Tourism in Bangladesh: Investment and Development Perspectives Azizul Hassan, 2022-01-05 This edited volume uniquely explores the extensive themes and frameworks of tourism development and investment in Bangladesh. The book focuses on outlining the present investment and development scenario of Bangladesh in order to suggest some solutions to current issues. Considering that Bangladesh has a population of over 170 million, the country possesses an abundance of possibilities for tourism. In recent years, Bangladesh has experienced steady growth in its economy and socio-cultural developments. Currently, there is very limited knowledge of or research into tourism in Bangladesh, even though it is a multifaceted and fast-growing industry. This book makes an important contribution to representing and exploring diverse aspects of tourism in Bangladesh for local and international benefit. This book provides insights into the stronghold of a social class having the ability to spend for tourism and leisure activities, which has prompted the country to pay further attention to the development of its tourism industry. This book emphasizes that the importance of tourism is undeniably on a continuous rise in Bangladesh, which in turn deserves the appropriate attention from academic research.

Bangladesh Mikey Leung, Belinda Meggitt, 2012-12-04 With its extraordinary attention to detail and insider knowledge, this guide is an essential tool to navigating a country where first-hand accounts are the best currency.

Tourism Products and Services in Bangladesh Azizul Hassan, 2021-03-16 This book provides the latest research in the application of innovative technology to the tourism industry in Bangladesh, covering the perspectives, theories, issues, complexities, as well as opportunities and the challenges present. This book provides a blend of comprehensive and cross disciplinary as well as international insights from contributors to cover the various technologies in tourism. This book focuses on the importance of technologies in tourism, specifically the application and practice of such technologies including the relevant niches in tourism. This book also comprehensively highlights technologies that are impacting the tourism industry in Asia as well as reveals the specific constraints. The contents of this book deal with distinct topics such as mobile computing, new product designs, innovative technology usages in tourism promotion, technology-driven sustainable tourism development, location-based apps, mobility, accessibility and so on. This book is a significant contribution towards the very limited knowledge and under published area of tourism in Bangladesh. This book is designed to accommodate readers that from both both qualitative and quantitative research theory and practices. This book identifies specific examples of the

existing tourism products and services in order to better promote and boost the tourism industry by suggesting tourism products and services available in Bangladesh. This book addresses a number of key issues and solutions by examining the products and services and the need for improved tourism marketing and development in Bangladesh as the central themes.

Marketing in a Transition Economy Muhammad Ismail Hossain, Nasrin Akter, Abureza M. Muzareba, 2024-07-03 This book presents case studies of local, regional, and international businesses to show that marketing is an environment-sensitive activity, requiring an environment-specific treatment. The business eco-system of Bangladesh is considerably different from those of developed and developing countries due to a range of factors including the unmatched patterns in logistics, infrastructure, enforcement of laws and regulations, cultural differences, and competitiveness. Insightful differences in business practices between the economies of Bangladesh and the West and/or other developing countries are unfolded in this book. The nuances of the contextual operational realities around different aspects of the business including marketing environment and management, consumer behavior, supply chain management, brand management, customer relationship management, services marketing, digital marketing, integrated marketing communications, and marketing ethics are presented in this book. The business knowledge shared by the unique breadth and depth of cases is sure to make this book an effective resource for academia and industry.
