

Corona De Castilla Y Aragn

Manuel García Fernández

La Corona de Castilla en la Edad Media Enrique Rodríguez-Picavea Matilla, 2001-02-01 Este libro constituye una síntesis divulgativa y actualizada de los rasgos más destacados en la evolución de los diversos territorios que conformaron la Corona de Castilla durante la Edad Media. Naturalmente, el término Corona de Castilla encierra un concepto político que será objeto de estudio desde el siglo VIII hasta el inicio del reinado de los Reyes Católicos. Pero este libro se ocupa también de la evolución social, económica, religiosa, cultural y artística de los hombres que habitaron ese territorio durante los siglos medievales. Una evolución con puntos comunes y particularidades que enriquecen la pluralidad territorial del conjunto de la Corona castellana.

Cisneros, el cardenal de España Joseph Pérez, 2014-02-26 Cisneros, el cardenal de España (1436 - 1517) La biografía de un precursor, del hombre cuyas ideas pudieron cambiar el destino de España. Príncipe de Asturias de Ciencias Sociales 2014 a Joseph Pérez. En 1497 muere el príncipe don Juan, heredero de los Reyes Católicos, lo que da inicio a un conflicto sucesorio en las coronas de Castilla y Aragón que se extenderá durante más de veinte años. Estamos ante una encrucijada decisiva en la historia de España, en una época de transición: es la hora del cardenal Cisneros. Confesor de la reina Isabel desde 1492, arzobispo de Toledo en 1495, inquisidor general de Castilla y cardenal en 1507, ocupó la regencia del reino en dos ocasiones (1506-1507 y 1516-1517). Sin embargo, la figura de Cisneros abarca facetas que van más allá de su labor política. Su ideal renovador le llevó a reformar la Iglesia, al tiempo que su vertiente humanista se plasmó en la fundación de una de las universidades más importantes de su tiempo, la de Alcalá de Henares, y en la creación de la Biblia Políglota Complutense. La detallada investigación del historiador Joseph Pérez atiende a todas estas cuestiones y analiza la figura de Cisneros como hombre fuerte de su tiempo. Aunque no logró imponer sus criterios, dejó un ideal de gobierno que se basaba, por una parte, en el concepto de Estado como servicio público que debe situarse por encima de las facciones y de los partidos, y por otra, en una monarquía nacional en la que prevaleciera la búsqueda del bien común sobre intereses dinásticos o patrimoniales. Esta documentada biografía del «cardenal de España» ofrece una visión novedosa de Cisneros: para su tiempo, fue un visionario, un estadista de la modernidad, quizás el más perspicaz y progresista que tuvo Europa en aquel tiempo. Desgraciadamente para España, su hora llegó tarde. Reseñas: «Ideal para todo lector formado, con ganas de reflexionar. La redacción es perfecta. Las fuentes documentales, la crítica historiográfica y la bibliografía manejadas, rigurosas y excelentes. La edición

es muy cuidada y la posibilidad de comentar las imágenes, un favor al lector. [...] Estamos ante la obra de madurez de un gran historiador, como es Joseph Pérez. Un libro muy recomendable para todos aquellos que estén interesados en este periodo histórico y en esta figura capital de la Historia de España. Puntuación: un 9.» Alfredo Alvar, *La Razón* «Su obra ha supuesto una revolución en la forma de interpretar episodios decisivos para la comprensión de la historia de Occidente y la independencia de Hispanoamérica.» Jurado del Premio Príncipe de Asturias «Las primeras líneas del último libro de Joseph Pérez no ofrecen una lección de Historia, sino de ética.» Teresa Constenla, *El País* «Es singularmente atractiva para el lector la tentación de las hipótesis contractuales que plantea Joseph Pérez al final de su texto respecto a qué hubiera podido pasar si Cisneros hubiese vivido unos años más. Su significado político quedó cortado en 1517 con su muerte y las alternativas que dibujó en su breve gobierno pronto quedaron desbordadas, dejándonos este regusto del imaginario especulativo de la España que pudo ser y que tanto parece agradarle al maestro Joseph Pérez.» Ricardo García Cárcel, *ABC (Cultural)* «El conocido y prestigioso hispanista Joseph Pérez ha podido prescindir de gran parte de los aspectos concretos de su trayectoria vital para centrarse en las cuestiones más relevantes y más debatidas de la obra de personaje, considerado en su doble vertiente de estadista y eclesiástico.» Carlos Martínez Shaw, *Babelia*

Felipe IV y la España de su tiempo Alain Hugon, 2015-04-09 Alain Hugon nos ofrece una visión distinta de la personalidad y el reinado de Felipe IV, el 'Rey Planeta', y de la España que gobernó durante cerca de medio siglo (1621-1665). Huyendo de los tópicos fáciles acerca de la decadencia, el autor trata, por una parte, de descubrirnos la verdad humana de un personaje mucho menos conocido de lo que su fama podría dar a entender, y lo sitúa, por otra, en la España de su tiempo, con sus luces y sus sombras. Hugon no sólo nos recuerda que no todo fueron derrotas, sino que nos ofrece una nueva valoración de la trascendencia que tuvo un florecimiento cultural que ejerció una marcada influencia en la Europa del siglo XVII, del 'siglo de Velázquez', un personaje que acompaña en estas páginas la vida de Felipe IV, de principio a fin.

