Sex Positions for Couples Nicole Williams, 2020-05-20 Do you want to learn how to revitalize your sex life with the best positions for couples, improve your intimacy for a better sexuality without sexual taboos.? If yes, then keep reading... Sexual desire, sex is a cosmic power that allows us to fulfill our destiny. There is no love between two people, in a couple, that is not followed by sexuality and physical attraction. What really ties a man and a woman together is not just affection, but mainly sexuality, desire and attraction. The latter are the true pivot of the bond and give meaning to the life of the couple. Why is it important to have sex in a couple? We have sex, we make love for our metamorphosis, to evolve. And we can evolve only if we live the sexual desire to the full, as a transforming force, which brings us to our individual and couple realization. Having sex is good for love and, therefore, you have to do it always better, make it more appetizing and interesting. For example, by experimenting with various sexual positions, we can stimulate the sexual nerve centers and enhance our own and partner's

eroticism. Of course, the imagination and creativity of the couple's members are indispensable, as is the predisposition of the couple to experimentation and participation. Through these elements, you can have a very fulfilling sex life. This guide include: - What is Dirty Talk? - The Benefits of Dirty Talk - Why Regular Sexual Climax Is Important - Increase Your Sexual Vocabulary - How to Overcome Shyness - Solid Tips for Beginners on How to Dirty Talk - Tantric sex - How tantric massage should be performed - Practicing tantric - 12 benefits of tantric sex practices - The basics of tantric sex - What is the kama sutra? - Benefits of kama sutra - Kama sutra preparation and steps - Kama sutra sex positions for ultimate pleasure and gratification - Tantric techniques for addressing common mishaps in sex - More than just sex - Some helpful exercises - Sparking the energy - how to suggest something new to your partner And much more. . . The choice of a couple's favorite positions is something absolutely personal and depends on the physical and psychological characteristics of the members of the couple. You must, however, make love and not gymnastics. Through sexuality, as well as the choice of preferred sexual positions, the couple expresses their personality, their culture, the type of relationship that exists between their members, marking their own and others' evolution. **Kama Sutra Sex Positions** Riley Ashwood, 2021-02-13 □ 55% OFF for Bookstores! NOW at \$ 22.97 instead of \$ 31.97! □ Do you want to know everything about Kama sutra? Your Customers Will Never Stop To Use This Amazing Guide! In this book, we'll explore the ideas of Kama Sutra and discover how it can re-connect you with one another, through that invisible umbilical cord that mutually and continually feeds you and your relationship. We'll find out how that existing connection can be the source of renewed sexual joy in your relationship; how it can make the difference between a long-term live-in friendship, and a vibrant, life-long sexual relationship between committed lovers and partners. Being in a committed, loving relationship always seem so easy and natural when we first set our feet on the path. Hand in hand, we walk into the future as a couple, swept away in our love for one another; believing that forever isn't such a long time in the company of the one we adore. But life in a long-term romantic relationship isn't as easy as many of us have been led to believe. It's not just about the compromise, listening and understanding. Let's be honest and admit that it's also about the sex. Sexuality in a long-term relationship or marriage can dwindle over the years. If we have children, their arrival can change the nature of our sexuality. First and foremost is the inevitable transformation of our roles from life-long lovers to parents and guardians. There's also the stress of child-rearing. The baby who won't go to sleep. The dirty nappies. The shift of focus from each other to the new life that demands our care and attention. Some say sexuality between long-time partners can be re-ignited by spicing things up. Costumes, saucy talk and sex aids can come into play to perhaps make things more fun. But what's really at the basis of your love? What's really the true cornerstone of your relationship? Is there something deeper you can draw on as a resource to lift up your sexuality and make it as enduring as the love you share? It can be hard to believe that your sex life can be improved and changed by words written in a text, but it can. In fact, improving your sex life can be done without help at all, but you need to know yourself 100% if you ever expect to please someone else (inside and outside of the bedroom). There are so many ways in which each of us are pleased via sexually. Finding out what pleases each and every one of us is the difficult part. The Kama Sutra states that all of us can find pleasure and desire in one another, but only if certain factors are taken into account. This book covers: Is Sexual Compatibility important? Overcome sexual anxiety, shyness and insecurity Turn a boring relationship in an exciting couple game The Top sexual fantasies revealed How to create the right intimacy The best
