The Barefoot Investor (2022 Edition) Scott Pape, 2022 This 'classic edition' has been updated for 2022 and beyond. It will include the following changes (with more to come): -- A new author prologue will update the readers on what to expect in a post pandemic world. -- Revised figures and examples that illustrate the principle rather than the most current numbers to educate and empower readers rather than link to soon-to-be-outdated data. -- A new section 'Where to get more information - in one-and-a-bit pages'. This ensures everyone knows how to stay up to date with what's going on that might affect their money, where to get the latest figures for their 'Donald Bradman Retirement Strategy' and where to get help for financial hardship. -- Updated and new case-studies: where are the people now that were included in the original book and how have their circumstances changed, plus completely new people and stories.

Kids Ain't Cheap Ana Kresina, 2023-10-31 There are so many delightful moments in parenthood. That toothy grin. The big wet kisses. Or even when they whisper 'I love you' in your ear for the first time. Those moments are pure magic. But kids are also exhausting. The poo explosions, the sleepless nights, the defiant toddler years. If you're partnered, it can be a strain on your relationship. It can also be financially overwhelming. Money is one of the leading causes of stress and divorce, and it's even more crucial for single parents or carers to be aware of as the sole breadwinner. Kids Ain't Cheap is an easy-to-understand book that helps you prepare financially before you become a parent for the first (or second, or third) time. It shows you how to mitigate risk and reduce financial stress. From pre-pregnancy financial planning to the expensive childcare years and beyond, this book gives you the skills to run cost estimates, understand your loss of earning potential, get your finances in order, start investing for your family and set up your children for their own financial success. More than anything, it gives you the freedom to focus on what is most important to you: your family.
