

The Book Of Judas

Tobias Churton

The Gospel of Judas, Second Edition Rodolphe Kasser, Marvin Meyer, Gregor Wurst, Francois Gaudard, 2008-06-17 For 1,600 years its message lay hidden. When the bound papyrus pages of this lost gospel finally reached scholars who could unlock its meaning, they were astounded. Here was a gospel that had not been seen since the early days of Christianity, and which few experts had even thought existed—a gospel told from the perspective of Judas Iscariot, history’s ultimate traitor. And far from being a villain, the Judas that emerges in its pages is a hero. In this radical reinterpretation, Jesus asks Judas to betray him. In contrast to the New Testament Gospels, Judas Iscariot is presented as a role model for all those who wish to be disciples of Jesus and is the one apostle who truly understands Jesus. Discovered by farmers in the 1970s in Middle Egypt, the codex containing the gospel was bought and sold by antiquities traders, secreted away, and carried across three continents, all the while suffering damage that reduced much of it to fragments. In 2001, it finally found its way into the hands of a team of experts who would painstakingly reassemble and restore it. The Gospel of Judas has been translated from its original Coptic to clear prose, and is accompanied by commentary that explains its fascinating history in the context of the early Church, offering a whole new way of understanding the message of Jesus Christ.

Reading Judas Elaine Pagels, Karen L. King, 2007-03-06 The instant New York Times bestseller interpreting the controversial long-lost gospel The recently unearthed Gospel of Judas is a source of fascination for biblical scholars and lay Christians alike. Now two leading experts on the Gnostic gospels tackle the important questions posed by its discovery, including: How could any Christian imagine Judas to be Jesus' favorite? And what kind of vision of God does the author offer? Working from Karen L. King's brilliant new translation, Elaine Pagels and King provide the context necessary for considering its meaning. Reading Judas plunges into the heart of Christianity itself and will stand as the definitive look at the gospel for years to come.

The Thirteenth Apostle: Revised Edition April D. DeConick, 2009-06-23 April DeConick offers a new translation of the Gospel of Judas, one which seriously challenges the National Geographic interpretation of a good Judas.

Judas Marvin W. Meyer, 2009-10-13 Judas Iscariot has been demonized as the quintessential traitor, the disciple who betrayed his master for the infamous thirty pieces of silver. But the recent sensational discovery and publication of the long lost Gospel of Judas, with its remarkable portrayal of Judas Iscariot as the disciple closest to Jesus, raises serious new

questions. Was Judas the only member of the Twelve who truly understood Jesus? Did Jesus secretly collaborate with Judas to set in motion the series of events that would redeem all of humankind? In search of answers, Marvin Meyer, one of the world's leading experts on the Gospel of Judas presents a collection of the earliest accounts of Judas, which together paint a fuller portrait of this most enigmatic disciple. This book presents the essential texts that deal with the figure of Judas, including New Testament writings, Gnostic documents, and other early and later Christian literature. These are the earliest known testimonies about Judas and include selections from the gospels of Mark, Matthew, Luke, and John, the Acts of the Apostles, and relevant passages from Paul. The centerpiece of the book is the Gospel of Judas, followed by excerpts from three other Gnostic texts—the Dialogue of the Savior, the Concept of Our Great Power, and the Round Dance of the Cross—which may shed new light on the figure of Judas. A series of additional writings on Judas produced over the centuries provide glimpses of the vilification of Judas and the emergence of anti-Semitic themes. Meyer offers evidence of traitors before Judas—the Genesis story of Joseph's brothers who sold him into slavery, the duplicitous friend of the poet in Psalm 41, and Melanthius the goatherd in Homer's Odyssey—all of which raise the question of whether the story of Judas Iscariot could be simply a piece of religious fiction derived from earlier stories. Judas provides a rich collection of original sources that tell the story of Christianity's most infamous figure, offering the fullest understanding of Judas Iscariot's undeniable importance in the climax of Jesus's life.

