William Francis Ryan

The Witch's Mates Bertha R. Barnes, 2024-02-26 I am just about to turn around and head down the alley toward the street when I see two shadows step away from the wall a little farther down from where I am standing. I can't see any features, but I can guess from their statures that they are both men. I don't know what species they are though, but given that they just witnessed me kill a vampire I decide it's time to get the hell out of here. At least they aren't blocking my path to the street. Just as that thought crosses my mind, I hear the back door to the club open and close. I don't want to take my eyes off the men in front of me, but I have to see who just walked out. To assess the new danger. Before turning to look though, I pull out my remaining weapon also hidden in my boot. A silver dagger. It's only really good for killing werewolves, but it can do some damage to other supernaturals too. I give the figures in front of me one last look, they haven't moved at all, and then glance behind me. My breath stops for a moment, and it feels like my heart stops along with it. *** Willow is a witch who hunts down and kills other supernaturals. After the Great Massacre of the Wiccan Community, their population had been decimated. So while they try to rebuild their population and plan their revenge, they take out as many supernaturals as they can. But everything changes for Willow when she meets Keaton, Everett, Aizen, and Devlin. *** *This is a fantasy reverse-harem romance novel. It will have mature themes, including but not limited to, violence, sexual themes, sexual scenes (including light BDSM), abuse, and mentions of rape. Please do not read if you feel uncomfortable with any of these things or if you feel they will be harmful to your mental health.

The Hidden Werewolf's Mate Bertha R. Barnes, 2024-02-26 A werewolf in the midst of humans. What's up with that? But then, a group of werewolves join the school. What happens when the Alpha is her mate? Will she keep on running and hiding? Will she reject him? Or will she reveal her secrets? *** She wanted to stay hidden for a reason. What is she hiding? He was the most strongest Alpha, someone who is looked as the Alpha King, and never let anyone escape from him. Will she find out his true personality? Should she always listen to rumors? What will happen when the two collide?

Yeah, I Rejected You Bertha R. Barnes, 2024-03-06 Then it hit me. The scent of my mate. The one I'd love and spend the rest of my days with. Mine, he growled. I was forced up against the wall as he began to kiss me roughly. I managed to take a peek at my mate. The school's very own player. Otherwise known as the guy who infuriates me to the depths of hell. I shoved him off me and made him look me in the eye, I don't care if you're going to be Alpha. You will always be the jerk I hate and

the player I despise. I will not be looked upon as another of your minions. Yeah, I just rejected you. I snarled. - - - - -
- - - Shayla Hale is just another 15 year old werewolf, eagerly waiting for her 16th birthday so she can find her mate. She wasn't popular, and she wasn't a loner. Following her around, was the school's player, with a hobby of annoying her. She hated him for taking so much interest in her, since she knew all he was is a disappointment. Chase Anderson is the school's player, and the guy every girl swoons for. He's always found Shayla interesting, since she wasn't like the others. Witty comebacks, never sparing him a second glance. Being the hard to resist, soon to be Alpha of his Dark Wolfe pack, he needs to find his Luna. What he wasn't prepared for was his very own mate rejecting him. Will Shayla stay true to her word? Will Chase prove his mate wrong? What happens when Chase goes back to his player ways? How about when Shayla's childhood lover returns? ***

Call of the Wolves Bertha R. Barnes, 2024-02-26 Serelia Lone, a girl who believes she was ordinary with a traumatic past, will learn of a fate lying deep within a darkened forest that shatters any idea of normalcy that Serelia thought she had. Within the blink of an eye, Serelia is hurled into a world where werewolves exist, and she is meant to be their alpha. This new world brings a crimson nightmare that is lurking and waiting to kill. The Essential Guide to Werewolf Literature Brian J. Frost, 2003 In this fascinating book, Brian J. Frost presents the first full-scale survey of werewolf literature covering both fiction and nonfiction works. He identifies principal elements in the werewolf myth, considers various theories of the phenomenon of shapeshifting, surveys nonfiction books, and traces the myth from its origins in ancient superstitions to its modern representations in fantasy and horror fiction. Frost's analysis encompasses fanciful medieval beliefs, popular works by Victorian authors, scholarly treatises and medical papers, and short stories from pulp magazines of the 1930s and 1940s. Revealing the complex nature of the werewolf phenomenon and its tremendous and continuing influence, *The Essential Guide to Werewolf Literature* is destined to become a standard reference on the subject.
