

Deaths Door Jim Kelly

Maria Hudgins

Death's Door Jim Kelly, 2012-10-01 An idyllic island holds a dark secret . . . - On a hot August day in 1994, 76 holidaymakers travel to an island off the North Norfolk coast. Only 75 return alive - a young man is murdered, the case left unsolved. Twenty years later, using state-of-the-art forensics, the DNA results of a bloodsoaked towel prompts DI Peter Shaw to summon all 75 original suspects to a mass screening, but one of them, the beautiful Marianne Osbourne, is found dead in her bed. Is there a link to the 1994 murder? DI Shaw and DS Valentine become immersed in the dark secrets of an isolated community.

Island Genres, Genre Islands Ralph Crane, Lisa Fletcher, 2017-02-03 'Island Genres, Genre Islands' moves the debate about literature and place onto new ground by exploring the island settings of bestsellers. Through a focus on four key genres—crime fiction, thrillers, popular romance fiction, and fantasy fiction—Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands. The book offers broad, comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts. These include chapters on Agatha's Christie's islands, the role of the island in 'Bondspace,' the romantic islophilia of Nora Roberts's Three Sisters Island series, and the archipelagic geography of Ursula Le Guin's Earthsea. Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography, as well as in island studies.

My Race with Diabetes and the Oli Ed Espenshade, 2016-03-29 While growing up in Mount Holly, New Jersey, Ed Espenshade played catch with his dad, attended Phillies and Sixers games, and dreamed of being an athlete. But soon after he acquired a paper route as a twelfth birthday present, Ed was hit by a car while attempting to cross a road. After blood was drawn during an examination in the emergency room, Ed received shocking news: he had diabetes. As his path took an unexpected turn, Ed describes how he became more determined than ever to pursue his athletic goals. After an unsuccessful attempt at soccer, Ed eventually found his home as a cross country runner in high school and college. It seemed that Ed was defying all odds as he continued to run hundreds of road races that included four marathons. But everything changed in 2003 when Ed found himself face down on the street during a training run and soon received another stunning diagnosis: he had a

rare nonmalignant brain tumor. As he details his continuing journey with two serious health conditions, Ed shines a light on the importance of keeping hope, faith, and perseverance alive in the face of life's greatest challenges. In this inspiring memoir, a diabetic endurance athlete shares the story of how he has battled chronic illness by pushing through his hardships and never sacrificing his dreams.

The Encyclopedia of Martial Arts Movies Bill Palmer, Karen Palmer, 1995 The Encyclopedia covers the genre from 1920 to 1994. The genre, however, can be very confusing: films often have several titles, and many of the stars have more than one pseudonym. In an effort to clarify some of the confusion, the authors have included all the information available to them on almost 3,300 films. Each entry includes a listing of the production company, the cast and crew, distributors, running times, reviews with star ratings whenever possible, and alternate film titles. A list of film series and one of the stars' pseudonyms, in addition to a 7,900 name index, are also included. Illustrated.
