Writers & Lovers Lily King, 2020-03-03 #ReadWithJenna Book Club Pick as Featured on Today Emma Roberts Belletrist Book Club Pick A New York Times Book Review's Group Text Selection I loved this book not just from the first chapter or the first page but from the first paragraph... The voice is just so honest and riveting and insightful about creativity and life. —Curtis Sittenfeld An extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of *Euphoria* Following the breakout success of her critically acclaimed and award-winning novel *Euphoria*, Lily King returns with another instant New York Times bestseller: an unforgettable portrait of an artist as a young woman. Blindsided by her mother's sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square and rents a tiny, moldy room at the side of a garage where she works on the novel she's been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey's fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink. *Writers & Lovers* follows Casey—a smart and achingly vulnerable protagonist—in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King's trademark humor, heart, and intelligence, *Writers & Lovers* is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.

**English Teacher** Lily King, 2005 Fifteen years ago Vida Avery arrived alone and pregnant at elite Fayer Academy. By living on campus, on an island off the New England coast, Vida has cocooned herself and her son, Peter, from the outside world and from an inside secret. For years she has lived largely through the books she teaches, but when she accepts the impulsive marriage proposal of ardent widower Tom Belou, the prescribed life Vida has constructed is swiftly dismantled. As Vida begins teaching her signature book, *Tess of the D'Urbervilles*, a tale of an ostracized woman and social injustice, its themes begin to echo eerily in her own life and Peter sees that the mother he perceived as indomitable is collapsing and it is up to him to help.

**Father of the Rain** Lily King, 2010 When 11-year-old Daley's parents separate, she is thrust into a chaotic adult world. Unable to place her allegiance, she vacillates between the liberal, socially committed realm of her mother and the conservative, liquor-soaked life of her father. But when her mother leaves, Daley's father's basest impulses are unleashed and she must choose between her own survival and the charismatic father she loves. As she nears adulthood, Daley retreats from the New England country club culture that nourishes her father's fears and addictions -- until he hits rock bottom. Now she must decide whether repairing the badly damaged relationship with her father and helping him free himself from sixty years of dependency are worth the loss of her career and possibly even the man she loves.

**Writers and Lovers** Lily King, 2020-03-05 Exuberant and affirming, it's funny and immensely clever, emotionally rare and strong. I feel bereft now I've finished' Tessa Hadley Casey has ended up back in Massachusetts after a devastating love affair. Her mother has just died and she is knocked sideways by grief and loneliness, moving between the restaurant where she waitresses for the Harvard elite and the rented shed she calls home. Her one constant is the novel she has been writing for six years, but at thirty-one she is in debt and directionless, and feels too old to be that way - it's strange, not be the youngest kind of adult anymore. And then, one evening, she meets Silas. He is kind, handsome, interested. But only a few weeks later, Oscar walks into her restaurant, his two boys in tow. He is older, grieving the loss of his wife, and wrapped up in his own creativity. Suddenly Casey finds herself at the point of a love triangle, stuck between two very different relationships that promise two very different futures. Lily King's *Writers & Lovers* follows Casey in the last days of a long youth, a time when everything - her family, her work, her relationships - comes to a crisis. Hugely moving and impossibly funny, it is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another. It is a novel about love and creativity, and ultimately it captures the moment when a woman becomes an artist.

**Heart the Lover** Lily King, 2025-09-30 "Lily King is one of our great literary treasures."—Madeline Miller From the New York Times bestselling author of *Writers & Lovers* comes an intimate and sweeping new novel of love and friendship—a journey into the heart of youth and middle age, desire and loss, and the intricate bonds that shape our lives Our bright narrator is a college senior quietly dreaming of becoming a writer when she meets Sam and Yash, best friends and the golden boys of the English Department. Top-of-the-class Honors students, they live at the stately home of a favorite professor on sabbatical and can banter about Joyce and Fitzgerald like a game of rapid-fire tennis. The two nickname her Jordan and invite her into their magnetic world where her college experience is forever altered. As graduation approaches, the lines between love and friendship blur, and Jordan finds herself caught in a life-changing triangle. Decades later, her writing career is thriving, but motherhood is full of challenges. When she receives unexpected news that brings the past crashing into the present, Jordan returns to a world she thought she left behind. Written with the superb wit and emotional sensitivity fans and critics have come to adore, King explores a tangled lattice of friendship, love, family and uncertainty that celebrates how we love, who we love, and all the complexity a single heart can hold.

