

The Sweet Spot Amy Poeppel

Lauren Kung Jessen

The Sweet Spot Amy Poeppel, 2023-01-31 Amy Poeppel brings her signature “big-hearted, charming” (The Washington Post) style to this wise and joyful novel that celebrates love, hate, and all of the glorious absurdity in between. In the heart of Greenwich Village, three women form an accidental sorority when a baby—belonging to exactly none of them—lands on their collective doorstep. Lauren and her family—lucky bastards—have been granted the use of a spectacular brownstone, teeming with history and dizzyingly unattractive 70s wallpaper. Adding to the home’s bohemian, grungy splendor is the bar occupying the basement, a (mostly) beloved dive called The Sweet Spot. Within days of moving in, Lauren discovers that she has already made an enemy in the neighborhood by inadvertently sparking the divorce of a couple she has never actually met. Melinda’s husband of thirty years has dumped her for a young celebrity entrepreneur named Felicity, and, to Melinda’s horror, the lovebirds are soon to become parents. In her incandescent rage, Melinda wreaks havoc wherever she can, including in Felicity’s Soho boutique, where she has a fit of epic proportions, which happens to be caught on film. Olivia—the industrious twenty-something behind the counter, who has big dreams and bigger debt—gets caught in the crossfire. In an effort to diffuse Melinda’s temper, Olivia has a tantrum of her own and gets unceremoniously canned, thanks to TikTok. When Melinda’s ex follows his lover across the country, leaving their squalling baby behind, the three women rise to the occasion in order to forgive, to forget, to Ferberize, and to track down the wayward parents. But can their little village find a way toward the happily ever afters they all desire? Welcome to The Sweet Spot.

Far and Away Amy Poeppel, 2025-06-10 Perfect strangers Lucy and Greta have agreed to a house swap...Trading Southern charm and barbecue for European sophistication and schnitzel, the two women get a lot more than a change of scenery as they move into each other's houses, neighborhoods, and lives...When Greta's biggest career achievement--the buzzworthy purchase of a Vermeer at auction--is thrown into question and Lucy's past with a hot Viking named Bjørn invades her present, the two women need each other in ways they never could have imagined. Through jet lag, culture shock, suspiciously nice neighbors, and scandals that refuse to be left behind, Lucy and Greta will have to decide if they can ever go home again--

Small Admissions Amy Poeppel, 2017-07-11 Kate is a young woman who is unexpectedly thrust into the cutthroat world of New York City private school admissions as she attempts to understand city life, human nature, and falling in love--

Limelight Amy Poeppel, 2018-05-01 In a smart and funny novel by the award-winning author of the critically acclaimed “big-hearted, charming” (The Washington Post) *Small Admissions*, a family’s move to New York City brings surprises and humor. Allison Brinkley—wife, mother, and former unflappable optimist—discovers that her decision to pack up and move her family from suburban Dallas to the glittery chaos of Manhattan may have been more complicated than she and her husband initially thought. New York is more unruly and bewildering than she expected, defying the notions she developed from romantic movies and a memorable childhood visit. After a humiliating call from the principal’s office and the loss of the job she was counting on, Allison begins to accept that New York may not suit her after all. When she has a fender-bender, witnessed by a flock of mothers at her son’s new school, she is led to the penthouse apartment of a luxurious Central Park West building and encounters a spoiled, hungover, unsupervised teenager who looks familiar. It doesn’t take long to recognize him as Carter Reid—a famous pop star who has been cast in a new Broadway musical. Through this brush with stardom, Allison embraces a unique and unexpected opportunity that helps her find her way in the heart of Manhattan. “A tribute to Broadway, teen celebrity life, and a mother who has now seen it all, this work is tough love at its finest and a great read for those wanting a ride on the wild side” (Booklist, starred review).

Musical Chairs Amy Poeppel, 2021-04-13 A novel about modern family life with all of its discord and harmony--

Obvious in Hindsight Bradley Tusk, 2023-11-07 A tech start-up and their cutthroat consultants will stop at nothing to realize their dream of filling the skies of America’s cities with flying cars...and their opposition is equally determined to bring that dream crashing down. Dozens of start-up tech companies are forming each week, innovating at a breakneck pace and forcing change overnight, ready or not. In the blisteringly funny *Obvious in Hindsight*, the new technology in question is flying cars, and they’re coming to a crowded urban area near you. But before that happens, the slick and powerful political consultants campaigning to get the new tech adopted will have to manipulate political operatives to their advantage while overcoming fierce opposition from groups hostile to the idea, from the strategically aligned taxi cab and rideshare companies to the squawking, costumed Audubon Society, the socialists, and the Russian mob. This story takes readers on a richly imagined, page-turning journey through multiple cities populated by opposing special interest groups, hucksters, and corrupt power brokers. A riveting and ultimately insightful satire that provides an insider’s view of how capitalism, politics, and entrepreneurship intersect, *Obvious in Hindsight* is a timely novel destined to become one of the most entertaining cautionary tales of the millennium.

