How to Write Lyrics Rikky Rooksby, 2021-09-15 Lyrics sheds light on all aspects of writing lyrics for music and will make lyricists and songwriters feel more confident and creative when they tackle lyrics. It's perfect for all songwriters: those who don't like their own lyrics and find lyrics difficult to write, experienced writers looking for a creative edge, and those offering lyrics to set to music in a partnership. The book discusses channeling personal experiences into lyrics, overcoming writer's block, the right lyrics for a bridge, the separation between lyrics and poetry, exploring imagery and metaphor, avoiding clichés, and more. It also offers tips on the various styles of lyrics, from protests, spirituals, and confessionals to narratives and comic songs. New to this edition are artist and song references throughout to reflect musical history to date. Also, a new section provides examples of taking lyric ideas right through the drafting process, illustrating development and re-drafting and using a handful of contrasting approaches.

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II, 2008-11-25 From every “beautiful mornin’” to “some enchanted evening,” the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The vibrant *Carmen Jones* was Hammerstein’s all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively

their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. “I know the world is filled with troubles and many injustices,” he once said. “But reality is as beautiful as it is ugly . . . I just couldn’t write anything without hope in it.” All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe’s earliest attempts to the old master’s final lyric—“Edelweiss”—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.

Is It Really Just a Small World? Sandra Boyce Ghost, 2011-06-07 When two neighbors who live in Bucksport, Tennessee unexpectedly meet in New York City, they usually say the same thing, Well, it's a small world! This seems to be the phrase that always accompanies a remarkable coincidence. But what if it isn't coincidence at all? What if these extreme happenings could be orchestrated by God, to get our attention, to further His plan for our lives, or as some kind of heavenly protection? Have doubts about that? Well, *Is It Really Just A Small World?* promises to show one coincidence after another, all laced together in the life of one woman with the love of a heavenly valentine. The autobiography of Sandra Ghost reads like a page-turning soap opera when as a teen she tries to swim upstream in a troubled home life and uses marriage as an escape from the parental river of alcohol. Physical abuse ends this union and a second marriage promises all her dreams will come true, until she finds herself desperately trying to win her new husband's approval to no avail. She feels planted in the country with the crops and a newborn baby, and tries to imitate the housewives on TV, submissively trying to just tie a starched apron around her troubled mind. In a fluke of circumstances, Sandy is thrust into singing onstage. This occurrence blossoms into a surprising career as a nightclub entertainer with bookings all over the US and Canada, appearances on television, plus a recording contract. And this is when the miracles begin to happen... So, fasten your spiritual seat belt, get prepared for the ups and downs of a heavenly roller coaster ride that will leave you breathless with what the world would deem to be remarkable coincidences. (While this autobiography is told with humor and candor, it reflects solid and astonishing answers to prayer. When there are encounters with others whose stories of miracles also cross the path of the author, she has included affidavits by those involved to speak of the veracity of the episode.)

Sun On The Water - The Brilliant Life And Tragic Death Of My Daughter Kirsty MacColl Jean MacColl, 2009-05-04 Kirsty MacColl led a dazzling life - tender, creative, heroic and full of love. This book, by her mother Jean MacColl, charts with moving insight Kirsty's early years and celebrates her brilliant career at the front rank of the music business in the 1980s and 1990s with such hits as the Pogues collaboration 'Fairytale of New York'. It mourns her tragic and untimely death - killed by a speedboat in Mexican waters in December 2000. It also tells, with heartfelt truth, the shocking story of the elaborate cover-

up and gross miscarriage of justice that followed and appeals for justice to be done in her name.

A Mirror for Monkeys John Spurling, 2021-04-22 Beneath the floorboards of a ruined house, an 18th-century memoir is discovered. It reveals the life story of William Congreve, the acclaimed English playwright. The lost manuscript is penned by his faithful servant, Jeremy, who tells how they lived together through fierce political division and triumphal nationalism in that era of war with France, the aftermath of the Glorious Revolution. Upon his death a monument in Stowe is erected to honour Mr Congreve. Atop a slender pyramid sits a monkey peering into a mirror, a court wit seeing reflected the ironies of polite society folding in on itself as Whigs and Tories feud with scant ground for compromise. Through the prisms of memory and art, award-winning author John Spurling reimagines this tumultuous period and brings to life historical figures Dryden, Vanbrugh, Swift, Pope and Lady Mary Wortley Montagu as never before.

Defiant Diplomat Willard Allen Fletcher, Jean Tucker Fletcher, 2012-04-12 Drafted while events were fresh in his mind in 1942-1943, Alabama-born American diplomat George Platt Waller's memoir chronicles his war-time experience in the Grand Duchy of Luxembourg. In vivid prose, he recalls the outbreak of World War II in September 1939, the "Phony War," the German invasion of May 10, 1940, and the Wehrmacht occupation. Intimately involved with the political and public life of this small democratic nation, Waller did not follow Grand Duchess Charlotte and her government into exile. Instead, he remained as long as he could to witness and champion the Luxembourg people, doing his best to rescue the flood of refugees seeking visas and asylum in the United States. Waller bitterly condemns the Nazi civilian administration, its oppressive racial laws, and its attempts to annex the country to Germany under the banner of Heim ins Reich. From his pivotal position as dean of the diplomatic community, representative of the powerful United States; and trusted confidant of leaders, executives, and citizens alike, Waller was privy to information from a wide range of sources: government, military, the church, the professions, the resistance, ordinary people, and refugees. He narrates gripping accounts of individual initiative and courage and exposes the many official hindrances to the timely rescue of refugees. His observations shed new light on life in Luxembourg from 1939 to 1941, when he was finally expelled from the country. The editors' introduction places this brief but highly significant memoir in the context of Waller's family background, education, and career, including his dramatic return to Luxembourg at its liberation by American troops in 1944 and his participation in the Grand Duchy's postwar renaissance. Extensive annotations and photographs complement the text.

The '90s The Editors of Rolling Stone, 2010-10-26 At no time since the rock & roll explosion of the 1960s did music matter more than in the 1990s—the decade of grunge, gangsta rap and Britney Spears. The Nineties might have kicked off with Vanilla Ice, but music changed forever the following year when Nirvana's Smells Like Teen Spirit exploded onto the airwaves, giving birth to the alternative nation. The decade spawned dozens of new stars (Pearl Jam, Eminem, Dave Matthews, Christina Aguilera and Jay-Z among them); top artists from U2 to Madonna made their most adventurous records; and hip-hop icons Tupac Shakur and Biggie Smalls met violent ends. Rolling Stone was there to tell all those stories and more—and The '90s collects the best of them: the last major interview with Kurt Cobain, conducted by David Fricke three months before the Nirvana singer took his life in 1994; Jonathan Gold's 1993 trip to Compton to check in with Snoop Dogg and Dr. Dre; Carrie Fisher's intimate one-on-one with Madonna following her 1991 film, Truth or Dare; Kim Neely partying with a riot-starting Guns n' Roses in 1991; Anthony Bozza riding along with an Ecstasy-gobbling Eminem in 1999; and, that same year, Steven Daly's visit to the bedroom of a teenage Britney Spears. Packed with over fifty stories, portraits by the biggest names in photography including Mark Seliger, David LaChapelle and Steven Meisel, and a guide to the decade's hundred greatest albums, The '90s is a definitive look back at the decade that rocked.
