*Through the Valley of the Kwai* Ernest Gordon, 1962 Religious life of Allied prisoners of World War II, held by the Japanese in camps along the River Kwai, based on personal experiences of the author, a member of the British Army.

**Opening the Parables** M. D. Hayden, 2024-07-11 For centuries, Jesus' parables have been--and still are--extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed. There was no Christian tradition when Jesus was teaching his followers, and he was teaching regular people, not theologians. No wonder then that after two millennia, Jesus' parables, coated with a confusing overlay of Christian dogma, still puzzle readers of the New Testament. Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which--once the clutter of others' words and interpretations is cleared away--appears consistently in all his teachings, even in his parables. In the best-possible way, Jesus was a one-subject teacher (one subject, using various teaching techniques, both deductive and inductive), a one-sermon preacher (one message, told in various ways). Everything he taught or preached was about love in the infinite, here-and-now Kingdom of God. All his parables, proverbs, aphorisms, and direct statements teach one lesson: in the highest realm we can imagine, compassionate love is all that matters.

**To End All Wars** Ernest Gordon, 2013-11-25 Now a major motion picture starring Robert Carlyle and Kiefer Sutherland Waking from a dream, I suddenly realized where I was: in the Death House--in a prison camp by the River Kwai. I was a prisoner of war, lying among the dead, waiting for the bodies to be carried away so that I might have more room. When Ernest Gordon was twenty-four he was captured by the Japanese and forced, with other British prisoners, to build the notorious Railroad of Death, where nearly 16,000 prisoners of war gave their life. Faced with the appalling conditions of the prisoners' camp and the brutality of the captors, he survived to become an inspiring example of the triumph of the human spirit against all odds. To End All Wars is Ernest Gordon's gripping true story behind both the Academy Award-winning film The Bridge on the River Kwai, starring Alec Guinness, and the new film To End All Wars, directed by David Cunningham.
