Mystery Movie Series of 1930s Hollywood Ron Backer,2012-08-01 This companion volume to Mystery Movie Series of 1940s Hollywood (McFarland, 2010) focuses on 22 series and 167 individual films, primarily released during the 1930s. It was a decade that featured some of the most famous cinema detectives of all time, among them Charlie Chan, Nick and Nora Charles, Philo Vance, Nancy Drew, and such lesser known but equally entertaining figures as Hildegard Withers, Torchy Blane, Mr. Moto, Mr. Wong, and Brass Bancroft. Each mystery movie series is placed within its historical context, with emphasis on its source material and the changes or developments within the series over time. Also included are reviews of all the series' films, analyzing the quality and cohesiveness of the mystery plotlines. For titles based on literary sources, a comparison between the film and the written work is provided.

Mystery Classics on Film Ron Miller,2017-02-20 Watching the screen version of a classic mystery novel can be disappointing. By necessity or artistic license (or possibly just ego) changes are often made by the filmmakers--many of them

ineffective or even detrimental. This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story. Interviews with several famous mystery writers are included, with their comments on how filmmakers treated their work.

American Literature on Stage and Screen Thomas S. Hischak, 2014-01-10 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F. Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined.

The Winning of Barbara Worth Harold Bell Wright, 1911 The secret of [Harold Bell Wright's] power is the same God-given secret that inspired Shakespeare and upheld Dickens. -Philadelphia Sunday Dispatch It is this almost clairvoyant power of reading the human soul that has made Mr. Wright's books among the most remarkable works of the present age. -Oregon Journal The eastern plains of Colorado hold many secrets, including the origin of an orphaned four-year-old girl found near her dead mother by five weary travelers. One of the five, financier Jefferson Worth, decides to adopt the girl, who calls herself Barba, and his life will never be the same. The fates of Barbara and the plains are inextricably linked, and in turn, they profoundly alter the destinies of all the men, especially that of Jefferson Worth. The once cold and calculating businessman sees himself through the eyes of his adopted daughter--and has an epiphany in which he realizes his position and obligations in life. Originally published in 1911, with a first printing of 175,000 copies, this moral fable of the ministry of capital remains extremely relevant.
