## Mort Walker

The Best of Hi and Lois Mort Walker, 2005-06-10 Since its debut in 1954, Hi and Lois, the quintessential family comic strip, has chronicled the changing (and yet unchanging) life of the American family. Hi, Lois, Chip, Dot, Ditto, and Trixie (sitting in her sunbeam) have tracked the daily life of the baby boomers and their folks, from the trials and pleasures of good old family life to the passing fancies of the day--coonskin caps to video games. Readers, who once followed the strip from Chip and Dot's angle, as kids, now see things more from Hi and Lois's point of view, as parents shepherding their own families along. For 32 years two of the great comic-strip masters of our time--Mort Walker and Dik Browne--have worked together to make this one of the most enduringly popular and widely read strips. It appears in over 1,000 newspapers daily, and is one of the half dozen most popular strips in the world. *The Best of Hi and Lois* is truly the ultimate collection. With close to 300 daily strips and more than 80 Sunday pages from 1954 to present, plus special drawings and a behind-the-scenes look at how the strip is created, it forms an affectionately funny retrospective on four different decades of American family life. Hi and Lois is the result of a classic collaboration between Mort Walker, who writes the strip, and Dik Browne, who draws it. *The Best of Hi and Lois* completes a trilogy that presents the best of their work.

*Hi and Lois* Brian Walker, Greg Walker, 2004-10 The first full-color collection of the Hi and Lois Sunday pages ever published, this 50th Anniversary retrospective includes a generous selection of recent comic strips as well as a sampling of classic masterpieces from the past. The stars of the feature—Hi, Lois, Chip, Dot, Trixie, and Dawg—provide a warm, loving portrait of a wholesome family, with traditional values and modern-day sensibilities. The cartoon strips depict everything from busy parents juggling jobs and a teen coping with self-image issues to sibling rivalry and a toddler learning about her place in the world. Childhood fantasies, nostalgia trips, seasonal strolls, summer vacations, and holiday celebrations are among the recurrent themes explored in these Sunday episodes.

**That's Funny You Don't Look Like A Teacher!** Sandra J Weber,Claudia Mitchell,2002-11-01 What do you see when you think of teacher? Where does what you see come from? This is a book about the images of teachers and teaching which permeate the everyday lives of children and adults, shaping in important but unrecognised ways their notions of whom teachers are and what they do. The authors show how, using a creative interdisciplinary approach, it is possible to analyse drawings of teachers, television programmes, films, cartoons, comics and even Barbie dolls. Illustrated with colour reproductions and excerpts from interviews and journals, this book should appeal to teachers, academics and anyone who is interested in the popular culture of childhood, gender issues, professional identity and teacher education.

*Mort Walker's Private Scrapbook* Mort Walker,2000-12 Many cartoonists have successfully caused brief splashes of excitement throughout history but simply don't have what it takes to command the world's attention for half a century. That is, unless you're comic genius Mort Walker, beloved creator of the cartoon strips Hi and Lois and Beetle Bailey. Mort Walker's Private Scrapbook provides a comprehensive look at the life and work of this suave cartoonist for his legions of fans and aficionados of the comic world alike. In this extensive work painstakingly compiled by Walker over the course of two years, he collects his earliest artwork, reveals who his characters are based on, follows the development of his creations, and relates a fascinating perspective about the evolution of the cartooning world. This full-color scrapbook is a unique glimpse into the window of cartooning that only award-winning veteran artist Mort Walker could provide. This book will be essential for comic strip historians, collectors, and faithful fans.
