Terminal Marshall Karp, 2016-05-03 If you've never met irreverent LAPD detectives Mike Lomax and Terry Biggs, *Terminal* is the perfect place to start. Laced with twists, turns, and author Marshall Karp's trademark biting cop humor, *Terminal* is the latest book in the acclaimed Lomax and Biggs Mysteries series.

Flipping Out Marshall Karp, 2009-03-31 Nora Bannister is a bestselling mystery novelist who buys run-down houses in LA. While her business partners turn the house into a showpiece, Nora makes it the scene of a grisly murder in her *House To Die For* series. As soon as the new book goes on sale, so does the house — and the bidding frenzy begins. It seems a lot of people are willing to pay a lot of money to live in a real house where a fictional character has died a violent death. Just before Nora's latest book hits the market, one of her house-flipping partners is murdered. LAPD Detectives Mike Lomax and Terry Biggs are assigned the case, but this one is a hot potato – the dead woman is also the wife of one of their fellow cops. As Mike and Terry dig into the victim's private life, more bodies turn up . . . Is someone stalking the house flippers or is the murderer after cops' wives? Either way, Mike and Terry have to track down the killer before he murders his next logical target — Marilyn Biggs, Terry's wife.

The Rabbit Factory Marshall Karp, 2011-03-17 The first book in this fast-paced, laugh-out-loud crime series featuring LAPD detectives Mike Lomax and Terry Biggs finds the duo investigating the murder of the actor playing Rambunctious Rabbit, the mascot of Lamaar Studio's Familyland theme park. As more Lamaar employees are brutally killed, Lomax and Biggs must race to expose a conspiracy hell-bent on destroying the entertainment conglomerate.

Cut, Paste, Kill Marshall Karp, 2010-06-08 When Eleanor Bellingham-Crump---a socialite responsible for the death of a ten-year-old boy---turns up murdered on the floor of a Hollywood hotel bathroom, Lomax and Biggs are confronted with a crime of artistic brutality. Along with the scissors sticking out of Eleanor's lifeless body, the two detectives find a meticulous scrapbook documenting a motive for vengeance in lurid detail. As more bodies are discovered, each one connected by the intricate scrapbooks left at the murder scenes, Mike and Terry are on the hunt for a vigilante stalking unpunished criminals. They must race to decode the meaning behind the scrapbooks before the crafty avenger has time to cut and paste the story for another kill. With laugh-out-loud humor and crackling dialogue, the chapters hurtle toward a killer finale in the most

thrilling Lomax & Biggs adventure yet.

NYPD Red detectives Kylie MacDonald and Zach Jordan are called in to hunt them down, but these mercenaries are as gifted in the art of escape as they are in snuffing out lives. Don't Tell Me How to Die Marshall Karp,2025-03-04 "What begins as a mystery-tinted character study transforms into a full-bore thriller, with a spate of jaw-dropping twists that recast the entire narrative. Readers should be prepared to stay up all night." —Publishers Weekly "A razor-sharp domestic thriller about a dying woman's desperate mission to handpick her husband's next wife—and she'll stop at nothing to get the job done. Darkly funny and relentlessly suspenseful, Karp displays every skill as one of the greatest storytellers of our generation." —Joe Donahue, host of The Book Show on NPR I have one thing to do before I die.And time is running out. I had it all: a fantastic husband, two great kids, an exciting career. And then, at the age of forty-three, I found out I would be dead before my next birthday. My mother also died young. I was seventeen, and she warned me that women would flock to my suddenly single father like stray cats to an overturned milk truck. They did. And one absolutely evil woman practically destroyed his life, mine, and my sister's. I am not letting that happen to my family. I have three months, and I plan to spend every waking minute searching for the perfect woman to take my place as Alex's wife, and mother to Kevin and Katie. You're probably thinking, She'll never do it. Did I mention that in high school I

was voted “Most Likely to Kill Someone to Get What She Wants”? From thriller writer Marshall Karp (cocreator with James Patterson of the #1 New York Times bestselling NYPD Red series), and rich with Karp’s deft array of three-dimensional characters and his signature biting humor, *Don’t Tell Me How to Die* has so many twists and turns, you’d swear he wrote it with a corkscrew.

NYPD Red 8 Marshall Karp, 2025-11-25 From #1 New York Times bestselling author Marshall Karp comes the next installment in the endlessly thrilling NYPD Red series. It’s 11:59. And the city that never sleeps is afraid to get out of bed. A bomb explodes in a crowded New York subway station at exactly 11:59 a.m. The next day, a second blast rips through a busy department store—again at 11:59. As the bombs go off with clockwork precision, the death toll climbs and businesses shut their doors as the city hunkers down in fear. NYPD Red Detectives Kylie MacDonald and Zach Jordan face their most twisted case ever, as they race against the clock in search of one man who has vowed “to destroy New York City the way it destroyed my family.”

Flipping Out Marshall Karp, 2009-03-31 A cop's wife is murdered. As LAPD detectives Mike Lomax and Terry Biggs investigate, a second cop's wife is killed. Both were part of an ingenious house flipping scheme. Bestselling author Nora Bannister buys a house dirt cheap, and while her partners turn it into a showplace, Nora murders someone there — in her next book. When the house goes on the market, there's a bidding frenzy. It seems a lot of people want to live in a house where a fictional character has died a violent death. But why is someone killing the house flippers? Lomax and Biggs have to track down the murderer fast, because the next logical target is Terry Biggs's wife.

Lorsque l’acteur qui interprète la mascotte du parc est assassiné et qu’on lui découvre un passé pédophile, la réputation de Familyland se trouve menacée. Et quand un second cadavre est retrouvé, l’empire Lazaar tout entier commence à vaciller. C’est dans cet univers où toute vérité n’est pas bonne à dire, celui de la communication, que Lomax et Briggs, deux flics du LAPD, vont enquêter, avec pour seules armes leur intégrité et leur complicité.
