Included are the early signs and symptoms of dyslexia; language intervention strategies; the importance of developing pre-phonemic and phonemic awareness; multisensory methods for identifying letters, reading sight words, and spelling; as well as suggestions for classroom and material modifications; improving handwriting; building confidence; and new instructional concepts. This resource is a must for all elementary classroom teachers!

Dictionary of Idiomatic English Phrases James Main Dixon,1891 This is a classical text of a dictionary of English idioms and phrases. This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.
