It Happened One Summer Tessa Bailey, 2021-07-13 Tessa Bailey is back with a Schitt's Creek-inspired rom-com about a Hollywood It Girl who's cut off from her wealthy family and exiled to a small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn't belong. Piper Bellinger is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather--and the hot, grumpy local--that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan--and this town full of memories--may have already caught her heart.

. . **It Happens!** Edward A. Zanchi,2002-12 Mary DeGregorio decides her family should take their first cruise-catapulting them into the vacation from hell. Their humorous adventure begins with a wild bus ride through the streets of New York City, the all to rapid education of young Jennifer, Mary's attempt to save the morals of a priest to make up for the incident with the Pope, and, most of all, eldest son's-B.A.D. and his boys- clash with a group of jewel thieves. The wild cruise culminates in a fierce firefight as 'Horseshit' Harry and his gang attempts their escape with the jewels. This all confirms Al DeGregorio's simple philosophy of life -.it Happens! This is never more evident than when B.A.D. and his boys struggle to escape from the jewel thieves: Frozen by the headlights like deer, Big Louie and Rosie naked, they were resigned to the failure of their escape. They were dead meat.

Night Storms K. Edwin Fritz,2009-07 Humans seemingly spring into existence out of nowhere with no explanations, no operations manuals, no help menus, and no instructions or advice on what we are expected to do. The human species has had to start from scratch in trying to figure out what is going on, who we are, and what is the meaning of everything. Whereas the sciences try to understand how the world operates, and how we can effectively interact with it, philosophy is preoccupied with questions about the significance (meaning) of it all. This book is an introduction to philosophy.

schools by leading expert Gary Wilson. What better way to raise boys' achievement than to hear the issues from the students themselves? Let's Hear It from the Boys encourages readers to take matters into their own hands and listen to the boys in their school. Gary Wilson offers tips to help start a conversation with boys, and guides secondary teachers in placing the needs of boys firmly on the whole-school agenda. It's a well-known fact that girls outperform boys across every stage of the UK education system. Of the boys who underachieve, white working-class boys are consistently in last place. In this unique practical guide to raising boys' achievement in secondary settings, Gary lets the students do the talking through real-life testimonies. Tackling various aspects of learning in the secondary classroom, from exams, essay-writing and academic setting to punishments and rewards, this book offers a fresh perspective on boys' experiences of education, helping teachers to understand the various reasons why boys may underachieve and how teachers can tackle this. Complete with expert advice and practical strategies, it will spark new ideas in teachers and school leaders to support boys in their settings and create the best learning environment for all students.

By Chance Martin Corrick,2008-10-14 An author whose debut novel, *The Navigation Log*, garnered him comparisons with Waugh and Maugham, Martin Corrick now returns with a story even more dazzling. *By Chance* is both suspenseful and thought-provoking, a philosophical tale that is rivetingly readable. "The events that resulted in Bolsover's presence at the Alpha Hotel are closely related to his memories of his wife." James Watson Bolsover is an apparently normal middle-aged man, a shy yet soulful engineer turned technical writer who for many years shared a passionate marriage with his lovely wife, Katherine. Bolsover's wife and his deep interest in his work made his life perfect, but then-by chance, misfortune, bad luck-he lost Katherine and, with her, his innocence. Now he travels by sea to a remote island and checks into what seems to be an ordinary hotel; in this safe haven he hopes to understand the past and start afresh. But we quickly discover that all of the hotel's occupants, like Bolsover himself, have uncertain histories: All of them are "someone else," seeking to leave their former lives behind. As Bolsover grows accustomed to his new surroundings-and close to a new woman-the truth of his life trickles out like blood from a wound. He is not quite the simple fellow he seems, but a man who has carefully shielded his own history not only from others but also from himself. Culpability, identity, morality, and luck-all these play a part in a story

that echoes our own lives. Writing in terse, elegant, and irresistible prose, Martin Corrick proves himself a new British master. By Chance is an unforgettable novel that combines intelligence with emotion, and lingers in the mind. Praise for Martin Corrick's *The Navigation Log*: "Deeply moving . . . This remarkable first novel owes the maturity of its tone . . . to an elegiac vision that reaches beyond death to [a] powerful network of connections that encircle the present and the past." -The New York Times Book Review "The main delight of this book is its loving re-creation of time and place. Corrick has an uncanny ability to enter into the life of the thirties and to draw out details that reveal both the sweetness and the blandness of country life." -Baltimore Sun "The Navigation Log flies like an arrow, swift and true. You may weep, but you will also thrill." -James Salter, author of *Last Night* "Corrick's ear for dialogue . . . adds humour and pace to the account of parallel lives in the realms of earth and sky." -The Times Literary Supplement "Carefully crafted in the manner of Waugh and Maugham . . . rich with period ambience and dry wit." -Publishers Weekly
