Last Time We Met Emily Houghton, 2022-07-14 An emotional friends-to-lovers romance, perfect for fans of Mhairi McFarlane and Colleen Hoover Readers have fallen for Emily Houghton's brilliant romances: 'I'm an absolute sucker for a good friends-to-lovers trope and this book definitely delivers that' 'An absolute joy and a love story about falling in love and allowing yourself to be loved' 'A funny, heart-wrenching and beautiful love story. Absolutely loved it' 'Beautifully written with characters that have such great depth' ONE PROMISE Aged thirteen, best friends Eleanor and Fin are inseparable. Convinced it will always be this way they make a pact - to go to university together, always live near each other, and if they're both single at 35 they'll get married. TWO DECADES Eleanor and Fin haven't spoken in fifteen years. Life has run away from them and they're both far from where they'd dreamt of being all those years ago. CAN THEY STILL KEEP THEIR WORD? It takes tragic circumstances for Fin to come back into Eleanor's life, but everything has changed since the last time they met. Is it too late to mend their friendship? Or is there a chance they can keep some of the promises they made? 'I cried, I laughed, I swooned! A gorgeous friends-to-lovers romance' Laura Jane Williams, author of Our Stop 'Perfect for a sunny afternoon' Daily Mail 'Funny, heart-wrenching and simply brilliant' Beth Reekles, author of The Kissing Booth series on Netflix and Love Locked Down

Last Time We Met Emily Houghton, 2022-05-31 ONE PROMISE Aged thirteen, best friends Eleanor and Fin are inseparable. They are convinced that it will always be this way. But to be sure, they make a pact to always be there for each other. And of course, they'll get married if they're both 35 and single. TWO DECADES Eleanor and Fin haven't spoken in fifteen years. They live on different continents, but more than an ocean separates them. Everything has changed since the last time they met. CAN THEY STILL KEEP THEIR WORD? So, when newly single Fin reappears, there's no way they can keep their promise. Is there?

The Last Time We Met Anna E. Wahlgren, 2024-08-06 Six former friends are forced to relive their deadly past in this psychologically charged and suspenseful locked-room mystery perfect for fans of Lucy Foley and Ruth Ware. Old friends. Old grudges. One evening back together again. The last time they all had dinner, someone wound up dead. What could go wrong? Sophie Lind hasn't seen her college friends in a decade when a dinner invitation from one of the friends, Ava, arrives on her doorstep. They used to all be inseparable, meeting for dinner every week, even after graduation. But the last time they all

had dinner, ten years ago, someone was dead by the end of the night. It was Sophie's then-fiancé William who died that night in his apartment, just a room away from the friends he called family. Sophie isn't sure if it's curiosity—or guilt—that pushes her to accept Ava's dinner invitation and unbury those old wounds. When the six friends arrive for the dinner, there's a small box waiting for each of them by their plates. Each box uncovers secrets that the friends have kept hidden all these years, and with the door to the apartment locked from the outside, it's clear that Ava didn't plan this dinner just to reminisce about the past. What happened to William is buried beneath someone's lies—and nobody's leaving this dinner table until the truth comes out.

The Last Time We Met Carol Mason, 2018-10 Fifteen years ago in the colourful bustle of Vietnam, Celine and Patrick met and shared four blissful days together. It felt like true love, but soon reality tore them apart and Celine moved on. But now, when she sees him unexpectedly on a busy London street, suddenly nothing else matters. As she deals with the mixed emotions of an amicable divorce, Celine becomes preoccupied with her daughter and the dating agency she founded—not least when her ex-husband, Mike, asks her to find him someone new. But now her path has crossed with Patrick's again, is fate determined to pull them back together? Or is it Mike she really wants a second chance with? Because first love is hard to get over. But real love never lets you go. --

That's the Way We Met Sudeep Nagarkar, 2017-08-29 Can you ever forget your true love? Aditya and Riya could never imagine life without each other. Since their accidental meeting two years ago, they have been inseparable until an unexpected tragedy changes the course of their lives forever. Will their love stand the test of time? From the intoxicating rush of Mumbai and Delhi to the scenic beauty of Manali, Sudeep Nagarkar will take you on an unforgettable journey through life and love.

We Met Like This Kasie West, 2025-09-16 Beloved author Kasie West's sparkling adult rom-com debut about a hopeless romantic falling for the one man she never expected Can a swipe right turn into swept away? Margot Hart is a hopeless romantic. That's why she wants to be a literary agent—to help bring romance books to the world. It's also why she hates dating apps with all her romance loving soul. She wants her own love story to be just as much fun as the books she reads—a mixed up coffee order, a mistaken identity. She's not going to tell the story that she swiped right on future husband's shirtless pic for the rest of her life. The problem is that her most consistent relationship over the last several years is with Oliver, a guy she keeps rematching with on the apps. They've only been on one date and it was a disaster...well, until the make out session in the car before parting ways. But, she keeps reminding herself, a make out session does not a relationship make. And so there will not be a date two regardless of how witty their app banter is. When Margot gets fired from her job on the same day she meets Oliver again, her life becomes a veritable shit show. Her dream career is dying right before her eyes, and Oliver thinks she's interested in only one thing: a repeat of the hot make out session they had three years ago so she can

get him out of her system. And maybe that is all she wants from him, because she and Oliver are definitely not compatible—he doesn't hit the snooze button, he runs five miles every morning, he reads nonfiction, and worst of all, she didn't meet him in cute way! But in her scramble to keep her dream career alive, by opening her own agency, Oliver is there with his golden retriever energy, more steady and helpful than any man she's ever dated. Just when she thinks she's overcome her app bias, she realizes that maybe it's not her who's holding back, but him. And his reasons are more than she bargained for. Kasie West's romantic and sexy adult debut is full of witty banter, meet cutes gone awry and, ultimately, true love.
