

The Legend Of Hell House

John Kenneth Muir

The Legend of Hell House William Hjortsberg,2002-08

Legend of Hell House Richard Matheson,2000-03-01 Four investigators are hired to explore the legitimacy of a very dangerous haunted house.

Hell House Richard Matheson,2011-04-01 Hell House is the scariest haunted house novel ever written. It looms over the rest the way the mountains loom over the foothills. -- Stephen King From the author of I Am Legend comes Richard Matheson's Hell House, the basis for the supernatural horror film starring Pamela Franklin, Roddy McDowall, Clive Revill. Rolf Rudolph Deutsch is going die. But when Deutsch, a wealthy magazine and newspaper publisher, starts thinking seriously about his impending death, he offers to pay a physicist and two mediums, one physical and one mental, \$100,000 each to establish the facts of life after death. Dr. Lionel Barrett, the physicist, accompanied by the mediums, travel to the Belasco House in Maine, which has been abandoned and sealed since 1949 after a decade of drug addiction, alcoholism, and debauchery. For one night, Barrett and his colleagues investigate the Belasco House and learn exactly why the townsfolk refer to it as the Hell House. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Hell House Richard Matheson,2023-09-19 Hell House is the scariest haunted house novel ever written. It looms over the rest the way a mountain looms over foothills. --Stephen King

Horror Films of the 1970s John Kenneth Muir,2012-11-22 The seventies were a decade of groundbreaking horror films: The Exorcist, Carrie, and Halloween were three. This detailed filmography covers these and 225 more. Section One provides an introduction and a brief history of the decade. Beginning with 1970 and proceeding chronologically by year of its release in the United States, Section Two offers an entry for each film. Each entry includes several categories of information: Critical Reception (sampling both '70s and later reviews), Cast and Credits, P.O.V., (quoting a person pertinent to that film's production), Synopsis (summarizing the film's story), Commentary (analyzing the film from Muir's perspective), Legacy (noting the rank of especially worthy '70s films in the horror pantheon of decades following). Section Three contains a conclusion and these five appendices: horror film cliches of the 1970s, frequently appearing performers, memorable movie ads, recommended films that illustrate how 1970s horror films continue to impact the industry, and the 15 best genre films of

the decade as chosen by Muir.

Richard Matheson on Screen Matthew R. Bradley, 2010-10-04 Though innumerable biographies have been written about novelists, playwrights, and poets, screenwriters are rarely granted this distinction, even ones as prolific and successful as Richard Matheson. Beginning with *The Incredible Shrinking Man* in 1957, Matheson has occupied a unique position in writing for television and cinema for more than fifty years. This biography documents his rise to prominence, his literary influences, and the role he played in the horror and science fiction renaissance. The narrative examines each of Matheson's works in chronological order with an index indicating where each can be found, from his early work in the 1950's through *I Am Legend* in 2007.

Ten Years of Terror Harvey Fenton, David Flint, 2001 Documenting the heyday of independent horror film production in Britain, 'Ten Years of Terror' is an encyclopaedic record of this era featuring a stunning selection of film stills and truly great promotional artwork. Films covered include: 'The Wicker Man', 'A Clockwork Orange', 'The Devils', 'Countess Dracula', 'Alien', 'The Omen', 'Killer's Moon', 'The Rocky Horror Picture Show', 'Tales From the Crypt', 'Frankenstein and the Monster from Hell' and more! With 48 full-colour pages. 'Gruesomely beautiful and frighteningly good!' - Hotdog (Book of the Month)

Attack of the Monster Movie Makers Tom Weaver, 1994 Twenty horror and science fiction moviemakers--both in front of and behind the camera--reminisce about some of their great (and not so great!) films. Merry Anders, Charles Bennett, Ben Chapman, Herman Cohen, Robert Day, Val Guest, Susan Hart, Candace Hilligoss, Rose Hobart, Betsy Jones-Moreland, Jacques Marquette, Cameron Mitchell, Ed Nelson, William Phipps, Vincent Price, Ann Robinson, Herbert Rudley, Harry Spalding, Kenneth Tobey, and Lupita Tovar reflect on their work in such movies as *Berserk*, *I Was a Teenage Werewolf*, *Cat-Women of the Moon* and many other movies. Some interviews were previously published.

A Critical History of Television's The Twilight Zone, 1959-1964 Don Presnell, Marty McGee, 1998 Rod Serling's anthology series *The Twilight Zone* is recognized as one of the greatest shows of all time. Ostensibly science fiction, the show was that and much more; always intelligent and thought-provoking, it used conventions and techniques of several genres--science fiction, fantasy, Westerns, horror, and film noir, among others--to explore such universal human issues as violence,

fear, prejudice, love, death, and individual identity. This comprehensive reference work first gives a complete history of the show, from its beginning in 1959 to its final 1964 season. The authors then provide critical commentaries and incisive analyses of all 156 episodes, along with the most complete listing of casts and credits ever published. Biographical profiles of writers and contributors comprise the book's third main section. Detailed appendices--writers, directors, actors, genres, and a listing of all episodes in order of original airdates--are also included. An extensive bibliography and an exhaustive index conclude the work.

Leonard Maltin's Movie and Video Guide 2000 Leonard Maltin, 1999 Includes 14,000 video and 9,000 laserdisc and DVD listings.
