Orhan Pamuk

Other Colors Orhan Pamuk, 2010-10-22 Knopf Canada is proud to welcome Orhan Pamuk to the list with an inspiring and engaging collection of essays on literary and personal subjects—his first new book since winning the Nobel Prize. In the three decades that Pamuk has devoted to writing fiction, he has also produced scores of witty, moving and provocative essays and articles. Here is a thoughtful compilation of a dazzling novelist's best non-fiction, offering different perspectives on his lifelong obsessions. Pamuk's criticism, autobiographical writing and meditations are presented alongside interviews he has given and selections from his private notebooks. He engages the work of other novelists, including Sterne and Dostoyevsky, Salman Rushdie and Patricia Highsmith, and he discusses his own books and writing process. We learn not just how he writes but how he lives as he recounts his successful struggle to quit smoking and describes his relationship with his daughter. Ordinary events—applying for a passport, the death of a relative—inspire extraordinary flights of association as the novelist reflects on everything from the child's state of being to divergent attitudes towards art in the East and West. Illustrated with photographs, paintings and the author's own sketches, *Other Colors* gives us Orhan Pamuk's world through a kaleidoscope whose brilliant, shifting themes and moods together become a radiant and meaningful whole.

My Name Is Red Orhan Pamuk, 2006-12-05 The Nobel Prize winner and one of today's most prominent contemporary Turkish writers delivers a novel that is a fiendishly devious mystery, a beguiling love story, a brilliant symposium on the power of art, and a “modern classic ... rich and essential” (Los Angeles Times Book Review)—set amid the splendor and religious intrigue of sixteenth-century Istanbul. The Sultan has commissioned a cadre of the most acclaimed artists in the land to create a great book celebrating the glories of his realm. Their task: to illuminate the work in the European style. But because figurative art can be deemed an affront to Islam, this commission is a dangerous proposition indeed. The ruling elite therefore mustn't know the full scope or nature of the project, and panic erupts when one of the chosen miniaturists disappears. The only clue to the mystery—or crime?—lies in the half-finished illuminations themselves. Part fantasy and part philosophical puzzle, *My Name is Red* is a kaleidoscopic journey to the intersection of art, religion, love, sex and power. Translated from the Turkish by Erda M Göknar

Snow Orhan Pamuk, 2011-10-18 From the Nobel Prize winner and the acclaimed author of *My Name is Red* comes a spellbinding story of a poet seeking his lost love in a remote Turkish town riven by religious conflict and cut off from the

world by a blizzard. Returning to Turkey from exile in the West, Ka is driven by curiosity to investigate a surprising wave of suicides among religious girls forbidden to wear their head scarves in school. But the epicenter of the suicides, the eastern border city of Kars, is also home to the radiant and newly divorced Ýpek, a friend of Ka's youth whom he has never forgotten and whose spirited younger sister is a leader of the rebellious schoolgirls. As a fierce snowstorm descends on Kars, violence between the military and local Islamic radicals begins to explode, and Ka finds his sympathies drawn in unexpected and dramatic directions.

Istanbul Orhan Pamuk, 2006-07-11 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes a portrait of Istanbul by its foremost writer, revealing the melancholy that comes of living amid the ruins of a lost empire. Delightful, profound, marvelously origina.... Pamuk tells the story of the city through the eyes of memory. —The Washington Post Book World A shimmering evocation, by turns intimate and panoramic, of one of the world's great cities, by its foremost writer. Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait, refracted by memory and the melancholy—or *hüzün*—that all Istanbulers share. With cinematic fluidity, Pamuk moves from his glamorous, unhappy parents to the gorgeous, decrepit mansions overlooking the Bosphorus; from the dawning of his self-consciousness to the writers and painters—both Turkish and foreign—who would shape his consciousness of his city. Like Joyce's Dublin and Borges' Buenos Aires, Pamuk's Istanbul is a triumphant encounter of place and sensibility, beautifully written and immensely moving.

My Father's Suitcase Orhan Pamuk, 2006

The Naive and the Sentimental Novelist Orhan Pamuk, 2011-11-01 From the Nobel Prize-winning novelist and the acclaimed author of *My Name is Red*—an inspired, thoughtful, and deeply personal book of essays about reading and writing novels. In this fascinating set of essays, based on the talks he delivered at Harvard University as part of the distinguished Norton Lecture series, Pamuk presents a comprehensive and provocative theory of the novel and the experience of reading. Drawing on Friedrich Schiller's famous distinction between "naïve" writers—those who write spontaneously—and "sentimental" writers—those who are reflective and aware—Pamuk reveals two unique ways of processing and composing the written word. He takes us through his own literary journey and the beloved novels of his youth to describe the singular experience of reading. Unique, nuanced, and passionate, this book will be beloved by readers and writers alike.