Ready or Not Cara Bastone, 2024-02-13 A surprise pregnancy leads to even more life-changing revelations in this “absolutely buoyant read” (Elle). “Bastone delivers on this truly heartwarming, funny, and real story. Come for the dog bar, stay for the special, slow-burn romcom.”—Abby Jimenez, New York Times bestselling author *A BEST BOOK OF THE YEAR*: The Washington Post, NPR, Elle Eve Hatch lives for surprises! Just kidding. She expects every tomorrow to be pretty much

the same as today. She loves her cozy apartment in Brooklyn that's close to her childhood best friend Willa, and far from her midwestern, traditional family who has never really understood her. While her job is only dream-adjacent, it's comfortable and steady. She always knows what to expect from her life . . . until she finds herself expecting after an uncharacteristic one-night stand. The unplanned pregnancy cracks open all the relationships in her life. Eve's loyal friendship with Willa is feeling tense, right when she needs her the most. And it's actually Willa's steadfast older brother, Shep, who steps up to help Eve. He has always been friendly, but now he's checking in, ordering her surprise lunches, listening to all her complaints, and is . . . suddenly kinda hot? Then, as if she needs one more complication, there's the baby's father, who is (technically) supportive but (majorly) conflicted. Up until this point, Eve's been content to coast through life. Now, though—maybe it's the hormones, maybe it's the way Shep's shoulders look in a T-shirt—Eve starts to wonder if she has been secretly desiring more from every aspect of her life. Over the course of nine months, as Eve struggles to figure out the next right step in her expanding reality, she begins to realize that family and love, in all forms, can sneak up on you when you least expect it.

Love, Me Jessica Saunders, 2024-01-16 A pitch-perfect exploration of modern married life, Jessica Saunders's deliciously readable novel embraces the truth that some old flames can't be snuffed out, no matter how many years go by. Rachel Miller is a lawyer and mother of two who's just as comfortable in a courtroom as she is on the sidelines of a soccer field. Sure, her marriage is on autopilot, her parents are overly involved, and the other suburban moms are just a little bit catty. But if you ask Rachel, life is good. That is until her world is upended when racy photos of her and her high school boyfriend, the famous actor Jack Bellow—along with his love letters to her—are published in a tabloid, unexpectedly thrusting Rachel into the spotlight. This newfound attention calls into question her marriage, her career, and her superstar ex. Betrayed by someone she trusted and reunited with the man she tried so hard to forget, Rachel must ask herself, "How did I get here? And what do I really want?" Reminiscent of novels by Sophie Kinsella and Rebecca Serle, *Love, Me* is a sweet, honest foray into love, marriage, and the fantasy of a second-chance romance with the one that got away. Readers will find this lively debut romance book easy to devour and hard to put down.

Every Time I Go on Vacation, Someone Dies Catherine Mack, 2024-04-30 A USA Today Bestseller #1 Toronto Star Bestseller in Canadian Fiction A Globe and Mail Bestseller in Canadian Fiction A Vancouver Sun Bestseller in New Releases An Indie Next List Pick (May 2024) An Amazon Editors' Pick for Best Mystery, Thriller & Suspense (May 2024) Library Journal's Mystery Pick of the Month (April 2024) Ten days, eight suspects, six cities, five authors, three bodies . . . one trip to die for. Quick, captivating, and oh-so-much-fun! This delicious mystery is as spellbinding as *Knives Out*.—Elle Cosimano, New York Times bestselling author of the Finlay Donovan series All that bestselling author Eleanor Dash wants is to get through her book tour in Italy and kill off her main character, Connor Smith, in the next in her *Vacation Mysteries* series—is that too much to ask? Clearly it is, because when an attempt is made to kill the real Connor—the handsome but infuriating con man

she got mixed up with ten years ago and now can't get out of her life—Eleanor's enlisted to help solve the case. Contending with literary competitors, rabid fans, a stalker—and even her ex, Oliver, who turns up unexpectedly—theories are bandied about, and rivalries, rifts, and broken hearts are revealed. But who's really trying to get away with murder? Every Time I Go on Vacation, Someone Dies is an irresistible and hilarious series debut from Catherine Mack, introducing bestselling fictional author Eleanor Dash on her Italian book tour where life starts to imitate the world in her books when she's caught up in a real-life murder mystery.

Lunar Love Lauren Kung Jessen, 2023-01-10 This sweet, enemies-to-lovers debut rom-com filled with Chinese astrology will undoubtedly prove to be a perfect match with readers of Helen Hoang, Jasmine Guillory, and Sarah Adams. Always a matchmaker, never a match... Olivia Huang Christenson is excited-slash-terrified to be taking over her grandmother's matchmaking business. But when she learns that a new dating app has made her Pó Po's traditional Chinese zodiac approach all about "animal attraction," her emotions skew more toward furious-slash-outraged. Especially when L.A.'s most-eligible bachelor Bennett O'Brien is behind the app that could destroy her family's legacy . . . Liv knows better than to fall for any guy, let alone an infuriatingly handsome one who believes that traditions are meant to be broken. As the two businesses go head to head, Bennett and Liv make a deal: they'll find a match for each other—and whoever falls in love loses. But Liv is dealing with someone who's already adept at stealing business ideas . . . so what's stopping him from stealing her heart too?