La América colonial, 1492-1763 Pedro Pérez Herrero, 2002 Es evidente que aspiramos a crear sociedades más justas, debemos analizar con detenimiento las formas del ejercicio del poder, lo cual supone estudiar los procesos históricos que las crearon. Para el caso de América Latina, ello nos lleva inevitablemente al análisis de las sociedades del Antiguo Régimen y,

de forma particular, al estudio de los siglos XVI y XVII. La investigación de las sociedades estamentales coloniales -- en las que la desigualdad y las relaciones de poder personales eran los elementos principales del sistema sociopolítico -- es un requisito indispensable para imaginar cuáles pueden ser las estrategias necesarias para alcanzar el tan ansiado desarrollo político, en virtud del cual la toma de decisiones se realice mediante las instituciones en favor de toda la ciudadanía y no por las voluntades individuales y con fines particulares. Sólo así lograremos alejar los fantasmas de ciertos populismos que prometen, como cantos de sirena, soluciones redentoras mágicas en los momentos de crisis.--Publisher website.

LA IGLESIA EN AMÉRICA LATINA José Uriel Patiño Franco,2002

Diccionario de historia moderna de España: La administración Enrique Martínez Ruiz,1998-01-01 Las voces recogidas en este volumen ofrecen una detallada explicación de cargos, instituciones -locales, provinciales o estatales- y conceptos relacionados, introduciendo al lector en el complejo y heterogéneo mundo de las administraciones hispanas de la Edad Moderna, desde las instituciones heredadas de la Baja Edad Media hasta las nacidas con la llegada de los Borbones y los Decretos de Nueva Planta, pasando por las reformas y organismos de la época de los Austrias. Práctico e ilustrativo tanto para estudiantes como para profesionales de las humanidades, el presente diccionario, digno sucesor del elogiado volumen dedicado a la Iglesia (Istmo, 1998), reúne las aportaciones de un nutrido grupo de especialistas en Historia e Historia del Derecho dirigido por Enrique Martínez Ruiz, catedrático de Historia moderna de la Universidad Complutense de Madrid. Nos hallamos, pues, ante un instrumento indispensable para conocer y comprender la historia española de la modernidad y su legado actual.

El rey don Pedro I y su tiempo (1350-1369) Manuel García Fernández,2016 Este libro misceláneo integra un conjunto de variados estudios sobre el rey don Pedro I de Castilla y León y su época (1350-1369) con motivo del DCL aniversario de la construcción de la célebre fachada mudéjar del Alcázar de la ciudad de Sevilla. Don Pedro I, monarca singular y extraordinario, ha pasado a la Historia de España fundamentalmente por su condición de Cruel, según la historiografía de tradición trastámara, y también como Justiciero, por la cronística áulica más moderna y reciente. Pero don Pedro I fue siempre y ante todo un monarca de su tiempo; ni más violento ni más ecuaníme que otros reyes peninsulares contemporáneos de mediados de la decimocuarta centuria. Componen esta obra un conjunto de trabajos inéditos que apelan todos al siglo XIV castellano y europeo como marco referencial de sus contenidos fundamentales. Y lógicamente al rey Pedro I como protagonista destacado de la reconstrucción histórica que se yergue sobre los diferentes capítulos dando unidad al argumento: el monarca y su actuación ante la sociedad política castellana, la crisis social y económica, las dificultades con la

nobleza, el mito del tradicional filojudaísmo de la corona, la iglesia y la religiosidad del rey y de su tiempo, la memoria cronística de López de Ayala, la iconografía del monarca y especialmente el Alcázar del rey don Pedro de Sevilla, primer palacio oficial y residencial de un rey castellano en Andalucía que no estaba protegido tras los muros y las defensas de una fortaleza; y que constituye aun hoy un símbolo universal del mudéjarismo sevillano. -- Editorial Universidad de Sevilla.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Corona De Castilla Y Aragn full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Corona

De Castilla Y Aragn eBooks, including some popular titles.

FAQs About Corona De Castilla Y Aragn Books

What is a Corona De Castilla Y Aragn PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Corona De Castilla Y Aragn PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Corona De Castilla Y Aragn PDF?** Editing a PDF can be

done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Corona De Castilla Y Aragn PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Corona De Castilla Y Aragn PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows

splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