Silent House Orhan Pamuk, 2012-10-09 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes an unforgettable novel about a Turkish family gathering in the shadow of an impending military coup that's "threaded through with ideas about history, religion, memory, class and politics" (The New York Times Book Review). In a crumbling mansion in

a gentrified former fishing village on the Turkish coast, the widow Fatma awaits the annual visit of her grandchildren: Faruk, a dissipated historian; his sensitive leftist sister, Nilgün; and Metin, a high schooler drawn to the fast life of the nouveaux riches. Bedridden, Fatma is attended by her faithful servant Recep, a dwarf—and her late husband's illegitimate son. Mistress and servant share memories, and grievances, from the past. But the arrival of Recep's cousin, Hasan, a fervent right-wing nationalist, threatens to draw the family into the political cataclysm arising from Turkey's tumultuous century-long struggle for modernity. Written in the 1980s but never before published in English, this spellbinding novel is a stunning addition to the works of Nobel Prize-winning author Orhan Pamuk.

The White Castle Orhan Pamuk, 2015-10-14 In the seventeenth century, a young Italian scholar sailing from Venice to Naples is taken prisoner and delivered to Constantinople, into the custody of a scholar known as Hoja—'master'—a man who is his exact double. Hoja wonders, given the knowledge of each other's most intimate secrets, if they could actually exchange identities. Set in a world of magnificent scholarship and terrifying savagery, *The White Castle* is a colourful and intricately patterned triumph of the imagination.

The Black Book Orhan Pamuk, 2006-07-11 From the Nobel Prize winner and acclaimed author of *My Name is Red*—a brilliantly unconventional mystery of a missing wife, and a provocative meditation on identity. "A glorious flight of dark, fantastic invention." —The Washington Post Galip is a lawyer living in Istanbul. His wife, the detective novel-loving Ruya, has disappeared. Could she have left him for her ex-husband or Celâl, a popular newspaper columnist? But Celâl, too, seems to have vanished. As Galip investigates, he finds himself assuming the enviable Celâl's identity, wearing his clothes, answering his phone calls, even writing his columns. Galip pursues every conceivable clue, but the nature of the mystery keeps changing, and when he receives a death threat, he begins to fear the worst. With its cascade of beguiling stories about

Istanbul, *The Black Book* is a brilliantly unconventional mystery, and a provocative meditation on identity. For Turkish literary readers it is the cherished cult novel in which Orhan Pamuk found his original voice, but it has largely been neglected by English-language readers. Now, in Maureen Freely's beautiful translation, they, too, may encounter all its riches. A Translation and Afterword by Maureen Freely

My Name Is Red, 2010 From one of the most important and acclaimed writers at work today, a thrilling new novel—part murder mystery, part love story—set amid the perils of religious repression in sixteenth-century Istanbul. When the Sultan commissions a great book to celebrate his royal self and his extensive dominion, he directs Enishte Effendi to assemble a cadre of the most acclaimed artists in the land. Their task: to illuminate the work in the European style. But because figurative art can be deemed an affront to Islam, this commission is a dangerous proposition indeed, and no one in the elite circle can know the full scope or nature of the project. Panic erupts when one of the chosen miniaturists disappears, and the Sultan demands answers within three days. The only clue to the mystery—or crime?—lies in the half-finished illuminations themselves. Has an avenging angel discovered the blasphemous work? Or is a jealous contender for the hand of Enishte's ravishing daughter, the incomparable Shekure, somehow to blame? Orhan Pamuk's *My Name Is Red* is at once a fantasy and a philosophical puzzle, a kaleidoscopic journey to the intersection of art, religion, love, sex, and power.

