**Life Writing and Transcultural Youth in Contemporary France** Dervila Cooke, 2024-07-27 This book analyses transcultural works of life writing relating to youth and childhood by Azouz Begag, Maryam Madjidi, and Laura Alcoba, of Algerian, Iranian, and Argentinian heritage respectively. With a strong focus on societal issues in France from the turn of the millennium to early 2024, including the intersections between the postcolonial and the transcultural, it analyses the authors' relationship with France and the "home" country, and the problematic pull of return. Each author uses life writing in a transpersonal manner, and expresses multiple cultural belongings. Begag displays playful yet compulsive self-reinvention, Madjidi uses autofiction in a search for authenticity, and Alcoba's approach highlights the difficulties of dealing with traumatic personal and national memory. A substantial overview is given of each author's œuvre, along with societal context for the country of origin or descent, followed by close textual analysis. This is a companion volume to Dervila Cooke's 2024 monograph on Québec.

*Language Policy and Planning in the Mediterranean World* Marilena Karyolemou, Pavlos Pavlou, 2014-08-11 Language Policy and Planning in the Mediterranean World is a collection of the best papers presented at the MedLPLP conference held at the University of Cyprus in 2009, enriched with invited contributions on the same topic. The book presents a panorama of situations with countries such as France, Germany, Cyprus, Malta, Italy, Spain, Poland, Turkey, Greece, Bulgaria, Albania, Romania and Serbia. It explores various aspects of the weight and ecology of the Mediterranean languages, discusses LPP in the light of international law and the protection of human rights, bilingual education and foreign language acquisition policies. It also addresses the issue of feminization in a broad range of Mediterranean languages comparing French, Italian, Spanish, and, for the first time, Standard and Cypriot Greek. Finally, the book also discusses language revival and renovation policies, language planning in the public space, as well as cases of micro-language management. The volume is an excellent source of information for scholars and students of LPP interested in the synchrony and diachrony of Mediterranean languages, in aspects of LPP activity in various Mediterranean countries and in specific LPP processes involving several languages within the area.

De l'examen des difficultés de l'acte de traduire de l'inter-culturel en littérature, de la littérature dite « enfantine », de l'écriture célinienne caractérisée par une oralité mythique, des « erreurs » culturelles et historiques dans les auto-traductions, à l'examen de la condition féminine à travers l'investigation d'oeuvres des figures emblématiques de la littérature mondiale (Katherine Mansfield, entre autres), en passant par l'examen de phénomènes linguistiques, didactiques et traductologiques (e.g. idiomaticité, multilinguisme, enseignement de la communication interculturelle).
