In the Bedroom Andre Dubus,2002-01-29 The seven stories collected here—including “Killings,” the basis for Todd Field’s award-winning film *In the Bedroom*—showcase legendary writer Andre Dubus’s sheer narrative mastery in a book of quietly staggering emotional power. A father in mourning contemplates the unthinkable as the only way to allay his grief. A boy must learn to care for his younger brother when their mother leaves the family. A young woman who has never lacked lovers despairs of ever finding love itself, and then makes an accidental discovery that brings her real joy. Culled from Dubus’s treasured collections *Selected Stories* and *Dancing After Hours*, these beautiful stories of people at pivotal moments in their lives are some of the most bewitching and profound in American fiction.

The Valley Boys Books 1-3 Vicki Tharp,2021-04-01 ART OF LOVE The professor is about to be schooled. Art professor Demetri Stavros has one rule: Don’t sleep with your students. Despite a few offers, he’s never been tempted... until now. Though it could end his career, Demetri can’t stay away. Roman Reed makes him question his priorities and his life. But Demetri’s secret? He’ll keep that to himself. After all, is a lie of omission really a lie? A past betrayal has taught Roman the importance of running his personal life by strict standards. Honesty is a must. Then he discovers Demetri’s truth. Can Roman overcome his history and find forgiveness, or are the lies more powerful than their growing love? FLIGHT OF FANCY One donor heart. Two damaged men. Three tangled destinies. Seven years after his partner’s tragic death, pilot Joss Kincaid is ready to love again. Only he never expected love to come knocking on his hangar door. Milo Malone has made the sky’s bluer, his days brighter, and his nights... well, you know... Now Joss is ready to take things to the next level. Except something isn’t right. When Joss finds out Milo is so much more than the man he thought he was, it pitches their budding relationship into chaos. Can Joss trust his feelings for Milo? Or are they merely remnants of the love he had for the man he’d lost? DEN OF THIEVES Max never wanted to leave, but now he’s back... ...and he has a lot to make up for. When Max’s estranged sister goes missing, he must face the man he hurt the most—his ex. Desperate for help, Max drops back into Derek’s life. Derek wants to refuse... ...but the stakes are too high. Though their explosive chemistry hasn’t diminished, life with Max is never simple. His sister’s disappearance is no exception. Derek’s brilliant plan? Solve the case quickly, and put

Max back where he belongs—in Derek’s rearview mirror. Except the world has another plan, putting their hearts—and their lives—on the line. Will their forced proximity foster reconciliation, or are their old wounds too deep to heal?

The Oxford Handbook of New Testament, Gender, and Sexuality Benjamin H. Dunning,2019-10-10 Over several decades, scholarship in New Testament and early Christianity has drawn attention both to the ways in which ancient Mediterranean conceptions of embodiment, sexual difference, and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present. The result is that the study of gender and sexuality in early Christianity has become an increasingly complex undertaking. This is a complexity produced not only by the intricacies of conflicting historical data, but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place. Yet at the same time, recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early Christian history and also proved relevant to ongoing theological and social debates. The Oxford Handbook of Gender and Sexuality in the New Testament provides a roadmap to this lively scholarly landscape, introducing both students and other scholars to the relevant problems, debates, and issues. Leading scholars in the field offer original contributions by way of synthesis, critical interrogation, and proposals for future questions, hypotheses, and research trajectories.

Into the Heartland Len Custer,2009-02-24 In 1872, thirteen-year-old Will Curtis isn't prepared for the changes that are about to occur in his young life. His mother died six months ago while giving birth to his youngest sister, Anne. Will is not pleased when his Pa, a cantankerous self-ordained minister, introduces him to his new stepmother, eighteen-year-old Mary. Will initially resents the pretty young woman, but he is eventually overcome by her charm. Soon after Mary's arrival, the family is guided by Will's forty-year-old uncle, Zeke, as they leave their West Virginia home to forge a new life on the Kansas frontier. Will is saddened when he has to leave his best friend, Skeeter, and his dog, Crusher, behind. The long journey by steamboat, train, and wagon is not an easy one, but their struggles are only the beginning. While besieged with natural disasters, family conflict, outlaws, and death, the Curtis family also becomes involved in a deadly vendetta. This coming-of-age Western demonstrates Will's determination and dedication to his family as he matures on the hardscrabble Kansas homestead. In his five-year journey, Will reaps the rewards of hard work, faces his foes, and discovers the wonder of love in *Into the Heartland*.

The Midnight Ride Ben Mezrich, 2022-02-22 From the celebrated, New York Times bestselling author comes the twisted thriller of an MIT grad student who unwittingly uncovers the hidden connection between the Gardner Museum heist and the most fascinating secret in American history. **THE CARD SHARK:** Hailey Gordon is looking to make some fast cash to help pay her tuition when she's caught counting cards at the Encore casino in Boston. She grabs her winnings and makes her escape. With guards closing in, she dives into an unlocked room to hide . . . only to find a dead body. **THE EX-CON:** Recently released from prison, Nick Patterson hasn't felt hope in a long time, but the job he "inherited" in prison promises to change that. He enters hotel room 633 to find that the person he was supposed to meet has been murdered. Next to the corpse stands a terrified young woman—Hailey Gordon. **THE PROFESSOR:** American history professor Adrian Jensen learns of the death of his professional nemesis, Charles Walker, the night after he received Walker's latest research. Skeptical at first, Adrian nearly deletes the file. But when one small, new detail catches his eye, he makes it his mission to uncover what could be one of the biggest secrets of the Revolutionary War. All three strangers find themselves on the cusp of an incredible discovery—one that someone is willing to kill to keep buried.