Orhan Pamuk: Balkon Orhan Pamuk, 2018-04-30 In the winter of 2011 Nobel-Prize-winning Turkish novelist Orhan Pamuk took 8,500 color photographs from his balcony with its panoramic view of Istanbul, the entrance of the Bosphorus, the old town, the Asian and European sides of the city, the surrounding hills, and the distant islands and mountains. Sometimes he would leave his writing desk and follow the movements of the boats as they passed in front of his apartment and sailed far away. As Pamuk obsessively created these images he felt his desire to do so was related to a strange particular mood he was experiencing. He photographed further and began to think about what was happening to himself: Why was he taking these photos? How are seeing and photography related? What is the affinity between writing and seeing? Why do we enjoy looking at landscapes and landscape photographs? *Balkon* presents almost 500 of these photos selected by Pamuk, who has also co-designed the book and written its introduction. 'There is genius in Pamuk's madness.' -Umberto Eco

Autobiographies of Orhan Pamuk Michael D. McGaha, 2008 The first book-length study of the life and writings of Orhan Pamuk, the first Turkish writer to receive the Nobel Prize for Literature.

Essays Interpreting the Writings of Novelist Orhan Pamuk Nilgun Anadolu-Okur, 2009 This work provides extensive critical analysis of Orhan Pamuk's work. The contributors establish Pamuk as a universal author whose contributions to the genre of novel have not only enriched our understanding of modern Turkish literature, but have generated discussions on national identity.

The Black Book Orhan Pamuk, 2014-12-16 From the Nobel Prize-winning author: An Istanbul lawyer's search for his missing wife leads him into a labyrinthine mystery of truth, fiction and identity. Galip is an Istanbul lawyer, and his wife, Ruya, has vanished. Could she be hiding out with her half-brother, Jelal, a newspaper columnist whose fame Galip envies? And if so, why isn't anyone in Jelal's flat? As Galip plays the part of private investigator, he assumes the identity of Jelal himself, wearing his clothes, answering his phone calls, even faking his wry columns, which he passes off as the work of the missing journalist. But the amateur sleuth bungles his undercover operation, and with dire consequences. Richly atmospheric and Rabelaisian in scope, *The Black Book* is "a glorious flight of dark, fantastic invention" suffused with the sights, sounds, and scents of Istanbul (The Washington Post).

Nights of Plague Orhan Pamuk, 2022-10-04 From the the winner of the Nobel Prize in Literature: Part detective story, part historical epic—a bold and brilliant novel that imagines a plague ravaging a fictional island in the Ottoman Empire. It is April 1900, in the Levant, on the imaginary island of Mingheria—the twenty-ninth state of the Ottoman Empire—located in the eastern Mediterranean between Crete and Cyprus. Half the population is Muslim, the other half are Orthodox Greeks, and tension is high between the two. When a plague arrives—brought either by Muslim pilgrims returning from the Mecca or by merchant vessels coming from Alexandria—the island revolts. To stop the epidemic, the Ottoman sultan Abdul Hamid II sends his most accomplished quarantine expert to the island—an Orthodox Christian. Some of the Muslims, including followers of a popular religious sect and its leader Sheikh Hamdullah, refuse to take precautions or respect the quarantine. And then a murder occurs. As the plague continues its rapid spread, the Sultan sends a second doctor to the island, this time a Muslim, and strict quarantine measures are declared. But the incompetence of the island's governor and local administration and the people's refusal to respect the bans doom the quarantine to failure, and the death count continues to rise. Faced with the danger that the plague might spread to the West and to Istanbul, the Sultan bows to international pressure and allows foreign and Ottoman warships to blockade the island. Now the people of Mingheria are on their own, and they must find a way to defeat the plague themselves. Steeped in history and rife with suspense, *Nights of Plague* is an epic story set more than one hundred years ago, with themes that feel remarkably contemporary.

A Strangeness in my Mind Orhan Pamuk, 2015-10-20 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes a modern epic novel that tells the coming of age story of a street vendor in Istanbul and the love of his life. Arriving in Istanbul as a boy, Mevlut Karataş is enthralled by both the old city that is disappearing and the new one that is fast being built. He becomes a street vendor, like his father, hoping to strike it rich, but luck never seems to be on Mevlut's side. He spends three years writing love letters to a girl he has seen just once, only to elope by mistake with her sister. Although he grows to cherish his wife and the family they have together, Mevlut stumbles toward middle age as everyone around him seems to be reaping the benefits of a rapidly modernizing Turkey. Told through the eyes of a diverse cast of

characters, in *A Strangeness in My Mind* Nobel-prize-winning author Orhan Pamuk paints a brilliant tableau of life among the newcomers who have changed the face of Istanbul over the past fifty years.
