Walking with the Patriarchs David Hasey,2021-10-28 When we focus on the great faith of the Patriarchs, we often fail to see their humanity. They faced many of the same issues that we face in our daily lives. Like us, they dealt with anger and jealousy, sibling rivalry, deception, lack of faith, etc. Our walk with the Patriarchs looks in detail at the issues they were facing, and how their examples can help us. Throughout the book there are several reflection and application sections regarding their impact on our modern world.

On Humour and the Comic in the Hebrew Bible Athalya Brenner-Idan, Yehuda T. Radday, 1990-10-01 In comparison with other literary aspects of the Old Testament, humour has suffered much scholarly neglect. The present collection of essays (by the editors and ten other authors) argues that humour is plentiful in biblical literature and that many passages, indeed even whole books, can be properly understood only when the humorous intention of the author is acknowledged. This collection is a particularly interesting, innovative and provocative one.
