**Applied Character Analysis in Human Conservation** John T. Miller,1922

**Your Life Path** Linda K. Watts,2018-03-20 Your Life Path provides a self-discovery-based personal growth and development toolkit. It applies the concept of life mapping, which is a simple, fun, and comprehensive method for reflecting on your past and re-modeling your future. This is the perfect book for anyone facing significant life transitions or who simply desires to gain greater awareness about his or her own life story. Your Life Path combines rich, well-illustrated discussion from the author's extensive research and case studies with practical, hands-on creative tools that engage and guide the life mappers through a gradual, self-paced repertoire of journaling, active imagination, and creative representation tools in order to help them realize their value-driven goals and arrive at a better understanding of some of their most persistent inner conflicts. Dr. Watts's program helps life mappers strengthen adaptive strategies in order to enrich their life's journey and assist them in achieving their dreams.

*A to Zoo* Rebecca L. Thomas,2018-06-21 Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply, with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive (as opposed to formal catalog) subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and

story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.
