Think Like a Lady, Not Like a Man Artorius Rex, 2016-07-15 RIDICULE (relationships, intimacy, deception, immorality, commitment, ugliness, love exposed). Women are ridiculed by men. Men subject women to contemptuous and dismissive language and behavior. Men treat women as if they were unworthy of any true acts of kindness, honor, or respect. Men rob women of their godly spiritual significance on earth. Men have been able to do these things because they have deceitfully made women feel esteemed for exploiting their body, and they have used money to ensure women accept degradation with a smile. Women have thus fallen in love with money, and they covet the material things money can buy. Now women partake in the unfruitful works of darkness instead of exposing them (Eph. 5:11). Women no longer adorn themselves in respectable apparel or dress modestly. They fashion themselves in fancy hairstyles and adorn themselves in expensive jewelry and costly attire (1 Tim. 2:9). Simply put, women dress seductively. The attention women receive from dressing seductively fascinates them. However, their bewitchment brings attention to themselves in the wrong way. Therefore, men do not view them in the purest of ways or intent. Appearance limits women to focusing on who they are from a worldview instead of who they are in Christ. The error allows men to lead women down a path of prostitution, whoredom, wickedness, and abuse! *Think Like a Lady, Not Like a Man* spiritually and secularly exposes what men have done to women in a world system that ignores God.

Act Like a Lady, Do Not Think Like a Man Raymond Sturgis,2011-12-20 (REVISED EDITION) Love is a beautiful gift that many people search for a lifetime to experience. However, the hardship and disappointment in relationships and marriage lead them down roads that stymie their ability to attain love. The fame comedian Steve Harvey wrote the book ACT LIKE A

LADY, THINK LIKE A MAN, and his book and movie did not prove why women should think like men. However, it revealed the obvious, that when women tried to think like men, they lost their individuality and wisdom, which invigorate their quality. This book is not a direct attack of the validity of the fame comedian; however, it is Raymond Sturgis continuation of the conversation, why should women think like a man? Moreover, women success in education, medicine and entrepreneurship is a valid indication that they achieve their success independent of what men think of them. Therefore, I submit to you, realistic analogies of why women should ACT LIKE LADY, and continue to make the world respect them for their intelligence and ability to transform this world. From faith, self-esteem, and intimacy, marriages and relationships can and will be empowered by the information in this book that evoke quality reasons why women would not be thought of inferior if they continue to think like themselves.

Think Like a Man Linda Porter Harrison, 2011-06-09 Think Like a Man and here's a thought: Start Acting Like a Man The 25 mistakes men make that prevent them from finding and keeping true love This is the perfect companion book to Steve Harvey's book Act Like a Lady. There are hundreds of books written for women on how to find a man. Yet, very few books that address the critical things that men do or don't do that prevent relationships from thriving and going to the next level. One of my personal goals is to promote marriage, and to help people stay in love. When Steve Harvey wrote the book Act Like a Lady, Think Like a Man, millions of women flocked to purchase a book that was going to show them how to get a man. To be perfectly honest with you, I didn't realize the magnitude of how naive we were as women when it came to men. However, I was equally disturbed by the fact that no one was addressing what men needed to do to rectify this relationship thing. Relationships don't simply fail because of women; men play a vital role too. I could have easily written one hundred mistakes that men make, but I chose to focus on the twenty-five mistakes that I hear repeatedly from married and single women. It is my hope, that this book will cultivate a more balanced conversation between men and women. More importantly, that this book will shed some light for men on their own relationships and that they will begin to take the necessary steps to foster and create the ultimate love.

The Other Side of Assertiveness Andrena Sawyer, 2012-06-24 Assertiveness is characterized by bold or confident behavior, and having a strong or distinctive flavor or aroma."For the assertive woman, this definition is by far one of the highest compliments. Many books have been written about how women can become more assertive. Women grow up hearing from parents, teachers, coaches and mentors about the importance of being assertive. However, what no one ever explains is that assertiveness comes with a price and it is easily mismanaged and misunderstood. Within the pages of this short eBook are some hard-hitting, humorous, and even hopeful lessons about the sometimes daunting effect of being an assertive woman in this day and age.

#blacklove Tapo Chimbanga, 2019-12-12 This edited volume qualifies black love on the basis of black identity. Much of what is experienced of blackness as an identity arises out of a juxtaposition to other races and identities, particularly whiteness. The contributors in this volume resist the idea of black love in reference to whiteness by exposing the hidden toxicities that come with a focus on whiteness. They reflect on intricate and intimate relationship dynamics that arise out of a violent and challenging past between Black women and Black men.
