

Commentary On Romans 5 1 11

Jamieson,Fausset,Brown

The Wiersbe Bible Commentary: New Testament , Whether you are a pastor, teacher, or layperson, now you can study the Bible in easy-to-read sections that emphasize personal application as well as biblical meaning. Developed from Dr. Wiersbe's popular Be series of Bible study books, this commentary carefully unpacks all of the New Testament. The Wiersbe Bible Commentary New Testament offers you: Dr. Wiersbe's trustworthy insights on the entire New Testaments New Biblical images, maps, and charts Introductions and outlines for each book of the Bible Clear, readable text that's free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures. It's the trusted reference you'll love to read.

Tyndale Concise Bible Commentary Robert B. Hughes,J. Carl Laney,2001 Value priced! The Tyndale Concise Bible Commentary offers clear and concise commentary on every passage in the NLT in one handy volume. Previously published as The New Bible Companion, this helpful resource also includes introductions to each Bible book, an article about the theme of the entire Bible, and detailed maps of places mentioned in Scripture. Sunday school teachers, pastors, and anyone who studies the Bible will find this commentary a great starting point for learning about God's Word. Teachers, pastors, and anyone wanting to learn more about the Bible will rely on the Tyndale Reference Library for solid, evangelical scholarship packed into concise, user-friendly reference works.

Wisdom Commentary: Romans Christian A. Eberhart,2025-03-15 Can a feminist interpretation of Romans discover anything new? In this volume, Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe, a gentile woman, with the task of delivering the letter to Rome. There, she would have been the person who recited it aloud and by heart in front of various audiences. Yet as the leader of a congregation in Corinth, Phoebe had likely also been involved in the process of composing the letter, as some passages reveal. This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men, Jews and gentiles, weak and strong, and free and slave.

A Critical, Practical and Explanatory Commentary on the Old and New Testaments Jamieson,Fausset,Brown,1864

A Commentary Robert Jamieson,1884

A Commentary on the Epistle to the Romans Charles Hodge,1880

Holman New Testament Commentary - Romans William M. Kruidenier, Kenneth Boa, 2000-08-15 One in a series of twelve New Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike.

The Power of Hope Deborah L. Roeger, 2023-03-15 When you speak of hope, do you use the world's definition or the biblical meaning? Did you know God designed hope to empower our lives? On what do you base your hope as a Christian? In this second book under the Lost in Translation imprint, Deborah Roeger examines scripture in the light of hope. In doing so, she takes the reader through a meaningful study of all aspects of a Christian's hope. Yet this study is much more than that. As you learn about the truth of biblical hope, you will discover how understanding hope helps you appreciate and apply the teachings of scripture more effectively, both in your life and in the life of your church. There are 21 individual word studies, looking at key words in scripture that relate to hope and its application, along with an appendix explaining how to do word studies. Easy to understand guidance is provided to help avoid common pitfalls and make word studies more effective in your study. This book uses an extensive bibliography and is comprehensively referenced with hundreds of detailed footnotes. The footnotes provide the reader with the opportunity to walk through the steps the author has taken in studying this subject. It's a treasure-trove for modern Bereans who want to search the scriptures every day to see whether these things were true (Acts 17:11). This book is well suited for group study, but can also be read and studied individually. It is a valuable resource for Christian education classes wanting to dig deeper into the subject of biblical hope as it is presented in God's Word.

A Commentary, Critical and Explanatory, on the Old and New Testaments Robert Jamieson, 1871

"A" Commentary, Critical and Explanatory, on the Old and New Testaments: Old Testament. Genesis-Esther
Robert Jamieson, Andrew Robert Fausset, David Brown, 1890

Commentary on the Epistle of Paul, the Apostle, to the Hebrews William Swan Plumer, 1872

Commentary on the Epistle to the Romans, Books 1-5 Origen, 2009-09 Origen of Alexandria's Commentary on the Epistle to the Romans is the oldest extant commentary on Romans (ca. 246). This volume presents the first English translation of the commentary, covering his exegesis of Rom 1:1 to 6:11. One of his longest and most mature works, it is the only commentary of Origen available in a coherent form from beginning to end. The work was originally composed in Greek in Caesarea, but only fragments of the archetype have survived. Fortunately, Origen's admirer Rufinus of Aquileia translated the work into Latin (ca. 406). Origen's exegesis predates the controversy between Augustine and Pelagius by 170 years; thus it offers a striking perspective on Romans. Opposition to Gnostic interpretations of Paul is an important characteristic of the commentary. Above all Origen defends the Church against the doctrine of natures?the belief that all human beings are born with unalterable natures, either good or evil, and thus bound for either salvation or damnation, and that their conduct during this life cannot alter their destiny. Origen successfully refutes this teaching, showing that freedom of will always abides in

rational beings. Provoked by Marcion's repudiation of the Old Testament, Origen emphasizes the harmony between Gospel and Law. He highlights as one of Paul's main themes in Romans the transfer of religion from Judaism to Christianity, from the letter to the spirit, in terms both of salvation history and of the transformation of the individual. Origen claims that the key to unlocking Romans is understanding Paul's use of homonyms?identical expressions such as law, Jew, circumcision, death, etc., with divergent meanings. Books 6-10 of the commentary, presenting Origen's interpretation of Rom 6:12 to 16:27, will be the next volume published in the Fathers of the Church series.
