Unmerited Favor Phd Grace Lajoy Henderson,2013-11-01 Sometimes a positive word is all we need to get over a difficult moment. UNMERITED FAVOR offers inspiration and encouragement to those looking for an uplifting word during a down or lonely time. The quotes in this book will also make great conversation starters or ice-breakers at your next gathering. Vera A. McKissic, Cornerstone Church, Arlington, Texas

The New Black Gods Edward E. Curtis IV,Danielle Brune Sigler,2009-04-23 Taking the influential work of Arthur Huff Fauset as a starting point to break down the false dichotomy that exists between mainstream and marginal, a new generation of scholars offers fresh ideas for understanding the religious expressions of African Americans in the United States. Fauset's 1944 classic, *Black Gods of the Metropolis*, launched original methods and theories for thinking about African American religions as modern, cosmopolitan, and democratic. The essays in this collection show the diversity of African American religion in the wake of the Great Migration and consider the full field of African American religion from Pentecostalism to Black Judaism, Black Islam, and Father Divine's Peace Mission Movement. As a whole, they create a dynamic, humanistic, and thoroughly interdisciplinary understanding of African American religious history and life. This book is essential reading for anyone who studies the African American experience.

Robert Jamieson, Andrew Robert Fausset, David Brown, 1890

When Life is Hard James MacDonald, 2010-01-01 When life is hard, really hard, we often spend all our time pleading, begging, yelling, refusing, and questioning. While none of these things are necessarily unusual, they are missing the ultimate point. When life is hard, when things get ugly, when all hope seems to be lost... that is when we are able to display the superiority of the life lived in God. It is in those moments of despair, when we question what is happening, when we don't know what to do, when some trials never seem to end, that we can lean most heavily on God's promises and truths. Working his way through five questions we've all had run through our heads, trusted pastor James MacDonald helps us understand what we should do now. We begin the journey by looking at different types of trials, figuring out exactly what we're dealing with, and recognizing that God certainly knows. Second, the obvious question: Why? God sees us going through trials and we long for two things: for them to be over and to know why they happened in the first place. Next, we need to know what to do with these trials when they come (and they will most certainly come). Fourth, we have all wondered it, can trials be refused? Are God's purposes really being fulfilled in the midst of this trying time? And lastly, God reveals Himself to us through these trials. . . and sometimes, they just don't ever end. Why doesn't this trial go away? God told us to expect trials—don't be surprised when they come. Grow when they come. Find hope when they come.

God is Always Bigger John P. Bowen, 2021-01-05 For forty years, John Bowen has been a popular speaker, teacher, and preacher on university campuses, in churches and in classrooms, and at conferences across Canada. This book brings together forty of his best sermons, talks, and articles. You will be encouraged and you will be challenged. You will laugh and cry, think and pray--sometimes all at the same time. The topics are wildly various: The Spiritual Quality of Craziness, Vacuum Cleaner Church, The Vocation of a Garbage Collector, Spirituality in my Sixties, What's Wrong with Amazing Grace? and Strong and Weak (a reflection on his bypass surgery in 2017). The audiences are as varied as the subjects: a conference of Christians in science, the visit of the Archbishop of Canterbury to Wycliffe College, a camp reunion, a diocesan conference, a church planting conference, his mother's funeral, and (not least) his own parish church in Hamilton, Ontario. This is a book to dip into or to read from cover to cover. You will not be disappointed.