The Gospel of Judas ; Together with the Letter of Peter to Philip, James, and a Book of Allogenes from Codex Tchacos Rodolphe Kasser, Gregor Wurst, 2007 Sheds new light on the ancient world and the beginnings of Christianity. Featuring full-color photographs of the original papyrus pages alongside the Coptic text and its English translation, this book provides a mystical, gnostic picture of Jesus. [from publisher description].

The Gospel of Judas Simon Gathercole, 2007-11-02 'Judas' is synonymous with 'traitor'. But a newly-discovered ancient text of the Gospel of Judas offers a picture of Judas Iscariot radically different from the Church's traditional understanding of him, and maintains that far from being the infamous betrayer, Judas was actually Jesus' trusted friend and the recipient of secret revelation. Simon Gathercole's new book includes a translation of the ancient Egyptian text of the Gospel of Judas and a running commentary, and offers new translations of all the ancient evidence about Judas Iscariot and the Gospel attributed to him. It gets behind the hype which the Gospel of Judas has attracted, and looks at why the group which produced the work were in such bitter conflict with the mainstream Christian church, and shows how the document provides us with a window into the turbulent world of Christianity and Gnosticism in the century after Jesus.

The Gospel of Judas Marvin W. Meyer, 2011-11-01 The Gospel of Judas: On a Night with Judas Iscariot presents a fresh translation of the Gospel of Judas, with introduction, commentary, and notes. Originally published with considerable international fanfare in 2006, the Gospel of Judas has prompted a vibrant discussion among scholars and other interested

readers about the meaning of the text and the place of Judas Iscariot in the story of Jesus and the history of the church. Meyer, a member of the original research team assembled by the National Geographic Society to edit, translate, and publish the Gospel of Judas and the remaining texts in what is now called Codex Tchacos, here offers an up-to-date and thoroughly accessible translation of the Gospel of Judas, expanded with new fragments of the text and informed by the latest scholarship. He adds reminiscences of the work on the Coptic text when it first was coming to light in 2005 and 2006. This book also includes reflections on the extensive literature, beyond the Gospel of Judas, on the figure of Judas Iscariot, with suggestions for a literary interpretation of Judas--an interpretation that may have a dramatic impact upon our understanding of the role of Judas Iscariot in the story of Jesus's passion.

The Lost Gospel Herbert Krosney, 2006 Describes how the Gospel of Judas was discovered, why it was historically denounced as heresy, and what it says about the disciple's role in the plan for salvation.

The Gospel of Judas David Brakke, 2022-01-01 A new translation and commentary on the extracanonical Coptic text that describes Judas' special status among Jesus' disciples Since its publication in 2006, The Gospel of Judas has generated remarkable interest and debate among scholars and general readers alike. In this Coptic text from the second century C.E., Jesus engages in a series of conversations with his disciples and with Judas, explaining the origin of the cosmos and its rulers, the existence of another holy race, and the coming end of the current world order. In this new translation and commentary, David Brakke addresses the major interpretive questions that have emerged since the text's discovery, exploring the ways that The Gospel of Judas sheds light on the origins and development of gnostic mythology, debates over the Eucharist and communal authority, and Christian appropriation of Jewish apocalyptic eschatology. The translation reflects new analyses of the work's genre and structure, and the commentary and notes provide thorough discussions of the text's grammar and numerous lacunae and ambiguities.

The ^ALost Gospel of Judas Iscariot Bart D. Ehrman, 2006-10-09 The recent National Geographic special on the Gospel of Judas was a major media event, introducing to tens of millions of viewers one of the most important biblical discoveries of modern times. Now, a leading historian of the early church, Bart Ehrman, offers the first comprehensive account of the newly discovered Gospel of Judas, revealing what this legendary lost gospel contains and why it is so important for our understanding of Christianity. Ehrman, a featured commentator in the National Geographic special, describes how he first saw the Gospel of Judas--surprisingly, in a small room above a pizza parlor in a Swiss town near Lake Geneva--and he recounts the fascinating story of where and how this ancient papyrus document was discovered, how it moved around among antiquities dealers in Egypt, the United States, and Switzerland, and how it came to be restored and translated. More important, Ehrman gives the reader a complete and clear account of what the book teaches and he shows how it relates to other Gospel texts--both those inside the New Testament and those outside of it, most notably, the Gnostic

