**Spirituality and Christian Belief** Keith Ward, 2024-03-29 Christianity is not the only true faith. The Bible is not inerrant. Jesus is not God walking on the earth. Hell is not eternal. What's left? Everything important. The ultimate reality is

cosmic mind, which generates the physical universe. Its goal is to liberate all beings from evil and suffering and to unite all beings to itself. God sets the goal, Jesus shows and attains the goal, and the Spirit guides the way to the goal. This is a spiritual path to God, to which the Bible testifies, from a specific cultural background, the Abrahamic way.

**God's Son "Forsaken," His Sacrifice "Finished!"** Ken Lenz, 2017-01-30 Of the seven statements Christ uttered from the cross, two stand out as being extremely significant in confirming what was being accomplished through the atoning sacrifice of Christ. The question, "My God, My God, why have You forsaken Me?" gives us a sense of what was in "the cup" of God's wrathful judgment, which Jesus drank to its bitterest dregs on our behalf. The exclamation, "It is finished!" unquestionably assures us that the Savior's atoning sacrifice accomplished what was necessary in satisfactorily paying the debt owed for our sin. Your gratitude and faith will be strengthened as you read this book. This book is unique in the following ways: 1. This book focuses on only two of the seven statements Christ made while on the cross, and they are brought together in testimony to the most profound truths concerning God's plan of salvation. 2. This book includes alternative viewpoints (including historical perspectives) and challenges unbiblical perspectives in regard to these statements of Christ and their significance, including some church dogmas. 3. This book demonstrates that salvation is graciously offered by God based on an individual's repentant faith. Jesus Christ purchased our redemption. All that is left is for us to repent of sin and receive the Savior. Would you like a "faith lift" today? Would you like your heart to grow in love and gratitude toward the Savior? If so, this book is for you.

The Greek View of Life G. Lowes Dickinson, 2021-05-20 In *The Greek View of Life*, G. Lowes Dickinson explores the philosophical, cultural, and artistic foundations of ancient Greek thought, presenting a compelling synthesis of how these ideas permeated daily life in classical Greece. Dickinson's eloquent prose marries clarity with depth, weaving together historical insights and literary analysis to illustrate the rich tapestry of Greek perspectives on existence, morality, and aesthetics. The book stands as a significant contribution to the understanding of Hellenistic philosophy and its relevance to modern existential inquiries, inviting readers to reflect on the timeless conflicts between individual desire and communal harmony. G. Lowes Dickinson, an esteemed British philosopher and educator, was profoundly influenced by the ideals of classical thought throughout his life. His academic background, which intimately connected him to fields such as history, philosophy, and literature, instilled in him a passion for exploring the threads that bind ancient civilizations to contemporary society. Dickinson's engagement with Greek philosophy allowed him to convey a nuanced understanding of its enduring legacy, driven by his belief in the importance of philosophical discourse for societal progression. This book is an essential read for anyone interested in philosophy, ancient history, or the evolution of Western thought. *The Greek View of Life* not only illuminates the intellectual landscapes of antiquity but also invites readers to consider how these ancient insights remain profoundly relevant today, serving as a guide for navigating the complexities of modern existence.

Sin, Salvation and Kingdom of God Rev. Dr. Rashid Gill,2015-10-12 The fundamental three doctrines Sin, Salvation and the Kingdom of God of Christian faith have been juxtaposed with the doctrines of Judaism, Islam, Hinduism and Sikhism. The purpose of the book is to facilitate reader in finding references at one place. Furthermore, a layman can be acquainted about the major religions. As Mankind is still struggling with age old questions on Sin, Salvation and Kingdom of God this book is meant to provoke thoughts on the subject matter. *O Wondrous Plan* J. Peter Baumgarten,2025-07-11 The idea of predestination, which seems to have a scriptural basis, is actually a Trojan horse. While appearing to many to be a gift of grace, it is actually full of deceptions and completely inconsistent to the plan of salvation-holding that man has no free choice and that God has already selected a favored few of his children for salvation while committing the rest (most of mankind) to damnation, regardless of merit. To explore this subject with maximum clarity, I will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind. This presentation includes a detailed description of what the doctrine consists of, it's origin and history, the scriptural authority referenced to support the doctrine, its implications, and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of Jesus Christ. To better introduce this subject, I begin the first chapter of this book with a personal experience-an experience that heightened my own awareness of the issue.
