E. D. Arrington,2005-12-01 Secrets lurked amongst the small intimate group of family and friends - secrets they hoped and prayed would never be revealed. But when Jackson Pryce is murdered in the wee hours on that frosty Christmas morning, the secret he kept about his investigation of the underground world emerges. Then Jackson's handwritten notes fall into the hands of Detective Clay Stephens, his friend and former partner. Determined to find Jackson's murderer - no matter where or to whom the road leads - one by one, Clay shines a light on all of their secrets. Yet, only one secret would bring all of their fragile worlds crumbling down. Only one secret would wreak havoc over all of their lives. Only one secret would keep them all living on the edge. In time, only one secret would break through for all to see. It was destined to happen.the question is when, where and how? Would it be Bridgette's decision to keep secret the large sums of money she had quietly withdrawn from her personal bank account, or that she sneaked off the Estate to spend an evening with the one friend her husband so desperately tried to keep away from his pregnant wife? Would it be David's and Agnes's decision to keep the question of their daughter's paternity a secret, or that Jackson, the man Bridgette knew as Uncle Jack and loved like a father, had shared much more with her mother than just a close friendship? Would it be Jeremy's decision to keep hidden the sordid secret of his mother, Diana Robinson (alias Sara White) by claiming his parents were dead, or his night of lust and passion with his ex-lover, Fran McKenzie? Would it be Megan's decision to keep hushed that she squandered away hundred of thousands of dollars from her trustfund in the casinos, or waiting too late to disclose her relationship with another man - Reginald Douglas?

How I Came to Hold You Ben Wakeling,2013-04-01 Every day in the UK, 17 babies are stillborn or die shortly after birth. Behind each one is a family rocked to the foundations by the death of their baby.Many parents who have suffered such a

terrible tragedy do go on to have more children - but this brings with it a mixture of emotions: relief, happiness, anxiety...even fear. It is a time of nervous expectation, with some parents saying they 'held their breath' for nine months.'How I Came To Hold You' tells the powerful real-life stories of seventeen families, each of whom has experienced the heartbreaking death of their child and then taken the step of becoming pregnant again. Their inspirational stories give a unique insight into the hearts and minds of these parents as they recollect the darkest days of their lives, how they came to the decision to try for another baby, and the challenges and emotions they experienced when expecting once again. These stories will hopefully provide other parents embarking on a pregnancy after the death of their baby with advice, support, inspiration and encouragement. Every copy sold raises valuable funds for Sands - the stillbirth and neonatal death charity - which works tirelessly to support bereaved parents, to improve the care that parents and their families receive following the death of their baby, and promote and fund research that could help to reduce the loss of babies' lives.

Hey America Listen Up Greg DeHart, 2019-05-14 A voice of one crying from the subarctic, prepare ye the way of the Yeshua! His judgment against this nation is right now coming forth, and his second coming is at hand! Hey, America, listen up. In order to properly introduce this book, I must first say I believe in the absolute authority and infallibility of the Holy Scriptures, the Holy Bible. The Bible is the bottom line authority in respect to all of man's life and conduct and reveals the path of salvation to all who are of a true heart. This edition is not meant to be a book on theology but a book of wisdom, a collection of exhortations and reproofs written to America over the last twenty plus years in Yehovah's name. (Yehovah is the ancient name of God; it is my understanding that it is most correctly pronounced Ye-Ho-Vah.) I am certainly not a humorist, but you'll find some humor. I'm not known to be sarcastic, but you'll find some sarcasm. You will not find much of the message to be what you may think of as lighthearted, although I think you will find the illustrations imaginative, human, and very relative. I am not an entertainer; however likely you will be entertained. It is not a work that many would define as politically correct or diplomatic. I will admit I'm far too straightforward to fit into the popular definition of those terms. Simply put, Hey, America, Listen Up is the compilation of expressions of a modern-day watchman whose spirit Yehovah has stirred up to speak warning to this society to the end that people of honest heart might be humbled to courageously turn from every wicked way to follow with enlightenment and singleness of heart the way of the one and only true God who is revealed in the face of Yeshua, even as the greater portion of our nation's founding fathers did. It is a book that predicts the sad and deadly days ahead that will surely fall upon not only this nation, but also every nation of the earth that refuses to turn from ungodliness to seek and serve the living God.