texts of early Christianity. Finally, he describes what we now can say about the historical Judas himself as well as his relationship with Jesus, suggesting that one needs to read between the lines of the early Gospels to see exactly what Judas did and why he did it. The Gospel of Judas presents an entirely new view of Jesus, his disciples, and the man who allegedly betrayed him. It raises many questions and Bart Ehrman provides illuminating and authoritative answers, in a book that will interest anyone curious about the New Testament, the life of Jesus, and the history of Christianity after his death.

The Secrets of Judas James M. Robinson, 2024-01-17 The story of the most enigmatic of disciples—now fully revised and updated—from America's leading expert on ancient religious texts from Egypt (The Associated Press). The discovery of a previously lost Gospel of Judas Iscariot has electrified the Christian community. What Matthew, Mark, Luke, and John tell us about Judas, the disciple who betrayed Jesus, is inconsistent and biased. Therefore, the revelation of an ancient gospel that portrays this despised man as someone who saw his role in the Passion of Christ as integral to a larger plan—a divine plan—brings new clarity to the old story. If Judas had not betrayed Jesus, Jesus would not have been handed over to the authorities, crucified, buried, and raised from the dead. Could it be that without Judas, the Easter miracle would never have happened? In *The Secrets of Judas*, James M. Robinson, an expert historian of early Christianity, examines the Bible and other ancient texts and reveals what we can and cannot know about the life of the historical Judas, his role in Jesus's crucifixion, and whether the Christian church should reevaluate his intentions and possible innocence. Robinson tells the sensational story of the discovery of a gospel attributed to Judas, and shows how this affects Judas's newfound meaning for history and for the Christian faith. *The Secrets of Judas* should be read alongside the National Geographic volumes for another perspective. — The New York Times

Judas and the Gospel of Jesus Nicholas Thomas Wright, 2006 N.T. Wright, an ancient historian, biblical scholar, and bishop, offers a Christian response to the discovery (and the sensation surrounding that discovery) of the Gospel of Judas.

The Lost Gospel of Judas Stanley E. Porter, Gordon Heath, 2007-02-23 Porter and Heath consider recent textual finds and examine the discovery, content, and authenticity of the gospel. They also delve into the relationship this new gospel has with the New Testament canon.

Reading Judas Elaine Pagels, Karen L. King, 2008-03-27 Discover the true meaning of the lost Gospel of Judas ... Lost for 1,600 years, the Gospel of Judas has only now had its meaning unlocked for readers today. Its startling text included the claim that not only was Judas the favoured disciple of Jesus, but also that Judas was killed by the other disciples. Was Judas a betrayer or a loyal disciple? Did he write this shocking document? And what does it mean for us today? In *Reading Judas* Elaine Pagels and Karen L. King, world-renowned experts in religious texts, explore the meanings of this contentious gospel in detail. Here they reveal a gospel that, far from seeing Jesus' death as a sacrifice for humanity's sins, opposes the idea that God desires martyrdom and instead points towards a faith that is based on inner spiritual life. Containing a new translation of

the Gospel of Judas from the original Coptic, Reading Judas radically challenges our notions of the Christian faith.

The Thirteenth Apostle April D. DeConick, 2007 April DeConick offers a new translation of the Gospel of Judas, one which seriously challenges the National Geographic interpretation of a good Judas.

The Gospel of Judas Lance Jenott, 2011 Appendix A (p. [134]-187) contains the Coptic text of the Gospel of Judas as transcribed from the Codex Tchacos, with English translation on facing pages.

