in this steamy standalone romcom. Each book in the Harbor Highlands Series is set in the same world and delivers a guaranteed happily ever after. Harbor Highlands Series: 1. Flirting with the Playboy 2.

Flirting with the Enemy 3. Flirting with the Stranger 4. Flirting with the Bad Boy 5. Flirting with the Scrooge