**Buzz Books 2014: Spring/Summer**, 2014-01-08 There's nothing like the excitement of being one of the first people to discover a great new read. Now in its fourth edition, *Buzz Books* has proven itself as the place where book publishing insiders and passionate book lovers alike can get their first taste of some of the year's most extraordinary new books. The

overwhelming majority of our selections go on to win awards and appear on booksellers' monthly lists of "best books" as well as "best books of the year" from many sources—while topping bestseller lists and reading group selections as well. Some people think of the spring and summer publishing seasons as a quieter time, but last year's Buzz Books collection provided early looks at such books as Philipp Meyer's *The Son*, Kate Atkinson's *Life After Life*, and Anthony Marra's debut *A Constellation of Vital Phenomena*, all hailed as among the year's very best novels. Inside the book business, this volume also coincides with one of the most important industry events, the American Booksellers Association's "Winter Institute." This is an annual gathering of 500 independent booksellers, now a major launch pad for the spring and summer seasons, where dozens of authors—including ten of those whose work is included here—sign pre-publication galleys and discuss their forthcoming books informally with bookstore owners. Instead of keeping that industry "buzz" closed off in the room with that small group of lucky booksellers, we're giving everyone the same kind of access to checking out the newest voices the publishing industry is building for the next season. Samples of novelists you may already know and love include new books from British authors Jojo Moyes (*One Plus One*) and Edward St. Aubyn (*Lost for Words*), alongside bestselling writers Robyn Carr (*Four Friends*) and Greg Iles, now with a new publisher for his latest thriller *Natchez Burning*. We preview Giller Prize winner Joseph Boyden's *The Orenda*, already lavishly honored in Canada, plus praised novelists Jean Kwok (known for *Girl in Translation*) and Maggie Shipstead (author of *Seating Arrangements*) return with their anticipated second novels. This edition's collection of highly-anticipated debuts includes everything from screenwriter Laline Paull's *The Bees* and Marie-Helene Bertino's *2 A.M. at The Cat's Pajamas* to a posthumous roman-à-clef from magazine journalist Michael Hastings to bestselling narrative nonfiction author of *Burning Down the House* (the basis for the movie *The Social Network*) Ben Mezrich's *Seven Wonders*. Our selection of nonfiction is modest in quantity but broad in range, from Twitter co-founder Biz Stone to author of bestselling *Nickel and Dimed* Barbara Ehrenreich's memoir. We also include memoir with recipes (from Leah Eskin) and in letters (from Nina Stibbe), plus the latest from bestselling science journalist Sam Kean. Our biggest-ever section of young adult literature mirrors the growing popularity of these works among readers young and not-so-young. Sally Green's *Half Bad* is already an international publishing sensation ahead of its release, with sales in dozens of territories. We sample new works from well-known authors such as Ann Brashares and Lemony Snicket alongside *Twilight: New Moon* director Chris Weitz's *The Young World*—the first in a new series—and Scholastic editor Amanda Maciel's *Tease*. There is something here for every reader's taste, and the selections are roughly organized by genre and then publication date. For a broader picture of new books on the horizon, fill your to-be-read lists with the extensive preview of the publishing seasons that starts off Buzz Books. We love providing these exciting excerpts ahead of publication, and you can share this free ebook with friends and spread your enthusiasm for any of these selections online. Buzz Books can be downloaded for free from any major ebookstore, and we have included direct links to pre-order the full book after each excerpt.
