Mathilda Brandt is one of the Empowered: men and women who possess extraordinary abilities that set them apart from the rest of humanity. The rare few who do become Empowered face a stark choice. Mathilda rejected that choice and went rogue, joining a hidden community of other rogue Empowered. Captured by the authorities, she was sent to prison. Five years later, she's been paroled from Special Corrections and just wants to live a normal life. Only the world won't let her. To save her family, she joins a secretive government agency, with orders to infiltrate the world's most notorious rogue Empowered group.
