*I Do (I Think)* Allison Raskin, 2024-10-15 Marriage norms in today's society are rapidly changing and it can be hard to keep up. Allison Raskin's book unpacks the questions and uncertainties around marriage that so many of us have... a must-read for anyone and everyone that may be curious about the intricacies of modern marriage." —Nick Viall, TV Personality, Host of The Viall Files, and Bestselling Author *From Just Between Us* cohost and bestselling author Allison Raskin comes a witty, incisive take on modern marriage and how a new generation can navigate its uncertainties and questions. Marriage rates may be on the decline, but that doesn't mean marriage is disappearing from society. In fact, as modern relationship norms and structures continue to evolve, the public discourse about marriage has never been louder—or more conflicted. Divorce rates, the appeal of cohabitation, seemingly infinite options for future partners, the patriarchal roots of marriage and gender roles, and economic uncertainty are just a few factors that leave a new generation of single and dating adults wondering. What does marriage even look like now? Why do people still do it? And, most importantly, is it "for me"? With conversational wit and compassion, bestselling author Allison Raskin draws on new research, interviews with licensed experts, and the stories of real-life couples to break down the many pieces of today's "marriage conversation"—and to make the leap of faith a little less scary for Gen Z and millennial adults like herself. What emerges is a thoughtful investigation into our cultural assumptions about commitment, compatibility, divorce, meaningful partnership, the future of marriage—and what it really means to join your bank accounts.

**Scam Goddess** Laci Mosley, 2024-09-10 A delightfully subversive essay collection from Laci Mosley, host of the award-winning "Scam Goddess" podcast, about the frauds, cons, and schemes that make up our world—and how the scammer

mindset has affected her own upbringing, career, friendships, love life, and more. From an early age, comedian and actress Laci Mosley knew her path would be riddled with scams, cons, robberies, and frauds. Little ones. Ones that didn't hurt people or get her in trouble. But ones that would get her where she needed to be. "You see," she writes, "everyone's a scammer and everything's a scam. Some people are better at it than others, but we all do it. The system wasn't built for people like me. Scamming saved me and has taught me how to navigate a messy and unfair world while looking out for myself, too." In *Scam Goddess*, Laci recounts how her scammer instincts have guided her throughout her life—from a religious childhood in rural Texas, to a stint as a city bartender at what might have been a drug front, to swindling her way past the gatekeepers of Hollywood—recounting the greatest true-crime scam stories that inspired her along the way. Whether it's by the beauty industry, capitalism, or the people we date, we're all getting scammed. In this book, Laci identifies the secrets to flipping the script and coming out ahead.
