**Immortality: A Love Story** Dana Schwartz, 2023-02-28 \*INSTANT #1 NEW YORK TIMES BESTSELLER\* \*INSTANT #1 INDIE BESTSELLER\* *Immortality: A Love Story* is the eagerly-anticipated sequel to Dana Schwartz's #1 bestselling gothic romance, *Anatomy: A Love Story*. Schwartz continues to seamlessly blend fiction with historical events, creating a richly detailed and engaging look at life in Regency London...the central mystery is intriguing and fun, with a delightful historical who's who in the form of a secret society. —School Library Journal, starred review Accomplished prose —Kirkus Hazel Sinnett is alone and half-convinced the events of the year before—the immortality, Beecham's vial—were a figment of her imagination. She doesn't even know if Jack is alive or dead. All she can really do now is treat patients and maintain Hawthornden Castle as it starts to decay around her. When saving a life leads to her arrest, Hazel seems doomed to rot in prison until a message intervenes: Hazel has been specifically requested to be the personal physician of Princess Charlotte, the sickly granddaughter of King George III. Soon Hazel is pulled into the glamor and romance of a court where everyone has something to hide, especially the enigmatic, brilliant members of a social club known as the Companions to the Death. As Hazel's work entangles her more and more with the British court, she realizes that her own future as a surgeon isn't the only thing at stake. Malicious forces are at work in the monarchy, and Hazel may be the only one capable of setting things right.

*Endless Life Unseen Immortality Redefined* Azhar ul Haque Sario, 2024-10-13 What if the dream of living forever is more of a curse than a blessing? *Endless Life Unseen: Immortality Redefined* explores this very question, diving deep into the paradoxes and dilemmas that immortality presents. From the seductive allure of eternal youth to the crushing burden of never-ending existence, this book peels back the layers of what it truly means to live forever. It challenges the reader to consider whether immortality would enhance our lives or strip away the very things that make life meaningful—our purpose, our relationships, and our understanding of self. As you journey through each chapter, you'll confront the moral and philosophical implications of an endless life. The book delves into the ethics of eternal life, the search for meaning in a world without death, and the potential corruption of power when it's unchecked by the natural end of life. It also explores the psychological and emotional toll of immortality, such as the isolation of an immortal mind and the struggle to maintain one's

identity over countless lifetimes. These themes are examined not just as abstract ideas, but through the lens of deeply human experiences—love, loss, redemption, and the inevitable passage of time. In the end, *Endless Life Unseen: Immortality Redefined* is a profound meditation on what it means to be human. It invites readers to rethink their desires and fears surrounding death and immortality, offering a thought-provoking perspective on the value of mortality. Through its rich exploration of the human condition, this book raises essential questions about life, death, and the pursuit of a meaningful existence, challenging us to consider whether the quest for eternal life is worth the cost.

Paz Dario stays up every night, waiting for the Death-Cast call that would mean he doesn't have to keep faking his way through this lonely life. After a devastating day, Paz decides he's done waiting around for Death-Cast. If they say he's not dying, he'll just have to prove them wrong. But right before Paz can die, a boy saves his life. Alano Rosa is heir to the Death-Cast empire that encourages everyone to live their best lives, but he doesn't feel in control of

his own existence thanks to his father. And with a violent organization called the Death Guard threatening Alano, his End Day might be closer than he thinks. It's time to live. Fate brings Paz and Alano together, but it's now up to the boys to survive the tragic trials ahead so no one dies at the end. This book contains themes that some readers may find difficult.

*Indian Antiquary* ,1928 At a time when each Society had its own medium of propagation of its researches ... in the form of Transactions, Proceedings, Journals, etc., a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects. [This] encouraged Jas Burgess to launch the 'Indian antiquary' in 1872. The scope ... was in his own words 'as wide as possible' incorporating manners and customs, arts, mythology, feasts, festivals and rites, antiquities and the history of India ... Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West ... 'Indian antiquary' also dealt with local legends, folklore, proverbs, etc. In short 'Indian antiquary' was ... entirely devoted to the study of MAN - the Indian - in all spheres ...--Introduction to facsimile volumes, published 1985

**The Taker** Alma Katsu,2011-09-06 From the author of *The Hunger*—hailed by Stephen King as “deeply, deeply disturbing, hard to put down”—comes a hauntingly atmospheric tale filled with alchemy, lust, and betrayal. True love can last an eternity...but immortality comes at a price. On the midnight shift at a hospital in rural Maine, Dr. Luke Findley is expecting another quiet evening of frostbite and the occasional domestic dispute. But the minute Lanore McIlvrae—Lanny—enters his ER, she changes his life forever. A mysterious woman with plenty of dark secrets, Lanny is unlike anyone Luke has ever met. He is inexplicably drawn to her...despite the fact that she is a murder suspect with a police escort. As she begins to tell her story, Luke finds himself utterly captivated. Her impassioned account begins at the turn of the 19th century in the same small town of St. Andrew, Maine, back when it was a Puritan settlement. Consumed as a child by her love for the founder's son, Jonathan, Lanny will do anything to be with him. But the price she pays is steep—an immortal bond that chains her to a terrible fate for all eternity. And now, two centuries later, the key to her healing and her salvation lies with Dr. Luke Findley. Part historical novel, part supernatural page-turner, *The Taker* is a “mesmerizing” (Booklist, starred review) story about the power of unrequited love not only to elevate and sustain, but also to blind and ultimately destroy.
