

For Hearing People Only

Matthew S. Moore,Linda Levitan

For Hearing People Only: 4th Edition Matthew S. Moore,Linda Levitan,2016-01-14 Answers to Some of the Most Commonly Asked Questions. About the Deaf Community, its Culture, and the “Deaf Reality.”

For Hearing People Only Matthew S. Moore,Linda Levitan,1992 For Hearing People Only: First Edition; Answers to some of the most commonly asked questions about the Deaf community, its culture, and the Deaf Reality by Matthew S. Moore and Linda Levitan; with a foreword by Harlan Lane

For Hearing People Only Matthew S. Moore,Linda Levitan,2016-01-31

For Hearing People Only Matthew S. Moore,Linda Levitan,2008

For Hearing People Only: Religion and spirituality Matthew S. Moore,Linda Levitan,2016 In a handy question-and-answer format, For Hearing People Only addresses some of the most commonly asked questions about deaf people, their community and their language. The 4th edition has been expanded into two volumes--containing more content than ever! The For Hearing People Only 4th Edition is almost double the size as the previous edition! That means more questions, more answers and more content. It has been expanded into two volumes, and reflects changes in technology and telecommunications. Concise, easy-to-read and designed for those with no prior background, For Hearing People Only makes a formidably complex subject accessible. Each chapter can be read as an independent unit. This is the first book of its kind--written especially for laypeople who are curious about deaf people, and would like to separate truth from stereotype, fact from misconception, reality from myth. For Hearing People Only makes a good introductory or supplemental text for Deaf studies or signing and interpreter students.--Harris Communications website,

For Hearing People Only : Answers to Some of the Most Commonly Asked Questions about the Deaf ... Matthew S. Moore (Levitan, Linda),

Handbook to Service the Deaf and Hard of Hearing John W. Adams,Pamela Rohring,2021-10-01 This is a handbook for readers who wish to learn more about providing services to individuals who are deaf or hard of hearing. It provides basic knowledge of Deaf Culture and the hard of hearing population, the aesthetics of American Sign Language, and an awareness of hearing loss and its influence on family and community life. This is a unique book in that it draws from the experiences of a

Deaf (Rohring) and a hearing (Adams) author, providing a comprehensive perspective. It draws upon research and literature, from professional practice, and from anecdotal accounts. Handbook to Service the Deaf and Hard of Hearing is an essential resource for college training programs, hospitals, health care agencies, hearing and speech centers, school districts, educational agencies, and any one working with or employing deaf or hard of hearing persons. It features chapters containing research and practical information on understanding the primary issues affecting the lives of deaf and hard of hearing people. It has unique perspectives from Deaf, hard of hearing and hearing professionals relative to such topics as language development, Deaf Culture, medical advances in technology, literature, art and drama in the Deaf Community and growing up with a hearing loss. Illustrations and artwork presented throughout the book were created by renown deaf artists. Recommended best practices are offered on how to provide community accessibility to deaf and hard of hearing individuals. Resource section provides exhaustive list of books, articles, organizations, and Web sites in the areas of communication, deaf culture, legal rights, deaf studies and research, educational issues, language, mental health, technology, and more.

Introduction to American Deaf Culture Thomas K. Holcomb, 2013-01-17 Introduction to American Deaf Culture provides a fresh perspective on what it means to be Deaf in contemporary hearing society. The book offers an overview of Deaf art, literature, history, and humor, and touches on political, social and cultural themes.

Disability Duplicity and the Formative Cultural Identity Politics of Generation X David Bolt, 2023-09-21 Disability is history and futurity, culture and society, practice and theory, work and play, an immense desire for life by which body and mind are dragged kicking and screaming into each and every new day. Using autocritical discourse analysis, a new hybrid research method that combines aspects of the established methods of critical discourse analysis (CDA) and autoethnography, this book explores the formative cultural identity politics of disability via cultural stations of UK popular culture. These cultural stations include action figures, children's books, television miniseries, comics, comedy films, teenage drama and sitcoms, the punk rock movement, and alternative comedy. Although the cultural stations range from toys and comics to aggressive music and chaotic sitcoms, all are considered with a focus on the language and tropes of disability. Indeed, most of the works are not remembered as portrayals of disability but the book's analysis reveals flash if not fleeting representations that, when centralised, clarify patterns of duplicity. Via the language of power, and the power of language, all these texts are found to have contributed to the formative cultural identity politics of disability. It will be of interest to all scholars and students of disability studies, sociology, toy studies, comic studies, humour studies, television studies, popular music studies, gender studies, literary studies, and cultural studies.

English with an Accent Rusty Barrett, Jennifer Cramer, Kevin B. McGowan, 2022-11-30 Since its original publication in 1997, English with an Accent has inspired generations of scholars to investigate linguistic discrimination, social

categorization, social structures, and power. This new edition is an attempt to retain the spirit of the original while enriching and expanding it to reflect the greater understanding of linguistic discrimination that it has helped create. This third edition has been substantially reworked to include: An updated concept of social categories, how they are constructed in interaction, and how they can be invoked and perceived through linguistic cues or language ideologies Refreshed accounts of the countless social and structural factors that go into linguistic discrimination Expanded attention to specific linguistic structures, language groups, and social domains that go beyond those provided in earlier editions New dedicated chapter on American Sign Language and its history of discrimination QR codes linking to external media, stories, and other forms of engagement beyond the text A revamped website with additional material English with an Accent remains a book that forces us to acknowledge and understand the ways language is used as an excuse for discrimination. The book will help readers to better understand issues of cross-cultural communication, to develop strategies for successful interactions across social difference, to recognize patterns of language that reflect implicit bias, and to gain awareness of how mistaken beliefs about language create and nurture prejudice and discrimination.

An Introductory Guide to EC Competition Law and Practice Valentine Korah,1994

The Sociolinguistics of the Deaf Community Ceil Lucas,2014-05-19 This is a unified collection of the best and most current empirical studies of socio-linguistic issues in the deaf community, including topics such as studies of sign language variation, language contact and change, and sign language policy. Established linguistic concerns with deaf language are reexamined and redefined, and several new issues of general importance to all sociolinguists are raised and explored. This is a book which interests all sociolinguists as well as deaf professionals, teachers of the deaf, sign language interpreters, and anyone else dealing on a day-to-day basis with the everyday language choices that deaf persons must make. This is a unified collection of the best and most current empirical studies of sociolinguistic issues in the deaf community, including topics such as: - Studies of Sign Language Variation - Language contact and Change - Sign Language Policy - Language Attitudes - Sign Language Discourse Analysis