The Gospel of Judas Mark M. Mattison, 2014-06-01 Forged in the flames of controversy and rejected by the very church authorities it criticized, the Gospel of Judas was once believed to be irretrievably lost to history. Its rediscovery in Egypt in the 1970s and initial publication in 2006 ignited an intense debate about Christian origins and meaning. How could a Gospel about Jesus have been written in the name of his greatest nemesis? What does it really say about Judas, about Jesus, about the church – and what does it mean for us today? Inside the pages of this enigmatic Gospel we can explore unfamiliar terrain, the outer limits of early Christian experience – and may just discover something about ourselves in the process. Note: This fresh new translation of Judas' Gospel includes the more recently recovered fragments published in 2010.

The Gospel of Judas in Context Maddalena Scopello, 2008-01-01 The papers gathered in this book were presented at the First International Conference (held in Paris, University of Sorbonne, October 27th-28th 2006), devoted to the newly discovered Gospel of Judas, preserved in the 4th century Coptic Codex Tchacos. These essays explore several crucial literary, historical and doctrinal issues related to this gospel, composed in the second half of the 2nd century. This unexpected discovery sheds a new light on the role attributed to Judas by some Gnostic Christian movements. A hotly debated question is precisely the significance of Judas in this gospel: hero or villain? Special attention is given to the sources – Greek, Jewish, Christian and even Iranian – used by the unknown author. This book will be of special interest for historians of late Antiquity religions and scholars in New Testament studies, Gnosticism and Coptic literature.

The Kiss of Death Tobias Churton, 2012-01-01 The story begins with the exciting story of the discovery of the Gospel in Egypt in 1978, and its subsequent movements from one antiquities dealer to another. We discover how this precious document eventually finds a home in a New York safety deposit box, where it languishes for years with a \$3 million price tag, before it is finally published to huge public attention and fanfare. More than just the story of The Gospel of Judas since it had been found, Churton also discusses how it relates to the historical place of the Judas: how he has been maligned and misrepresented across the centuries. This fascinating book sheds new light on the real nature of Jesus, and presents a daring speculation on the endeavours he planned with his disciples in Jerusalem, Judea and Galilee. The Kiss of Death is an explosive book that explains the text of The Gospel of Judas, its context in modern Christianity, as well as the importance of its discovery and subsequent publication.

The Gospel of Judas Dr. Samuel Wyndham, 2025-03-01 The Hidden Gospels: Exploring the Lost Texts of Early Christianity

- The Gospel of Judas The Hidden Gospels uncovers the forgotten and suppressed texts of early Christianity, focusing on the groundbreaking Gospel of Judas. Discovered in the 1970s and published in 2006, this ancient manuscript redefines the role of Judas, portraying him not as a traitor but as a key figure who fulfills Jesus' divine plan. This challenges the long-standing narrative found in the canonical gospels. The book explores the fascinating world of Gnostic Christianity, where hidden knowledge (gnosis) and spiritual awakening play a central role in salvation. It examines the diverse beliefs that early Christian mystics held, contrasting them with the orthodox teachings of the Church. The narrative also delves into the political and theological motivations behind the suppression of these texts, shedding light on why they were excluded from the biblical canon. The Hidden Gospels invites readers to explore these alternative Christian teachings, offering a deeper understanding of early Christianity and the relevance of these lost texts in our spiritual journeys today.

Decoding **The Book Of Judas** : Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Book Of Judas** ," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

The Book Of Judas Introduction

The Book Of Judas Offers over 60,000

free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Book Of Judas Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Book Of Judas : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Book Of Judas : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Book Of Judas Offers a diverse range of free eBooks across various genres. The Book Of Judas Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Book Of Judas Provides a large selection of free eBooks in different genres, which are available for download in various formats, including

PDF. Finding specific The Book Of Judas , especially related to The Book Of Judas , might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Book Of Judas , Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Book Of Judas books or magazines might include. Look for these in online stores or libraries. Remember that while The Book Of Judas , sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Book Of Judas eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free

periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Book Of Judas full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Book Of Judas eBooks, including some popular titles.

FAQs About The Book Of Judas Books

1. Where can I buy The Book Of Judas books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover:

- Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Book Of Judas book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of The Book Of Judas books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are The Book Of Judas audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon.
 - Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read The Book Of Judas books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
