

Adele One And Only

Sarah-Louise James

Adele Katherine E. Krohn,2013-02-04 Adele's talents as a singer and songwriter have earned her six Grammys, but it's her down-to-earth personality, honest sense of humor, and raw vocals that have helped her to win the hearts of fans all over the world. This compelling biography by author Katherine E. Krohn traces the life and career of music sensation Adele. Readers will learn about the singer's early life in London, how Adele's talents were first discovered, the role heartbreak played in many of her hit singles, and what caused her to experience a career crisis. This engaging edition supports biography and social studies assignments and provides readers with an extensive bibliography, a detailed timeline of events, and informative sidebars.

Adele: Grammy-Winning Singer & Songwriter Lisa Owings,2013-01-01 This title examines the fascinating life of Adele. Readers will learn about Adele's childhood, family, education, and rise to fame. Colorful graphics, oversize photos, and informative sidebars accompany easy-to-read, compelling text that explores Adele's early interest in music and talent in singing and songwriting that led to the release of her albums 19 and 21. Adele's multiple Grammy Awards and charitable work are also described. Features include a table of contents, glossary, selected bibliography, Web links, source notes, and an index, plus a timeline and fun facts. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Adele Matt Doeden,2013-01-01 USA TODAY, The Nation's No. 1 Newspaper, perfectly captures the way fans feel about Adele and her music: Adele doesn't just sing; she changes your life, makes you feel like you're not alone, almost like she wrote and sang each song for you and you only. When she was only 19 years old, Adele released her first single, Hometown Glory. Two years, two albums, and a lot of heartbreak later, she swept the 54th Grammy Awards, winning all six categories for which she was nominated. In her short career, Adele has overcome a terrifying obstacle: a throat condition that many fans worried meant she would never sing again. This insightful biography follows the rise of Adele Laurie Blue Adkins, a girl from north London, into the megastar Adele, a skilled singer-songwriter who proves that sublime talent and compelling songs can still draw the masses.

Adele Sean Smith,2016-11-17 Adele touches the hearts of millions of people who love her for her music and share the real and honest emotion she brings to each and every song. In a cynical age, she is a phenomenon.

A Biographical Guide to the Great Jazz and Pop Singers Will Friedwald, 2010-11-02 Will Friedwald's illuminating, opinionated essays—provocative, funny, and personal—on the lives and careers of more than three hundred singers anatomize the work of the most important jazz and popular performers of the twentieth century. From giants like Ella Fitzgerald, Louis Armstrong, Frank Sinatra, and Judy Garland to lesser-known artists like Jeri Southern and Joe Mooney, they have created a body of work that continues to please and inspire. Here is the most extensive biographical and critical survey of these singers ever written, as well as an essential guide to the Great American Songbook and those who shaped the way it has been sung. The music crosses from jazz to pop and back again, from the songs of Irving Berlin and W. C. Handy through Stephen Sondheim and beyond, bringing together straightforward jazz and pop singers (Billie Holiday, Perry Como); hybrid artists who moved among genres and combined them (Peggy Lee, Mel Tormé); the leading men and women of Broadway and Hollywood (Ethel Merman, Al Jolson); yesterday's vaudeville and radio stars (Sophie Tucker, Eddie Cantor); and today's cabaret artists and hit-makers (Diana Krall, Michael Bublé). Friedwald has also written extended pieces on the most representative artists of five significant genres that lie outside the songbook: Bessie Smith (blues), Mahalia Jackson (gospel), Hank Williams (country and western), Elvis Presley (rock 'n' roll), and Bob Dylan (folk-rock). Friedwald reconsiders the personal stories and professional successes and failures of all these artists, their songs, and their performances, appraising both the singers and their music by balancing his opinions with those of fellow musicians, listeners, and critics. This magisterial reference book—ten years in the making—will delight and inform anyone with a passion for the iconic music of America, which continues to resonate throughout our popular culture.

Memoirs of Adele Sarpy Morrison Adele Sarpy Morrison,1911

TV and Studio Cast Musicals on Record Richard C. Lynch,1990-08-21 Richard Chigley Lynch's latest discography completes his trio of reference works published by Greenwood Press. These review commercially available albums of show music, providing the researcher with the information given on album covers. This volume's 657 entries list some 6500 song titles and cover the years from 1874 (Die Fledermaus) to 1988 (Goya). Compiler Lynch has included every significant recording with the exception of some albums with uncredited vocals or those of well-represented scores with obscure vocalists. All commercially recorded tv musicals including some produced for younger viewers are contained here with--

where available--the date of the recording. Studio cast albums are limited to those sung in English and performed in New York City and include English recordings of American shows. In addition to tv and studio cast recordings 14 other categories of recordings are listed under descriptive headings, including Archival Recreation, Concert Recording, Demo Recording, Failed Musical, Film Score, Ice Revue, Musical for Records, Night Club Revue, Original Concept Album, Pre-Broadway Recording, Puppet Show, Radio Production, Television Production, and Television Special. Following an introduction, the lengthy discography section arranges show titles alphabetically and lists the date of the show's first performance as well as the date of the first New York production of foreign shows. Also included here are original record label, number and information on reissues, and whether the recording is in mono or stereo or is available as a compact disc (CD). Major composer, lyricist, and musical conductor are credited and cast members who sing on the recording are listed alphabetically. Each entry also lists all songs included on the album in the order they are performed on the record followed, when available, by the name of the performer(s). Entries conclude with additional composers and lyricists who also contributed to the score and an occasional note of interest to the researcher. A separate television chronology includes the network that aired the musical, while the studio cast chronology indicates the musicals for records included. The movie chronology identifies the studio which originally presented the film. An index to performers lists each alphabetically followed by the titles of all albums on which the artist sings. The technical index alphabetically lists composers, lyricists, and musical directors with the show album titles following. This impeccable reference along with Lynch's *Broadway on Record* (Greenwood Press, 1987) and *Movie Musicals on Record* (Greenwood Press, 1989) are necessary additions to college and university libraries as well as to the reference collections of larger public libraries.
