AI-Powered Leadership: Transforming Organizations in the Digital Age Baez, Maria D.,2025-02-24 The integration of artificial intelligence into leadership practices is revolutionizing how organizations operate in the digital age. By leveraging AI, leaders can make data-driven decisions, predict market trends, and personalize employee experiences, fostering innovation and efficiency. This transformation empowers organizations to navigate complex challenges, streamline operations, and maintain a competitive edge in rapidly evolving industries. However, the adoption of AI also raises important ethical considerations and requires leaders to balance technological advancements with human-centered values to build trust and inclusivity. This shift reshapes traditional leadership paradigms, emphasizing adaptability, strategic thinking, and collaboration between humans and AI systems. AI-Powered Leadership: Transforming Organizations in the Digital Age explores how AI is reshaping leadership by providing tools for data-driven decision-making, enhancing organizational efficiency, and fostering innovation in the digital age. It offers insights into balancing technological advancements with ethical leadership practices, equipping readers to navigate the complexities of AI-powered organizational transformation. Covering topics such as agile project management, employee wellness, and workplace bullying, this book is an excellent

resource for organizational leaders, executives, managers, HR professionals, business strategists, students, researchers, and more.

Beyond Self-Care Gail Markin, 2022-11-09 So often, educators' conversations about well-being begin and end with self-care, without addressing all aspects of educator wellness. Author Gail Markin explores the importance of well-being at individual, group, and system levels, as well as the role of leadership in supporting cultures of well-being. Using research-based practices and excerpts of conversations from working educators, Markin delivers a guidebook to healthier, more passionate schools. This book will help K-12 leaders: Understand why well-being matters in education Learn about research-based, SEL-focused self-care practices Improve their leadership skills to better support well-being in their school community Access real-world examples that illustrate how these practices work Build better systems to improve both personal and collective well-being Contents: Introduction Chapter 1: The Why—Why Well-Being Matters Chapter 2: The Self—The Beauty of and the Problems With Self-Care Chapter 3: The Other—Social Connection and Belonging Chapter 4: The Other—Psychological Safety Chapter 5: The System—Change Is Possible Conclusion Appendices References and Resources Index

**Creativity and Innovation** Jonathan A. Plucker,2022-03-14 Creativity and innovation are frequently mentioned as key skills for career and life success in today's world. This award-winning book brings together some of the world's best thinkers and researchers to offer insights on creativity, innovation, and entrepreneurship. The new edition features fully updated chapters, including expanded coverage of exciting topics such as group creativity, ethics, development, makerspaces, and lessons from other fields. Educational applications are emphasized throughout. Creativity is often the spice of life, that little extra something that makes the mundane into the interesting, making our routines into fresh new approaches to our daily lives. With this book's comprehensive and readable approach, you'll be able to understand what creativity truly is (and isn't), how to foster it, and how it relates to intelligence, leadership, personality, and other concepts.
