What does Freud have to say about losing one's virginity or Nietzsche about having a mid-life crisis? From birth to death (and beyond), the best brains in history have thought long and hard about the meaning behind the landmarks that shape our lives - and now acclaimed popular philosopher Robert Rowland Smith brings their genius together for the first time in this smart, witty and accessible journey through life's ups and downs. Drawing on philosophy, art, literature and psychology, Driving with Plato explores the real meaning of the hoops we all have to jump through. You'll hear from Aristotle on starting school, learn from St Paul about falling in love, and get tips from Cicero on becoming wise in your old age. Whether you are learning to drive or about to get married, Driving with Plato is certain to enlighten and entertain.
