

Lulu And The Brontosaurus

Judith Viorst

Lulu and the Brontosaurus Judith Viorst, 2010-09-14 Now in paperback, an illustrated chapter book from industry legends Judith Viorst and Lane Smith! I'm gonna, I'm gonna, I'm gonna, gonna, get a bronto-bronto-bronto-bronto-saurus for a pet! Lulu is so accustomed to getting what she wants that when her parents deny her birthday request for a brontosaurus, she throws a four-day temper tantrum and then storms off into the forest in search of the dinosaur she clearly deserves. Lulu isn't particularly impressed with the snake, tiger, and bear she encounters, but then she finds him—a beautiful, long-necked, graceful brontosaurus. Mr. B completely agrees with Lulu that having a pet would be a wonderful thing, and Lulu thinks she's gotten her birthday wish at last. Until she realizes that Mr. Brontosaurus thinks that she would make an ideal pet for him! How will Lulu ever get out of this sticky situation without throwing a fit (Mr. B does not respond well to those), or using force (Mr. B is much too tall to bonk on the head with her suitcase), or smushing her pickle sandwich? Beloved children's author Judith Viorst and Caldecott-winning illustrator Lane Smith offer a fresh and funny tale with several surprise endings!

The Lulu Collection (If You Don't Read Them, She Will NOT Be Pleased) (Boxed Set) Judith Viorst, 2019-09-17 This irresistible illustrated chapter book starring Judith Viorst's Lulu is full of hilarious hijinks, delightful twists, and a top-secret mission! This hilarious collection includes: Lulu and the Brontosaurus Lulu Walks the Dogs Lulu's Mysterious Mission Lulu Is Getting a Sister

Substitute Nicholson Baker, 2017-09-05 **A New York Times Bestseller** "May be the most revealing depiction of the American contemporary classroom that we have to date. —Garret Keizer, The New York Times Book Review Bestselling author Nicholson Baker, in pursuit of the realities of American public education, signed up as a substitute teacher in a Maine public school district. In 2014, after a brief orientation course and a few fingerprinting sessions, Nicholson Baker became an on-call substitute teacher in a Maine public school district. He awoke to the dispatcher's five-forty a.m. phone call and headed to one of several nearby schools; when he got there, he did his best to follow lesson plans and help his students get something done. What emerges from Baker's experience is a complex, often touching deconstruction of public schooling in America: children swamped with overdue assignments, overwhelmed by the marvels and distractions of social media and educational technology, and staff who weary themselves trying to teach in step with an often outmoded or overly ambitious standard curriculum. In Baker's hands, the inner life of the classroom is examined anew—mundane worksheets, recess time-

outs, surprise nosebleeds, rebellions, griefs, jealousies, minor triumphs, kindergarten show-and-tell, daily lessons on everything from geology to metal tech to the Holocaust—as he and his pupils struggle to find ways to get through the day. Baker is one of the most inventive and remarkable writers of our time, and *Substitute*, filled with humor, honesty, and empathy, may be his most impressive work of nonfiction yet.

Dark Shadows Doreen Cronin, 2018-04-03 Now an animated series on Disney Junior! The Chicken Squad is back for their fourth (mis)adventure, and this time they're facing their darkest mystery yet: shadows! A "lip-bitingly funny" (School Library Journal) chapter book from the bestselling author of *Click, Clack, Moo* and *Cyclone*. There's a big, SHADOWY mystery lurking about on what was supposed to be a nice chicken-family vacation to a farm. Sugar is certain that she is being watched, and when Poppy's beloved shoe (the shoe that keeps her safe and snug) goes missing, Sugar is sure that this shadow is the culprit. But how does the Chicken Squad tackle a shadow? And do it without ruining the family reunion...which includes meeting eighty-five cousins whose names all begin with the letter B, a lesson on figuring out perimeters (no, Sugar, the perimeter of a car is not one mile), and deciding how many bags of jelly beans one should pack for a road trip?

Lulu's Mysterious Mission Judith Viorst, 2014-04-08 This irresistible illustrated chapter book starring Judith Viorst's Lulu is full of hilarious hijinks, delightful twists, and a top-secret mission! Eeny meeny miney mo, That babysitter's got to go. Lulu has put her tantrum-throwing days behind her. That is, until her parents announce that they are going on vacation—WITHOUT LULU. Not only that, but they are leaving her with the formidable Ms. Sonia Sofia Solinsky, who says hello by bellowing, "The Eagle has landed," and smiles at you with the kind of smile that an alligator might give you before eating you for dinner. The second her parents are out of the house, Lulu tries out several elaborate schemes to bring them straight back. But just when she seems to finally be making some headway, her babysitter reveals an astonishing secret...one that has Lulu crossing her fingers that her parents will go on vacation all the time—without her!

Lulu Is Getting a Sister Judith Viorst,2019-09-10 Lulu is getting the sister she never asked for in this oh-so-funny illustrated chapter book filled with hilarious hijinks and fiesty twists from Judith Viorst. Lulu has received the worst. News. EVER. She's getting...a baby sister. No one ever asked HER opinion on this debacle. But she'll tell you anyway, because she no how, no way, no thank you wants a sibling. Undeterred, and to prepare Lulu for big sisterhood, her parents bribe—AHM, ask—Lulu to attend Camp Sisterhood, a.k.a. big sister training camp. As a Sister-in-Training (SIT), Lulu is assigned a variety of temporary little "siblings" who are supposed to be so much fun Lulu will become excited to have a permanent sibling of her own. Well, no one ever said Camp Sisterhood was supposed to teach Lulu how to be a good big sister, so Lulu resolves to be a bad big sister. She insults her little siblings. She taunts them with secrets. She even tricks one of them into carrying both of their backpacks up a mountain! Then some BITs (brothers-in-training) from the neighboring Camp Brotherhood start picking on Lulu's siblings, and Lulu responds by doing her red-faced, steam-coming-out-of-her-ears thing and showing those BITs who's boss! After all, Lulu's siblings may be duds, but they're her duds, and sisters have to stick together.
