Laura Dekker

[A Daughter's Secret](#) Jacqueline McDonald, 2018-06-27 An innocent online DNA test releases fifty years of hidden and long-buried secrets. Her husband takes an online DNA test to help in building his family tree and research his ancestry. His wife is somewhat amused by it and doesn't have much interest in it because she knows her heritage. After a few weeks, his DNA results come back. Happy times for him! During a visit to the in-laws, her husband tells his sister and his family all about his results. His sister Joyce is so excited about hearing their origins. She starts dancing around, doing a dance that she believes would have been done there. Everyone is laughing and having fun. This sort of piques her interest, and after returning home from a three-hour drive, she says to her husband, You know, I think I want to do the DNA test. He is surprised by this, looks at her, and for no particular reason says, You sure you really want to do this? She replies, Yes, I know my nationalities but want to know how much of each. Weeks later, her results come back-not exactly what she expected. Actually, it's a little surprising. Over the next few months, she learns that for fifty plus years she has been holding a secret.

In a Heartbeat Dominic Murgido, 2022-04-19 *In a Heartbeat* documents a tale of a grief journey like no other concerning the fatal vehicular accident that took the life of a mother and wife while she was on her way to work to the horror, challenges, and thoughts experienced by her husband as he navigated through his new life without her. This sudden unexpected death of his spouse caused by a distracted driver shocked family, friends, and the community to the core. Follow his path of uncertainty as the author begins to cope with the loss of his soul mate through time and ask questions that there are no answers to. *In a Heartbeat* follows a grief time line through heartache and sorrow that began more than a decade ago. The author discusses topics that include choices, risks, regrets, triggers, signs, and resilience. He also provides insight through the sharing of actual entries from his personal journal while experiencing the grieving process. *In a Heartbeat* details the companionship and support of his wife's dog, Hal, that comforted and consoled him throughout his life without her. After years of therapy, support groups, and multiple moves, the author was grateful that Hal was present to help him through choices made and risks taken in an attempt to move forward. As time moved on, another painful loss plummets him into a downward spiral of rekindling grief. The author begins a second grief journey requiring additional help and support to pull him through this new reality that he must acknowledge and accept as he continues on with his life. *In a Heartbeat*: A

Tale of Reflection, Faith, Hope, and Resilience explains the adversity one man faced after losing the love of his life. Relying on faith and hope, he is guided toward survival through self-discovery. While praying and hoping for a positive life change, the author searches for comfort, peace, and grace in his new beginning of life's journey and realizes that the only way to move forward was through prayer, forgiveness, and helping others.

One Girl One Dream Laura Dekker,2014-11-01 The amazing autobiographical account of the youngest ever solo circumnavigation of the Earth. First time in English! If you want to see the other side of the world, you can do two things: turn the world upside down, or travel there yourself. In 2012, at the age of just 16, Laura Dekker became the youngest sailor ever to single-handedly circumnavigate the globe. In realising her long-held dream, she had not only braved the wild oceans and long weeks of solitude at sea, but also the doubts and sometimes hostile resistance of officials. In this remarkable account of her incredible journey - for the first time in English - Laura describes in her own words what it is like to sail solo around the world, and the determination it takes to do it at such a young age. Exciting, awe-inspiring and inspirational, this is a real-life adventure for readers of all ages.