Red String Theory Lauren Kung Jessen, 2024-01-09 Booklist: The Biggest, Buzziest Romance Books of 2024 In this charming rom-com about two star-crossed lovers, a woman whose life is guided by her belief in the red-string of fate finds her perfect match—but his skepticism about true love puts a knot in their chances. Just a date . . . or a twist of fate? When it comes to love and art, Rooney Gao believes in signs. Most of all, she believes in the Chinese legend that everyone is tied to their one true love by the red string of fate. And that belief has inspired her career as an artist, as well as the large art installations she makes with (obviously) red string. That is until artist's block strikes and Rooney begins to question everything. But then fate leads her to the perfect guy . . . Jack Liu is perfect. He's absurdly smart, successful, handsome, and after one enchanting New York night—under icy February skies and fueled by fried dumplings—all signs point to destiny. Only Jack doesn't believe. And after their magical date, it looks like they might be lost to each other forever . . . until they're given one more chance to reconnect. But can Rooney convince a reluctant skeptic to take a leap of fate?

Anna Bright Is Hiding Something Susie Orman Schnall, 2025-07-30 The Dropout meets Inventing Anna in this cinematic and page-turning summer read! A ripped-from-the-headlines story set in the glossy offices of Silicon Valley startups and NYC new media, Anna Bright Is Hiding Something explores our fascination with female founders breaking barriers—and sometimes behaving badly in the process. Anna Bright is committing fraud. But nobody knows it yet. Not the board of her multibillion-dollar company, not her investors, not the public breathlessly anticipating the launch of BrightSpot, and not the

media—including Jamie Roman, a hardworking journalist for BusinessBerry. But when Jamie does learn about Anna's misconduct, she embarks on a bicoastal journey to expose the crimes and make a name for herself as a journalist. It's not long before Anna learns what the reporter is up to, however—and she'll do anything to stop Jamie. Especially now that BrightLife's IPO is days away.

Kate & Frida Kim Fay, 2026-03-10 INSTANT USA TODAY BESTSELLER “A highly original, heart-warming story of an extraordinary friendship.” —Amy Poeppel, Award-Winning author of *The Sweet Spot* A companion to the instant national bestseller *Love & Saffron*, this bright and comforting novel follows the surprising friendship between two young women in 1990s Seattle and Paris, illuminating the power of books to change our lives. Sometimes a book can change your life... Twenty-something Frida Rodriguez, daughter of *Love & Saffron*'s own Joan Bergstrom, comes to Paris in 1991, relishing the city's butter-soaked cuisine and seeking her future as a war correspondent. But when she writes to a bookshop in Seattle, she receives more than just the book she requests. A friendship begins that will redefine the person she thought she wanted to become. Seattle bookseller Kate Fair is transformed by Frida's free spirit, spurred to kiss her handsome coworker, to believe in herself as a writer, and to find beauty even in loss. Through the most tumultuous years of their young lives—personally and globally—Kate and Frida's friendship sustains and nourishes them as they show each other how to overcome self-doubt and the necessity of embracing joy even through our darkest hours. A buoyant, mouth-watering oasis of a novel, *Kate & Frida* is a love letter to bookshops and booksellers, to the way stories shape how we perceive ourselves, to the passion we bring to life in our twenties, and to the last precious years before the internet changed everything.

Summer Fridays Suzanne Rindell, 2024-05-30 ONE GOOD SUMMER CAN CHANGE YOUR LIFE. 'This love story is not to be missed' JILL SANTOPOLO, New York Times bestselling author of *The Light We Lost* 'A wonderfully satisfying read!' AMY POEPPEL, author of *The Sweet Spot* 'The perfect way to spend your summer Fridays' GEORGIA CLARK, author of *Island Time* Summer 1999: Sawyer is striving to make it in New York. Between her assistant job in publishing, her secret dreams of becoming a writer, and her upcoming wedding to her college boyfriend, it feels like the perfect life could fall into place at any moment. There is only one problem: Sawyer's fiancé has been working longer hours . . . with an all-too-close female colleague, Kendra. When Kendra's boyfriend, Nick, invites Sawyer to meet up and compare notes about their suspicions, the meeting goes awry. She finds Nick cocky and cynical, and he finds her anxious and overwhelming. But when Nick seeks out Sawyer to apologize, a friendship develops. Over the summer, Sawyer and Nick start an unofficial ritual exploring New York City. From hot dogs on the Staten Island Ferry and Sea Breezes in a muggy East Village bar to swimming at Coney Island, they both begin living for their Friday afternoons together. But what happens once the summer is over? 'A sweet, nostalgic coming of age tale' JOANNA RAKOFF

The Sweet Spot Amy Poeppel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and

PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Sweet Spot Amy Poeppel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Sweet Spot Amy Poeppel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Sweet Spot Amy Poeppel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
