My Little Book of Quotes and Poems and the Scriptures that Inspired Them D. Edward Osborn, 2022-12-30 This book is made up of many quotes that I thought up mostly while I was doing time in prison after I found Jesus Christ as my Lord and Savior. The same goes for the poems and the short writings. You will notice that the chapter headings are the nine fruits of the spirits that are listed in Galatians 5:16-26. The holy scriptures tell us that we must build our faith in God Almighty and Jesus Christ. I hope through reading these quotes and short messages that the person reading this will increase their faith or come to find that Jesus Christ and God Almighty are real.

America in Quotations Bahman Dehgan, 2015-08-31 “America is a land of wonders, in which everything is in constant motion and every change seems an improvement.... No natural boundary seems to be set to the efforts of man; and in his eyes what is not yet done is only what he has not yet attempted to do”—Alexis de Tocqueville, *Democracy in America* (1835). “Americans will pay a big price for an invention that will help them save time they don’t know what to do with”—Anonymous. This collection of quotations—both serious and humorous—about America is divided into 19 main topics: The Nation, The American People, Places, Nature, Mind, The Individual, Human Relations, Social Life, Culture and Media, Literature and Language, Religion and Belief, Past and Future, History, War and the Military, International Relations, Politics and Government, Law and Order, Business and Economy, and Food. Each main topic is divided into subtopics; for example, “Culture and Media” has these: Architecture, Art, Charlie Chaplin, Dance, Fashion, Intellectuals, Marilyn Monroe, Movies, Music, Elvis Presley, and Television. The author attributes each quote to its speaker, author or composer, and wherever possible, provides the date of the quote and the name of the work in which it was published. In the case of uncertainty about the exact date of a quote, the author provides the birth and death dates of the person to whom the quote is attributed. Also included are a keyword and subject index and a speaker index.

Practical and Inspirational Guidelines for Winning J. David Irwin, 2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business/professional involvements on the other. As a result, numerous personal examples, coupled with biblically and spiritually based inspirational material, are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments. Within the context of

this book, winning refers to the attainment of a successful outcome, regardless of the context, and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the framework of a business or family environment, they are also applicable when dealing with members of a civic organization, a church group, a professional organization, or any other group where people interact or work together for some common goal. Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path unknown, when the effort is systematically performed in concert with Almighty God, winning can become a way of life.

My Endless Journey T.T. Touray,2015-03-31 The long last journey, my sister and I took from Africa back to 2007 to the US. where everything and anything is possible as well as where all fair tales come true to come. I have overcome so many challenges and been through a lot the past few years of my life from been diagnosed with brain tumor to other difficult things in my life and to see how far I have come. I was not easy but my sister and I did it with the love and support of our parents, families and friends. However, the important key elements that we have in our minds that we will make it and what anything we put our mind into, and we will do whatever it takes to achieve our dreams, goals, passion, success and accomplishment as well as our self-estate or self-respect is another valuable element in my life.
