Official Workbook: Read People like a Book Patrick King,2023-03-03 NOTE: This is the official workbook for Patrick King's book, Read People Like a Book. This does NOT include the original book, and this is the ONLY official version put out by the author. Speed read people, decipher body language, detect lies, and understand human nature. Is it possible to analyze people without them saying a word? Yes, it is. Learn how to become a “mind reader” and forge deep connections. How to get inside people’s heads without them knowing. Read People Like a Book isn’t a normal book on body language of facial expressions. Yes, it includes all of those things, as well as new techniques on how to truly detect lies in your everyday life, but this book is more about understanding human psychology and nature. We are who we are because of our experiences and pasts, and this guides our habits and behaviors more than anything else. Parts of this book read like the most interesting and applicable psychology textbook you’ve ever read. Take a look inside yourself and others! Understand the subtle signals that you are sending out and increase your emotional intelligence. Patrick King is an internationally bestselling author and social skills coach. His writing draws of a variety of sources, from scientific research, academic experience, coaching, and real life experience. Learn the keys to influencing and persuading others. •What people’s limbs can tell us about their emotions. •Why lie detecting isn’t so reliable when ignoring context. •Diagnosing personality as a means to understanding motivation. •Deducing the most with the least amount of information. •Exactly the kinds of eye contact to use and avoid Find shortcuts to connect quickly and deeply with strangers. The art of reading and analyzing people is truly the art of understanding human nature. Consider it like a cheat code that will allow you to see through people’s actions and words. Decode people’s thoughts and intentions, and you can go in any direction you want with them.

How to Read People Like a Book James W Williams, 2020-03-17 Do you want to learn how to read people? Do you want to walk into a room and instantly have a good idea of what the people around you are really thinking? James has always been captivated with body language and how it affected communication. Shows like CSI or The Mentalist or Lie to Me have always fascinated him because these shows talk about body language, how people communicate verbally, and how knowledge of these things can lead to having a slight edge in life. You will understand how unconscious decisions of people turn into conscious predictions and conclusions by people who know exactly what to look for. It's easier than you think, and it is definitely fascinating. In How to Read People Like a Book we will go deep into exploring body language not just to understand people - but to also connect with them. After all, why do we find the need to interpret and understand what people say and do? Because we want to connect with them, create relationships, and be part of a community. How to Read People Like a Book will teach you to better understand people through verbal and non-verbal reading skills, thereby allowing you to better function as a part of a growing community. Here are some of the things you will discover: How exactly will reading body language help you, and how accurate is it really - The myths and facts so you'll know exactly what to look for going in. The different personality types and how they affect behavior - Not everyone has the same mannerisms, gestures, and characteristics when outside. You will become aware of the existence of these different personality types in order to adjust to their various temperaments. The differences between an extrovert and an introvert - The basic personality characterizations that you need to know about and will predict how you can best communicate with these people. The different communication styles and what should you be using in different settings - Remember, you always want to create just the right amount of impression when meeting someone, whether new or old. The secret factors that motivates people into doing things - This small, unseen and unfelt motivation is the primary moving factor for people's behaviors. If you can decipher that, then you can figure out the messages their behaviors are trying to tell you. Verbal communication and how to dig deeper or read between the lines. The art of thin-slicing - Allowing you to make accurate judgments based only on thin slices of a pie. Exploring YOUR personality and how YOU, uniquely, can make connections with people and forge relationships without veering away from who you really are. And much more... Being connected with people and forging strong friendships is one of the hallmarks of a successful life. This book will show you how to be able to grab life by the horns and achieve your full potential when it comes to people - forging friendships and social ties that will last for a life-time! So if you're ready, click Buy now and learn how YOU can read people like a book too!
