

Example Of Pun In Romeo And Juliet

William Shakespeare

Not Shakespeare Richard W. Schoch, 2002-01-03 Burlesque has been a powerful and enduring weapon in the critique of 'legitimate' Shakespearean culture by a seemingly 'illegitimate' popular culture. This was true most of all in the nineteenth century. From Hamlet Travestie (1810) to Rosencrantz and Guildenstern (1891), Shakespeare burlesques were a vibrant, yet controversial form of popular performance: vibrant because of their exuberant humour; controversial because they imperilled Shakespeare's iconic status. Richard Schoch, in this study of nineteenth-century Shakespeare burlesques, explores the paradox that plays which are manifestly 'not Shakespeare' purport to be the most genuinely Shakespearean of all. Bringing together archival research, rare photographs and illustrations, close readings of burlesque scripts, and an awareness of theatrical, literary and cultural contexts, Schoch changes the way we think about Shakespeare's theatrical legacy and nineteenth-century popular culture. His lively and wide-ranging book will appeal to scholars and students of Shakespeare in performance, theatre history and Victorian studies.

A Dictionary of Literary Terms and Literary Theory J. A. Cuddon, 2012-11-07 With new entries and sensitive edits, this fifth edition places J.A. Cuddon's indispensable dictionary firmly in the 21st Century. Written in a clear and highly readable style Comprehensive historical coverage extending from ancient times to the present day Broad intellectual and cultural range Expands on the previous edition to incorporate the most recent literary terminology New material is particularly focused in areas such as gender studies and queer theory, post-colonial theory, post-structuralism, post-modernism, narrative theory, and cultural studies. Existing entries have been edited to ensure that topics receive balanced treatment

King Lear William Shakespeare, 2015-10-20 The authoritative edition of King Lear from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers. Shakespeare's King Lear challenges us with the magnitude, intensity, and sheer duration of the pain that it represents. Its figures harden their hearts, engage in violence, or try to alleviate the suffering of others. Lear himself rages until his sanity cracks. What, then, keeps bringing us back to King Lear? For all the force of its language, King Lear is almost equally powerful when translated, suggesting that it is the story, in large part, that draws us to the play. The play tells us about families struggling between greed and cruelty, on the one hand, and support and consolation, on the other. Emotions are extreme, magnified to gigantic proportions. We also

see old age portrayed in all its vulnerability, pride, and, perhaps, wisdom—one reason this most devastating of Shakespeare's tragedies is also perhaps his most moving. This edition includes: -Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An annotated guide to further reading Essay by Susan Snyder The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

Othello William Shakespeare,1999 One of Shakespeare's finest works is available in a new edition, based on the best early printed version of the play. This new edition of *Othello* reflects the latest scholarship and includes information on Shakespeare's life, explanatory notes, and a Modern Perspective section. Illustrated.

The Southern Review ,1935

Nikolai Gogol and the Baroque Cultural Heritage Gavriel Shapiro,1993 Nikolai Gogol and the Baroque Cultural Heritage considers Gogol's entire oeuvre, including his letters, notebooks, and drawings, as well as all relevant secondary literature, and exhaustively examines sources of Baroque influence on him, tracing them back to the oeuvre itself. This study draws on the most recent achievements of interdisciplinary scholarship, paying special attention to the interaction of the visual and the verbal and of high and popular cultural strata, so characteristic of the Baroque and at the same time so important to the understanding of Gogol's poetics. --From publisher's description.
