Robert J. Myles

The Nephilim's Revenge Michael Lindsay,2020-12-14 Michael Lindsay wrote this murder mystery coming directly from his forty-plus years of forensic experience as a police officer, crime scene specialist, investigator, and academy crime scene instructor. More than being just a technically correct police story, this saga intertwines Mike's passions for the Wild West and the cowboy life; his awe of the few remaining wilderness areas; his interest in the many legends of the Superstition Mountains of Arizona; and his extensive studies of end-time Bible prophecy, occult manifestations, and UFOs. One would think that these diverse subjects will not be part of a real-world story, but many surprising revelations are exposed in this implicative but accurate account. In fact, this deep whodunit mystery is actually solved by looking closely at the epic conflict of good versus evil through uncovering several ancient end-time prophecies. Readers will be surprised to find that by the end of this deceit-filled tale of treachery, they will have a real hands-on understanding of the end-time prophecy that will enable them to read and comprehend many prophetic Bible passages that pastors today refuse to teach and that they, quite honestly, do not really understand. This mystery story, coupled with Mike's first book on prophecy, *The Town Crier: Two Months to Prophetic Literacy (A Guide to Saving America-One Prophecy at A Time)*, will bring readers to a level of prophetic understanding far beyond what most priests and pastors possess today.

Magicians of the Gods Graham Hancock, 2015-09-10 *Ten-year anniversary edition with new introduction from the author* Star Reader Reviews - ★★★★★ Captivating, necessary and enlightening. ★★★★★ Essential. Wonderfully researched. ★★★★★ This book is as good, if not better, than *Fingerprints of the Gods*. ★★★★★ Read this book. Change your perspective. Graham Hancock - star of Netflix's *ANCIENT APOCALYPSE* - is author of the global bestseller *Fingerprints of the Gods*. A book which remains an astonishing, deeply controversial, wide-ranging investigation of the mysteries of our past and the evidence for Earth's lost civilization. *Magicians of the Gods*, the sequel to his seminal work, explores how, at the end of the last ice age, fragments from a giant comet caused a global cataclysm, on a scale unseen since the extinction of the dinosaurs, wiping out an advanced civilization from the earth. Making us a species with amnesia, forced to begin again like children with no memory of what went before. This book is filled with completely new evidence, new travels to the world's most

mysterious archaeological sites, new insights based on the latest scientific evidence. The impacts, from the comet fragments (a mile wide approaching at more than 60,000 miles an hour) generated huge amounts of heat which instantly liquidized millions of square kilometers of ice, destabilizing the Earth's crust and causing the global deluge that is remembered in myths all around the world. A second series of impacts, equally devastating, causing further cataclysmic flooding, occurred 11,600 years ago, the exact date that Plato gives for the destruction and submergence of Atlantis. But there were survivors - known to later cultures by names such as 'the Sages', 'the Magicians', 'the Shining Ones', and 'the Mystery Teachers of Heaven'. They travelled the world in their great ships doing all in their power to keep the spark of civilization burning, settling at key locations: Gobekli Tepe in Turkey, Baalbek in the Lebanon, Giza in Egypt, ancient Sumer, Mexico, Peru and across the Pacific. Everywhere they went these 'Magicians of the Gods' brought with them the memory of a time when mankind had fallen out of harmony with the universe and paid a heavy price. A memory and a warning to the future... For the comet that wrought such destruction may not be done with us yet. Astronomers believe that a 20-mile wide 'dark' fragment of the original giant comet remains hidden within its debris stream and threatens the Earth. An astronomical message encoded at Gobekli Tepe, and in the Sphinx and the pyramids of Egypt, warns that the 'Great Return' will occur in our time...

Class Struggle in the New Testament Robert J. Myles, 2018-12-31 *Class Struggle in the New Testament* engages the political and economic realities of the first century to unmask the mediation of class through several New Testament texts and traditions. Essays span a range of subfields, presenting class struggle as the motor force of history by responding to recent debates, historical data, and new evidence on the political-economic world of Jesus, Paul, and the Gospels. Chapters address collective struggles in the Gospels; the Roman military and class; the usefulness of categories like peasant, retainer, and middling groups for understanding the world of Jesus; the class basis behind the origin of archangels; the Gospels as products of elite culture; the implication of capitalist ideology upon biblical interpretation; and the New Testament's use of slavery metaphors, populist features, and gifting practices. This book will become a definitive reference point for future discussion.

Nephilim's Rise Joseph Nassise, 2021-05-04 From out of the darkness comes a light... For five long years the Adversary and his infernal allies have ruled the earth, herding mankind into demon-controlled enclaves and hunting those that remain near to extinction. The Templars, a mere shadow of their once-powerful organization have continued to fight against overwhelming odds, but for many hope and a belief in a human victory are things of the past. Then, from the depths of the Beyond, a pair of legends emerge. The return of Cade Williams and his beloved wife, Gabrielle, a mighty warrior in her own right, galvanize the Templars. The Heretic's presence lights a fire in their souls and a flame in their hearts. Now, they prepare for their greatest challenge yet. It is time to reclaim what was thought lost. It is time, at long last, to take the battle to the enemy. The spellbinding Templar Chronicles urban fantasy series continues!

A Better Country Martha C. Sammons,1988-02-24 This book is a study of religious science fiction and fantasy in the tradition of Lewis and Tolkien. Sammons explores why writers use fantasy to convey theology. In addition, the book provides a theoretical understanding of fantasy as a form of literature by examining the techniques of current writers in light of the goals and theories of the founders of the genre. Sammons discusses techniques such as supposition, transposition, imagery, and reader participation, along with the themes and ideas they convey. The author traces the chronological development of the genre and the characteristics and effects of religious fantasy with a wealth of examples.

The Crossing Point August Arrea,2021-08-18 It's hard enough for a teenager to navigate through his high school years without having to deal with a sudden, unexpected physical change, like say, two pronounced humps protruding from one's upper back. Now, imagine finding out such an oddity wasn't just some cruel courtesy of nature, but actually a pair of wings

growing just beneath the skin. For Jacob Parrish, this is only the beginning of a sequence of events he suddenly faces after the death of his beloved mother, and he is visited by a mysterious visitor clad in a long, dark overcoat with eyes the color of two golden suns, who not only reveals himself to be an angel (and a fallen one at that), but informs the boy that he is the son of an angel. Naturally, the revelation is met with disbelief until his grandmother reluctantly brings forth a box, secreted away inside an old trunk, that holds the unbelievable truth long kept from Jacob - that he is indeed, a Nephilim. So begins Jacob's astonishing journey as he embarks on an incredibly perilous adventure with the mysterious Gotham as his guide. Traveling to the other side of the world, a Gate, hidden in the shadows of an ancient Turkish church, leads the way to a mystical world, where Jacob discovers a treasure trove of abilities he never knew he possessed. While struggling to find the answer to a question purposefully kept from him that has plagued him since he was a small boy, he discovers his birthright and an unforeseen destiny that will change our world.

Nephilim Push Brian Holtz, 2008-02 There is an artifact that has been charged with an ancient energy. It was created three thousand years ago, when giants walked the earth. Its magic allows the user to travel out of body. Jack is about to embark on an adventure he'll never forget. The spiritual universe will show him things the living have never seen. Of all he will learn, one thing will become dangerously clear. Truth comes with a price. Jack's astral fantasy is about to become deadly. Not only for him, but for all of existence. Once the nightmare begins, nothing can stop it. It's an evil that does worse than kill you. It consumes your very soul...
