Dr. Malachi's Prescription for the U.S. James Tarter,2015-11-27 In this book we see how Malachi describes the spiritual illness in the U.S. and certain other materially developed nations today. The symptoms reveal their obvious cause. Malachi goes further to reveal the often unseen source of the obvious cause. This is like the unseen flu virus or malaria parasite causing an illness, which can be an obvious cause of chills, fever, muscle aches, and more. Malachi establishes all of this for the spiritual illness today, and then shows God's cure for this otherwise incurable spiritual illness. Malachi also shows what God's people need to do to move into and become a part of His cure for these nations.

MOUNT ZION How to Get There and What to Do James Tarter,2007-03-23 This Mt. Zion is the one in Hebrews 12:22-24, which is also called the Holy of Holies in heaven and the Lord's holy throne room. This book shows how the whole book of Hebrews is really a brief exhortation for believers in Jesus Christ to draw near to God in the Holy of Holies in heaven through our great High Priest, Jesus. The Bible shows that God imparts true life to His people there as we come intimately before Him. We can also see how God allows and equips His people to participate in His government of all the earth. It becomes clear that God's people -- Christians -- have missed taking full advantage of His great provision for us to draw near to Him through Jesus. Therefore we have seen a resulting loss of good fruit in our lives and throughout the earth. But by understanding what God provides for us in Jesus and in Mt. Zion -- the Lord's holy throne room -- we can see what we can do, so that we shall provide much more true life on earth by faith and God's power.

SERVANT LEADERSHIP: Leading with Unselfish Authority James Tarter,2013-08-02 Jesus introduced the idea of servant leadership and showed us how to do it. God requires leaders in His Kingdom to lead in this way so that every one of His children can have his or her true needs met. This is true on earth, but a shortage of servant leadership works against the total fulfillment of His loving design for mankind. This will be fulfilled far better in the great eternity that He provides His children. He works to prepare His children now for our life in eternity by teaching our hearts to love, lead, and relate to each other like He does. The Bible shows God's calling for servant leadership in His Church and in the family. We can also see its application to local and national governments wherever the Gospel has impacted these governments enough to change them

from their natural way to do things. This book shows how the Bible clearly shows all of the above conclusions.
